(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than twenty thousand (20,000) square feet of floor area, and are not intended for educational, institutional or high hazard occupancy; or assembly, business or industrial occupancy in excess of one hundred (100) persons, except churches as stated in this subsection, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of ***the*** [~~such~~] permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the Uniform State Building Code. ***The*** [~~Such~~] determination may be reviewed and altered by the board.

(4) The department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review ***the*** [~~such~~] appeal according to the procedures found in subsections (8) to (12) of KRS 198B.070. No preemption by the department

shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

A local government may appeal ***the*** [~~such~~] denial directly to the board, and the board shall review ***the*** [~~such~~] appeal according to the procedures found in subsections (8) to (12) of KRS 198B.070. ***If*** [~~Should~~] the local government ***is*** [~~be~~] granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over ***the*** [~~such~~] additional responsibility, but the local government shall collect any fees for functions it performs pursuant to ***the*** [~~such~~] additional responsibility.

(6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be allocated to the local government. The petition shall not be granted unless the local government has demonstrated to the commissioner that it can perform these functions in accordance with the provisions of KRS 198B.050 to 198B.090.

(7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(e) The person, firm or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.

(16)[~~(15)~~] If the department determines that an inspector is not enforcing the provisions of the Kentucky building codes, it shall require a hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector.

(17)[~~(16)~~] If, after written notification from the department to the inspector of the corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies.

(18)[~~(17)~~] Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. *The* [~~Such~~] fees shall be designed to fully cover the cost of the service performed but shall *not* [~~in no case~~] exceed the cost of the service performed. Fees payable to the department shall be paid into the State Treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. Section 6. The provisions of this Act shall become effective on August 1, 1990.

The Committee Substitute to **HB 478** is as follows:

HB 478, AN ACT relating to sales and use tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 139.340 is amended to read as follows:

(1) Except as provided in KRS 139.470 and 139.480, every retailer engaged in business in this state and making sales of tangible personal property for storage, use or other consumption in this state, shall, at the time of making the sales, or, if the storage, use or other consumption of the tangible personal property is not then taxable hereunder, at the time the storage, use or other consumption becomes taxable, collect the tax levied under KRS 139.310 from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the cabinet.

(2) "Retailer engaged in business in this state" as used in this chapter includes any of the following:

(a) Any retailer maintaining, occupying, or using, permanently or temporarily, directly or indirectly, or through a subsidiary, or agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse or storage place or other place of business. Property owned by a person who has contracted with a printer for printing, which consists of the final printed product, property which becomes a part of the final printed product, or copy from which the printed product is produced, and which is located at the premises of the printer, shall not be deemed to be an office, place of distribution, sales or sample room or place, warehouse or storage place or other place of business maintained, occupied, or used by the person;

(b) Any retailer having any representative, agent, salesman, canvasser or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling, delivering, or the taking of orders for any tangible personal property. An unrelated printer with which a person has contracted for printing shall not be deemed to be a representative, agent, salesman, canvasser or solicitor for such person; [~~or~~]

(c) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, or systematic basis in which the solicitation of the order, placement of the order by the customer or the payment for the order utilizes the services of any financial institution, telecommunication system, radio or television station, cable television service, print media or other facility or service located in this state***; or***

(d) Any retailer deriving receipts from the lease or rental of tangible personal property situated in this state.

Section 2. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage use or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property used for the performance of a lump sum, fixed fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if such sale amounts to twenty-five cents (25) or less, provided the retailer is primarily engaged in making such sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities or special districts as defined in KRS 65.005. This exemption applies only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit is not entitled to the exemption even though such purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke and wood. Determinations of eligibility for the exemption shall be made by the revenue cabinet;

(b) In making such determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the public service commission. Where the service is classified as residential, use other than for "residential" purposes by the customer will not negate the exemption;

(c) The exemption does not apply where charges for sewer service, water and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption applies also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years; and

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill.

(10) Gross receipts from sales to an out-of-state agency, organization or institution exempt from sales and use tax in its state of residence when that agency, organization or institution gives proof of its tax exempt status to the seller and the seller maintains a file of such proof.

(11) Gross receipts derived from the sale of, and the storage, use or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale are not subject to the sales or use tax. Such property shall be regarded as having been purchased for resale.

(a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

1. Materials which enter into and become an ingredient or component part of the manufactured product.

2. Other tangible personal property which is directly used in manufacturing or industrial processing, if such property has a useful life of less than one (1) year. Specifically these items are categorized as follows:

a. Materials. This refers to the raw materials which become an ingredient or component part of supplies or industrial tools exempt under subdivisions b. and c. below.

b. Supplies. This category includes supplies such as lubricating and compounding oils, grease, machine waste, abrasives, chemicals, solvents, fluxes, anodes, filtering materials, fire brick, catalysts, dyes, refrigerants, explosives, etc. The supplies indicated above need not come in direct contact with a manufactured product to be exempt.

c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tolls attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they must come into direct contact with the product being manufactured.

3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle. A single manufacturing cycle is considered to be the period elapsing from the time the raw materials enters into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It will be noted that in none of the three (3) categories is any exemption provided for repair parts. KRS 139.170 specifically holds replacement machinery to be taxable. Since replacement machinery is subject to tax, it necessarily follows that repair or replacement parts are subject to tax. Repair parts are not considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing.

Section 3. KRS 139.480 is amended to read as follows:

Any other provision of this chapter to the contrary notwithstanding, the terms "sale at retail," "retail sale," "use," "storage," and "consumption," as used in this chapter, do not include the sale, use, storage, or other consumption of:

(1) Locomotives or rolling stock, including materials for the construction, repair, or modification thereof, or fuel or supplies for the direct operation of locomotives and trains, used or to be used in interstate commerce;

(2) Coal for the manufacture of electricity;

(3) All energy or energy-producing fuels used in the course of manufacturing, processing, mining, or refining to the extent that the cost of the energy or energy-producing fuels used exceeds three percent (3%) of the cost of production. ***Cost of production shall include amounts for raw materials, labor and overhead.*** Cost of production shall be computed on the basis of plant facilities which shall mean all permanent structures affixed to real property at one (1) location;

(4) Livestock of a kind the products of which ordinarily constitute food for human consumption provided the sales are made for breeding or dairy purposes and by or to a person regularly engaged in the business of farming;

(5) Poultry for use in breeding or egg production;

(6) Farm work stock for use in farming operations;

(7) Seeds, the products of which ordinarily constitute food for human consumption or are to be sold in the regular course of business, and commercial fertilizer to be applied on land, the products from which are to be used for food for human consumption or are to be sold in the regular course of business; provided such sales are made to farmers who are regularly engaged in the occupation of tilling and cultivating the soil for the production of crops as a business, or who are regularly engaged in the occupation of raising and feeding livestock or poultry or producing milk for sale; and provided further that such tangible personal property so sold is to be used only by those persons designated above who are so purchasing;

(8) Feed, including pre-mixes and feed additives, for livestock or poultry of a kind the products of which ordinarily constitute food for human consumption;

(9) Machinery for new and expanded industry;

(10) Farm machinery. As used in this section, the term "farm machinery" means machinery used exclusively and directly in the occupation of tilling the soil for the production of crops as a business, or in the occupation of raising and feeding livestock or poultry or of producing milk for sale. The term "farm machinery," as used in this section includes machinery, attachments, and replacements therefor, repair parts, and replacement parts which are used or manufactured for use on, or in the operation of farm machinery and which are necessary to the operation of such machinery, and are customarily so used; but this exemption shall not include automobiles, trucks, trailers, and truck-trailer combinations;

(11) Property which has been certified as a pollution control facility as defined in KRS 224.850, and all materials, supplies and repair and replacement parts purchased for use in the operation or maintenance of such facilities used specifically in the steel-making process. The exemption provided in this subsection for materials, supplies and repair and replacement parts purchased for use in the operation of pollution control facilities shall be effective for sales made through June 30, 1991;

(12) Tombstones and other memorial grave markers;

(13) On-farm facilities used exclusively for grain or soybean storing, drying, processing, or handling. The exemption applies to the equipment, machinery, attachments, repair and replacement parts, and any materials incorporated into the construction, renovation, or repair of such facilities;

(14) Gasoline, special fuels, and liquefied petroleum gas used to operate or propel stationary engines or tractors for agricultural purposes. As used in this subsection:

(a) "Gasoline" is defined as in KRS 138.210(4);

(b) "Special fuels" is defined as in KRS 138.560(3);

(c) "Liquefied petroleum gas" is defined as in KRS 234.100(1); and

(d) "Agricultural purposes" is defined as in KRS 138.343(4);

(15) Textbooks, including related workbooks and other course materials, purchased for use in a course of study conducted by an institution which qualifies as a nonprofit educational institution under KRS 139.495. The term "course materials" means only those items specifically required of all students for a particular course but does not include notebooks, paper, pencils, calculators, tape recorders, or similar student aids;

(16) Any property which has been certified as an alcohol production facility as defined in KRS 247.910;

(17) Aircraft, repair and replacement parts therefor, and supplies, except fuel, for the direct operation of aircraft in interstate commerce and used exclusively for the conveyance of property or passengers for hire. Nominal intrastate use will not subject the property to the taxes imposed by this chapter;

(18) Any property which has been certified as a fluidized bed energy production facility as defined in KRS 211.390;

(19) Any property to be incorporated into the construction, rebuilding, modification or expansion of a blast furnace or any of its components or appurtenant equipment or structures. The exemption provided in this subsection shall be effective for sales made through June 30, 1991; and

(20) Beginning on October 1, 1986, food or food products purchased for human consumption with food coupons issued by the United States Department of Agriculture pursuant to the Food Stamp Act of 1977, as amended, and required to be exempted by the Food Security Act of 1985 in order for the Commonwealth to continue participation in the federal food stamp program.

Section 4. KRS 139.483 is amended to read as follows:

The taxes imposed under the provisions of this chapter shall not apply to the sale of, or the storage, use, or other consumption of, ships and vessels, including property ***incorporated by*** [~~used in the~~] repair or construction of, supplies and fuel consumed in the operation of, and supplies consumed by crew members aboard such ships and vessels which are used principally in the transportation of property or in the conveyance of persons for hire. ***This section shall not apply to property used to perform the repair or construction of such ships and vessels or to pleasure craft.***

Section 5. KRS 139.500 is amended to read as follows:

(1) The storage, use or other consumption in this state of property, the gross receipts from the sale of which are required to be included in the measure of the tax levied under KRS 139.200 is not subject to the use tax.

(2) The storage, use, or other consumption in this state of gasoline or special fuels on which the tax under KRS chapter 138 has been paid and which is not subject to refund under KRS 138.341, 138.344, ***138.445,*** 279.200, or 279.530 shall not be subject to the use tax.

Section 6. KRS 139.620 is amended to read as follows:

(1) As soon as practicable after each return is received, the cabinet shall examine and audit it. If the amount of tax computed by the cabinet is greater than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within four (4) years from the date the return was filed, except as provided in subsection (2), and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the cabinet.

(2) For the ***purposes of this section*** [~~purpose of subsections (1) and (4)~~], a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.

(3) When a business is discontinued, a determination may be made at any time thereafter within the periods specified in subsection (1) as to liability arising out of that business, irrespective of whether the determination is issued prior to the due date of the liability as otherwise specified in this chapter.

[~~(4) Notwithstanding the four (4) year time limitation of subsection (1), in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.~~]

Section 7. The provisions of this Act shall become effective on August 1, 1990.

(14) Any employee participating in one (1) of the state administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, terminates employment or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have thirty (30) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments or portion of a payment that does not represent a full month of service purchased.

If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. (j) Permit the probation officer to visit him at his home or elsewhere; and

(k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Human Resources, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work for a public agency of the Commonwealth, a county, or a city for a period of time equal to that determined in the case of working for a victim. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. ***If*** [~~Where~~] there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Restitution by payment may be ordered in a lump sum or in specified payments;

(b) Restitution by payment may be ordered paid through the circuit clerk who shall disburse the moneys as ordered by the court***, except that any restitution by payment to a governmental agency shall be paid directly to the governmental agency***;

(c) ***If***[~~Where~~] property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(d) [~~Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;~~

~~(e)~~] The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the State Tresury;

(e)[~~(f)~~] When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation; and

(f)[~~(g)~~] An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(5) When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed six (6) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2), or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

(2) Unlawful disclosure of information under this section shall be a Class A misdemeanor.

SECTION 5. A NEW SECTION OF KRS CHAPTER 431 IS CREATED TO READ AS FOLLOWS:

(1) In addition to any other penalty authorized by law, after a defendant has been convicted of an offense, excluding offenses committed under KRS Chapters 186 and 189, the judge shall order a defendant to repay all or part of a reward paid by a crime stoppers organization.

(2) In determining the amount the defendant shall repay to a crime stoppers organization under subsection (1) of this section, the court shall consider the importance of the information to the prosecution of the defendant as provided by the arresting officer or the prosecuting attorney with due regard for the confidentiality of the crime stoppers organization records.

(3) In this section, "crime stoppers organization" means an organization as defined by Section 1 of this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 431 IS CREATED TO READ AS FOLLOWS:

(1) Upon an order to repay a reward or part of a reward under Section 5 of this Act, the court shall assess this cost against the defendant in the same manner as other costs of prosecution are assessed against a defendant. The court shall order the defendant to:

The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work for a public agency of the Commonwealth, a county, or a city for a period of time equal to that determined in the case of working for a victim. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Restitution by payment may be ordered in a lump sum or in specified payments;

(d) Restitution by payment to governmental agencies shall be made through payments to and disbursement by the circuit clerk;

(e) The circuit clerk shall assess an additional fee of two percent (2%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall enure to the general fund of the state treasury;

(f) When a defendant fails to make restitution ordered to be paid through the circuit clerk, the circuit clerk shall notify the court. The court shall hold a hearing to determine if the defendant is in contempt of the court or has violated the terms of his probation; and

(g) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) ***In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by Section 1 of this Act, relative to the probationer.***

(5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(6)[~~(5)~~] When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed six (6) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2), or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

HB 537, AN ACT relating to statutory liens.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 376.080 is amended to read as follows:

(1) Any lien provided for in KRS 376.010 shall be dissolved unless the claimant, within six months after he ceases to labor or furnish materials, files in the office of the county clerk of the county in which the building or improvement is situated a statement of the amount due him, with all just credits and set-offs known to him, together with a description of the property intended to be covered by the lien sufficiently accurate to identify it, the name of the owner, if known, and whether the materials were furnished or the labor performed by contract with the owner or with a contractor or subcontractor. ***Lien statement forms shall require the name and address of the claimant. If the claimant is a corporation, the statement shall require the name and address of the corporation's process agent, or some other address at which service of process under the Rules of Civil Procedure may be accomplished. If no name and address is included in the statement, service of process in an action to enforce a lien may be accomplished by serving the person who signs the lien statement.*** This statement shall be subscribed and sworn to by the person claiming the lien or by someone in his behalf. The claimant shall send by regular mail a copy of the statement to the property owner at his last known address within seven (7) days of filing the statement with the county clerk. Any lien provided for in KRS 376.010 shall be dissolved if a copy of the statement is not sent to the property owner as provided in this subsection.

(2) The county clerk shall endorse upon each statement the date of its filing, and shall make an abstract of the statement in a book to be kept by him for that purpose, properly endorsed and indexed, containing the date of filing, the name of the person seeking to enforce the lien, the amount claimed, the name of the person against whose property the lien is filed, and a description of the property charged with the lien. The clerk shall receive a fee pursuant to KRS 64.012 from the person filing the statement as full compensation, which shall be taxed and collected as other costs.

The Committee Amendment No. 1 to **HB 537** is as follows:

Amend printed copy of **HB 537** on page 1, lines 19 and 20, to delete "***to enforce a lien***" and to insert in lieu thereof "***involving the real property***".

(2) Any person who violates any of the provisions of KRS 237.030 to 237.050, and in so doing uses any destructive device or booby trap device to avoid detection by law enforcement or other government personnel or to avoid theft or detection by any other person, any controlled substance as set forth in KRS Chapter 218A and held in violation of KRS 218A.140, shall be confined in the penitentiary for not less than five (5) years nor more than ten (10) years or be fined not less than five thousand dollars ($5,000) nor more than ten thousand dollars ($10,000), or both.

HB 573, AN ACT relating to theft by deception.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 514.040 is amended to read as follows:

(1) A person is guilty of theft by deception when he obtains property or services of another by deception with intent to deprive him thereof. A person deceives when he intentionally:

(b) Prevents another from acquiring information which would affect his judgment of a transaction;

(e) Issues or passes a check or similar sight order for the payment of money, knowing that it will not be honored by the drawee.

(2) The term "deceive" does not, however, include falsity as to matters having no pecuniary significance or puffing by statements unlikely to deceive ordinary persons in the group addressed.

(3) Deception as to a person's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise.

(4) For purposes of subsection (1) of this section, an issuer of a check or similar sight order for the payment of money is presumed to know that the check or order, other than a postdated check or order, would not be paid, if:

(a) The issuer had no account with the drawee at the time the check or order was issued;

(b) Payment was refused by the drawee for lack of funds, upon presentation within thirty (30) days after issue, and the issuer failed to make good within ten (10) days after receiving notice of that refusal. An issuer makes good on a check or similar sight order for the payment of money by paying to the holder the face amount of the instrument, together with any fee to be imposed pursuant to subsection (4)(c) of this section; or

(c) If a county attorney issues notice to an issuer that a drawee has refused to honor an instrument due to a lack of funds as described in subsection (4)(b) of this section, the county attorney may charge a fee to the holder of ***ten dollars ($10.00)*** [~~five dollars ($5.00)~~], if said instrument is paid.

(5) A person is guilty of theft by deception when he issues a check or similar sight order in payment of all or any part of any tax payable to the Commonwealth knowing that it will not be honored by the drawee.

HB 23, AN ACT relating to complaints against police officers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 15.520 is amended to read as follows:

(1) In order to establish a minimum system of professional conduct of the police officers of local units of government of this Commonwealth the following standards of conduct are stated as the intention of the general assembly to deal fairly and set administrative due process rights for police officers of the local unit of government and at the same time providing a means for redress by the citizens of the Commonwealth for wrongs allegedly done to them by police officers covered by this section:

(a) Any complaint taken from any individual alleging misconduct on the part of any police officer, as defined herein, shall be taken ***as follows:***

1. If the complaint alleges criminal activity on behalf of a police officer, the allegations may be investigated without a signed, sworn complaint of the individual;

2. If the complaint alleges abuse of official authority or a violation of rules and regulations of the department, an affidavit, signed and sworn to by the complainant, shall be obtained;

3. If a complaint is required to be obtained and the individual upon request refuses to make allegations under oath in the form of an affidavit, signed and sworn to, the department shall bring charges against the police officer only if there is an independent source of information outside the allegations of the complainant upon which to prefer charges and commence disciplinary action [~~under oath in the form of an affidavit, signed, and sworn to by the complainant and duly notarized~~];

(b) No threats, promises, or coercions shall be used at any time against any police officer while he or she is a suspect in a criminal or departmental matter. Suspension from duty with or without pay, or reassignment to other than an officer's regular duties during such period shall not be deemed coercion;

(c) No police officer shall be subjected to interrogation in a departmental matter involving alleged misconduct on his or her part, until forty-eight (48) hours have expired from the time the request for interrogation is made to the accused officer, in writing. ***The interrogation shall be conducted while the officer is on duty. The police officer shall have the right to have present at the interrogation counsel or other representative in his behalf.***[~~; however,~~] Such police officer may be required to submit a written report of the alleged incident ***during the tour of duty during which the department has been made aware of the allegations but in no case later than ten (10) days after the alleged misconduct was alleged to have occurred*** [~~no later than the end of the tour of duty in which the incident is alleged to have occurred~~];

(d) If a police officer is under arrest, or likely to be arrested, or a suspect in any criminal investigation he or she shall be afforded the same constitutional due process rights that are accorded to any civilian, including, but not limited to the right to remain silent, the right to counsel, and shall be notified of those rights before any questioning commences. Nothing in this section shall prevent the suspension with or without pay or reassignment of such police officer pending disposition of such charges;

(e) Any charge involving violation of any local unit of government rule or regulation shall be made in writing with sufficient specificity so as to fully inform the police officer of the nature and circumstances of the alleged violation in order that he or she may be able to properly defend himself or herself. ***The*** [~~Said~~] charge shall be served on the police officer in writing ***prior to the effective date of the disciplinary action***;

(f) When a police officer has been charged with a violation of departmental rules or regulations, no public statements shall be made concerning the alleged violation by any person or persons of the local unit of government or the police officer so charged, until final disposition of the charges;

(g) No police officer as a condition of continued employment by the local unit of government shall be compelled to speak or testify or be questioned by any person or body of a non-governmental nature; and

(h) ***Any police officer subject to discipline as a result of allegations of misconduct or violations of government rules and regulations shall be given a hearing and*** [~~When a hearing is to be conducted by any appointing authority, legislative body, or other body as designated by the Kentucky Revised Statutes,~~] the following administrative due process rights shall be recognized and these shall be the minimum rights afforded any police officer charged:

1. The accused police officer shall have been given at least seventy-two (72) hours notice of any hearing;

2. Copies of any sworn statements or affidavits ***obtained in the investigation of the alleged misconduct or alleged violation of government rules and regulations*** [~~to be considered by the hearing authority~~] shall be furnished to the police officer no less than ***seventy-two (72)*** [~~twenty-four (24)~~] hours prior to the time of ***any*** [~~the~~] hearing;

3. If ***any*** [~~the~~] hearing is based upon a complaint of an individual, the individual shall be notified to appear at the time and place of the hearing by certified mail, return receipt requested;

4. If the return receipt [~~as hereinabove referred to~~] has been returned unsigned, or the individual does not appear, except where due to circumstances beyond his control he cannot appear, at the time and place of the hearing, any charge made by that individual shall not be considered by the hearing authority and shall be dismissed with prejudice;

5. The accused police officer shall have the right and opportunity to obtain and have counsel present, and to be represented by the counsel;

6. The accused police officer shall be allowed to have presented, witnesses and any documentary evidence

the police officer wishes to provide to the hearing authority, and shall have the right to cross-examination of any and all witnesses called by the charging party; [~~and~~]

7. Any police officer suspended with or without pay who is not given a hearing as provided by this section within sixty (60) days of any charge being filed, said charge then shall be dismissed with prejudice and not be considered by any hearing authority and such officer shall be reinstated with full back pay and benefits***; and***

8. The failure to provide any of the above referred to rights or to follow the provisions of this section shall result in the dismissal with prejudice of the charges and the officer shall be reinstated with full back pay and benefits.

(2) Any police officer who shall be found guilty by any hearing authority of any charge, may bring an action in the circuit court in the county in which said local unit of government may be located to contest the action of that hearing authority, and said action shall be tried as an original action by the court. ***The circuit court shall enter judgment affirming, modifying or setting aside the action of the hearing authority.***

(3) The judgment of the circuit court shall be subject to appeal to the Court of Appeals. The procedure as to appeal to the Court of Appeals shall be the same as in any civil action. As the provisions of this section relate to a minimum system of professional conduct, nothing herein shall be construed as limiting or in any way affecting any rights previously afforded to police officers of the Commonwealth by statute, ordinance or working agreement.

(4) The provisions of this section shall apply only to police officers of local units of government who receive funds pursuant to KRS 15.410 through 15.992.

HB 431, AN ACT relating to urban-county government.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67A IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly of the Commonwealth of Kentucky determines as a legislative finding of fact that the needs of large urban areas in the field of detention, institutionalization, and rehabilitation of offenders and public wards are more specialized, acute, and distinct than the needs of smaller communities, and require programs peculiarly suited to the needs of large, urban areas, and that in order to protect, enhance, and maintain the public safety, health, and general welfare, it is necessary that legislative bodies of counties containing an urban-county government where the constitutional offices of sheriff and jailer have been consolidated, be empowered to create correctional services divisions which shall be divisions of urban-county government, and which will be vested with the duty, responsibility, and power to maintain and operate all of the correctional, detention, and rehabilitative facilities of such counties in a professional and competent manner.

(2) A correctional services division may be established by ordinance of the legislative body of any county containing an urban-county government in which the constitutional offices of sheriff and jailer have been consolidated as provided in Section 105 of the Constitution of the Commonwealth of Kentucky. A division shall, upon its creation, have all of the duties, responsibilities, and liabilities of the sheriff and jailer as set forth and contained in the Kentucky Revised Statutes, with reference to the operation and maintenance of the county jail and all county correctional facilities. The sheriff and jailer shall, notwithstanding any other statutory provision to the contrary, have no further repsonsibility, duty, and liability for the performance of statutory duties on a personal basis. The sheriff shall be required to annually inspect all county correctional facilities and render a written report to the urban-county government legislative body and to the secretary of the Corrections Cabinet regarding the general operation of all correctional facilities. The report shall furnish, in detail, information regarding the number of prisoners, detainees, and public wards who are inmates of each correctional facility; the offenses or causes for their incarceration, the length of stay; and further reports regarding rehabilitative programs instituted and being carried on by the division as may be required for a complete accounting and report.

(3) The correctional services division shall, subject to the approval and authorization of the legislative body of the urban-county government, generally administer, operate, and maintain all county correctional facilities, and formulate and implement necessary correctional and rehabilitative programs. All employees of the division, including the director, shall be members of the classified civil service system established pursuant to KRS 67A.210 et seq.

Section 2. KRS 71.110 is amended to read as follows:

The offices of sheriff and jailer in counties containing a city of the first class ***or an urban-county government*** shall be consolidated, but the office of sheriff shall be retained; and the sheriff hereafter in such counties shall perform the duties of jailer.

[~~If zoning has been adopted by the annexing city, then following a public hearing and recommendations by the planning commission for the city, the ordinance shall include a map showing the zoning that will be effective for the annexed area.~~]

(2) If following the publication of the annexation ordinance pursuant to subsection (1) of this section and within sixty (60) days thereof, or if in any annexation proceeding where the annexing city has not adopted a final annexation ordinance, within sixty (60) days of February 12, 1988, fifty percent (50%) of the resident voters or owners of real property within the limits of the territory proposed to be annexed petition the mayor in opposition to the proposal, an election shall be held at the next regular election occurring at least sixty (60) days after the petition is presented to the county clerk:

(a) The mayor of the city shall deliver a certified copy of the ordinance to the county clerk of the county in which the territory proposed to be annexed is located, who shall have prepared to be placed before the voters in each precinct embraced in whole or in part within the territory proposed to be annexed the question: "Are you in favor of being annexed to the City of ______________?" If only a part of any precinct is embraced within the territory proposed to be annexed only persons who reside within the territory proposed to be annexed shall be permitted to vote. The clerk shall cause the sheriff or sheriffs to deliver to the election officers in each precinct in the appropriate counties copies of the ordinance proposing to annex;

(b) If less than fifty-five percent (55%) of those persons voting oppose annexation, the unincorporated territory shall become a part of the city; and

(c) If fifty-five percent (55%) or more of those persons voting oppose annexation, the ordinance proposing annexation shall become ineffectual for any purpose.

(3) In not less than sixty (60) days after the enactment of the ordinance, if no petition has been received by the mayor as set out herein, or within sixty (60) days of the certification of election results in which less than fifty-five percent (55%) of those persons voting opposed annexation, the legislative body may enact an ordinance annexing to the city the territory described in the ordinance. ***If the city has elected to establish the zoning for the new territory prior to the completion of the annexation pursuant to KRS 100.209, the ordinance shall include a map showing the zoning.*** Upon the enactment of this ordinance, the territory shall become part of the city for all purposes.

Section 15. KRS 82.400 is amended to read as follows:

(1) If any person desires to offer for dedication by recorded plat any public way or easement within the city limits, he shall file with the city legislative body a map or plat of the territory bounded, intersected or immediately adjacent to the proposed public way or easement, showing the proposed name, nature and dimensions of the public way or easement offered for dedication. If the city legislative body decides the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

(2) Except as provided for by ordinance in a city of the first class or in a county containing a city

of the first class, subdivision regulations which have been adopted as provided in KRS Chapter 100, and where streets or public ways as dedicated on the final subdivision plat have been constructed, inspected, and approved in accordance with the subdivision regulations, then the procedure for filing the map or plat with the city legislative body as required in subsection (1) of this section shall be waived, and the dedicated street or public way shall automatically be deemed beneficial to the public interest ***and shall be, by operation of law, automatically accepted for***[~~, subject to acceptance and~~] maintenance by the city forty-five (45) days after inspection and final approval, and shall be a public way for all purposes***, KRS Chapter 83A, regarding a city's adoption of ordinances notwithstanding***.

(3) When any property has been opened to the unrestricted use of the general public for five (5) consecutive years, it shall be conclusively presumed to have been dedicated to the city as a public way or easement, subject to acceptance by the city. The city may, at any time after the expiration of five (5) years from the time the property is opened to the public, pass an ordinance declaring it so dedicated, and accepting the dedication, whereupon it shall be a public way or easement of the city for all purposes. The lack of an actual dedication to the city, or of a record title on the part of the city, shall be no defense against the collection of any tax that may be levied against property abutting thereon for the payment of the cost of any improvement constructed thereon by order of the city. Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years. Provided, however, that no property of a carrier by rail, as defined in KRS 276.010(3), shall be presumed to be dedicated as a public way or easement under this section or any other rule of law in force in this state unless the carrier consents to said dedication in writing.

The Committee Substitute to **HB 560** is as follows:

HB 560, AN ACT relating to planning and zoning.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 100.187 is amended to read as follows:

(2) A land use plan element, which shall show proposals for the most appropriate, economic, desirable and feasible patterns for the general location, character, extent, and interrelationship of the manner in which the community should use its public and private land at specified times as far into the future as is reasonable to foresee. Such land uses may cover, without being limited to, public and private, residential, commercial, industrial, agricultural and recreational land uses;

(3) A transportation plan element, which shall show proposals for the most desirable, appropriate, economic and feasible pattern for the general location, character, and extent of the channels, routes, and terminals for transportation facilities for the circulation of persons and goods for specified times as far into the future as is reasonable to foresee. ***The*** [~~Such~~] channels, routes, and terminals may include, without being limited to all classes of highways or streets, railways, airways, waterways; routings for mass transit trucks, etc.; and terminals for people, goods, or vehicles related to highways, airways, waterways, and railways;

(4) A community facilities plan element which shall show proposals for the most desirable, appropriate, economic and feasible pattern for the general location, character, and the extent of public and semipublic buildings, land, and facilities for specified times as far into the future as is reasonable to foresee. ***The*** [~~Such~~] facilities may include, without being limited to, parks and recreation, schools and other educational or cultural facilities, libraries, churches, hospitals, social welfare and medical facilities, utilities, fire stations, police stations, jails, or other public office or administrative facilities; and

(5) The comprehensive plan may include any additional elements such as, without being limited to, community renewal, housing, flood control, pollution, conservation, natural resources, ***regional impact, historic preservation,*** and other programs which in the judgment of the planning commission will further serve the purposes of the comprehensive plan.

Section 2. KRS 100.193 is amended to read as follows:

(1) The planning commission of each planning unit shall prepare and adopt the statement of goals and objectives to act as a guide for the preparation of the remaining elements and the aids to implementing the plans. The statement shall be presented for consideration, amendment and adoption by the legislative bodies and fiscal courts in the planning unit. During its preparation and that of the other plan elements, it shall be the duty of the planning commission to consult with public officials and agencies, boards of health, school boards, public and private utility companies, civic, educational, professional and other organizations, and with citizens.

(2) During the preparation of the statement of goals and objectives, and at least fourteen (14) days prior to any public hearing on the adoption, amendment, or re-adoption of any element of the comprehensive plan, the planning commission shall give notice of the preparation of the statement or the hearing to the following public officials in each city and county adjacent to the planning unit:

(a) If the adjacent city or county is part of a planning unit, the notice shall be sent to the planning commission of that unit; or

(b) If the adjacent city or county is not part of a planning unit, the notice shall be sent to the chief executive officer of that city or county government.

(3) The notice required in subsection (2) of this section, and a copy of the proposed comprehensive plan element, shall also be given to the regional planning council for the area in which the planning unit is located. The council shall coordinate the review and comments of local governments and planning commissions serving planning units affected by the proposal and make recommendations designed to promote coordinated land use in the regional planning council's area of jurisdiction.

(4) Any planning commission which is adopting, amending, or re-adopting any element of the comprehensive plan may conduct a hearing to receive testimony from adjacent planning units, city or county governments, or the regional planning council of the affected area.

Section 3. KRS 100.197 is amended to read as follows:

(1) All elements of the comprehensive plan shall be prepared with a view towards carrying out the statement of goals and objectives. The various elements may be adopted as they are completed, or as a whole when all have been completed. The planning commission shall hold a public hearing and adopt the elements. The comprehensive plan elements, and their research basis, shall be reviewed from time to time in light of social, economic, technical and physical advancements or changes. At least once every five (5) years, the commission shall amend or re-adopt the plan elements. It shall not be necessary to conduct a comprehensive review of the research done at the time of the original adoption pursuant to KRS 100.191, when the commission finds that the original research is still valid. The amendment or re-adoption shall occur only after a public hearing before the planning commission.

(2) The elements of the comprehensive plan shall be reviewed by the planning commission at least once every five (5) years and amended if necessary. If the goals and objectives statement is proposed to be amended then ***the*** [~~such~~] proposed amendments ***shall*** [~~must~~] be submitted to the legislative bodies and fiscal courts in the planning unit for consideration, amendment, and adoption. If the goals and objectives statement is not proposed to be amended, [~~then~~] it shall not be necessary to submit it to the legislative bodies and fiscal courts for action. If the review is not performed, any property owner in the planning unit may file suit in the Circuit Court. If the Circuit Court finds that the review has not been performed, it shall order the planning commission, or the legislative body in the case of the statement of goals and objectives element, to perform the review, and it may set a schedule or deadline of not less than nine (9) months for the completion of the review. No comprehensive plan shall be declared invalid by the Circuit Court unless the planning commission fails to perform the review according to the court's schedule or deadline. The procedure set forth in this section shall be the exclusive remedy for failure to perform the review.

(3) Within thirty (30) days after its adoption, amendment, or re-adoption by the planning commission, a copy of each element of the comprehensive plan shall be sent to public officials in adjacent cities, counties and planning units, following the procedures provided in subsection (2) of Section 2 of this Act.

Section 4. KRS 100.209 is amended to read as follows:

(1) When a city which has adopted zoning or other land use regulations pursuant to this chapter proposes to annex new territory, it may amend its comprehensive plan and official zoning map to incorporate and establish zoning or other land use regulations for the property proposed for annexation prior to adoption of the ordinance of annexation. If the city elects to follow this procedure, the planning commission shall hold a public hearing, after the adoption of the ordinance stating the city's intention to annex and prior to final action upon the ordinance of annexation, for the purpose of adopting the comprehensive plan amendment and making its recommendations as to the zoning or other land use regulations which will be effective for the property upon its annexation. Notice setting forth the time, date, location, and purpose of the public hearing shall be published as required by KRS Chapter 424 and shall be given to the owners of all properties within the area proposed for annexation and to adjoining property owners in accordance with KRS 100.212(2). The city legislative body shall take final action upon the planning commission's recommendations prior to adoption of the ordinance of annexation and shall include in the ordinance of

annexation a map showing the zoning or other land use regulations which will be effective for the annexed property. If the city elects not to follow the procedure provided for in this section prior to the adoption of the ordinance of annexation, the newly annexed territory shall remain subject to the same land use restrictions, if any, as applied to it prior to annexation until those restrictions are changed by zoning map amendments or other regulations in accordance with this chapter.

(2) When [~~a city annexes new territory or when~~] a city is created or when a city of the fifth or sixth class is reclassified to a city of the fourth class or higher in a county containing a city of the first class, and the intent is to regulate land ***use within the confines of the city, the process for adopting or amending the comprehensive plan and adopting zoning or other land use regulations shall be as provided for in this chapter. Until such actions have been taken, the properties within the city shall remain subject to the land use restrictions, if any, as applied prior to the creation or reclassification of the city*** [~~development, the process to adopt or amend a comprehensive plan, zoning ordinance, subdivision regulations, public improvements program or official map for the affected territory shall be as required by this chapter. The planning commission shall be permitted to hold public hearings on such proposed adoption or amendments as required by this chapter prior to final action on the annexation, creation or incorporation. The legislative body may take action adopting existing applicable goals and objectives and existing applicable regulations without a new public hearing, but a public hearing shall be required if any change to such goals and objectives or regulations are proposed. Until such actions have been taken, prior laws shall remain in effect and prior governing authority shall control~~].

Section 5. KRS 100.212 is amended to read as follows:

When in any planning unit except for a planning unit containing a city of the first class, a hearing is scheduled on a proposal by a property owner to amend any zoning map, the following notice shall be given in addition to any other notice required by statute, local regulation or ordinance:

(1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed for fourteen (14) consecutive days immediately prior to the hearing. Posting shall be as follows:

(b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission; and

(2) Notice of the hearing shall be given at least fourteen (14) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed to an owner of every parcel of property adjoining the property the classification of which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all adjoining property. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of ***the*** [~~said~~] owner. ***If the*** [~~In the event such~~] property is in condominium or cooperative forms of ownership, [~~then~~] the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

(3) If the property the classification of which is proposed to be changed adjoins property in a different planning unit, or property which is not part of any planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:

(a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or

(b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 6. KRS 100.3681 is amended to read as follows:

(1) Effective October 1, 1988, the county clerk of every county containing a planning unit which has enacted land use regulations pursuant to this chapter shall, upon receipt of a recording fee of ten dollars and fifty cents ($10.50), file and maintain among the official records of his office certificates of land use restriction completed according to this section and KRS 100.3682 to 100.3684. The certificates shall be in the form designated in KRS 100.3683; shall be completed and filed by the secretary of the planning commission,

board of adjustment, legislative body or fiscal court which finally adopts or imposes the land use restriction described in the certificate; and shall be filed within thirty (30) days of the date upon which the body takes final action to impose or adopt the restriction. The certificate shall set forth the name and address of the property owner; the address of the property; the name of the subdivision or development, if there is one; the name and address of the body which maintains the original records containing the restriction; and shall indicate the type of land use restriction adopted or imposed upon the subject property on or after October 1, 1988, including variances, conditional use permits, conditional zoning conditions, ***unrecorded preliminary*** subdivision plats and development plans; but not including zoning map amendments which impose no limitations or restrictions upon the use of the subject property other than those generally applicable to properties within the same zone ***and not including any recorded subdivision plat***. The county clerk shall index the certificates by property owner and, if applicable, name of subdivision or development. The county clerk shall maintain in his office a record of the name and address of the agency having custody of the official zoning map for each planning unit within the county. All zoning map amendments shall be reflected on the official zoning map within thirty (30) days of the date upon which final action approving ***the*** [~~such~~] amendments is taken by the planning unit.

(2) The planning unit shall collect the county clerk's filing fee for the certificate from the applicant at the time any proceeding is initiated which may result in the imposition, adoption, amendment or release of any land use restriction provided for in this chapter; and the planning unit may also charge the applicant a fee for the reasonable cost of completing and filing the certificate, not to exceed ten dollars and fifty cents ($10.50), in addition to any other applicable filing or administrative fee, to compensate the planning unit for completing and filing the certificate. The fees permitted by this Act shall be refunded to the applicant in the event no land use restriction is imposed or adopted as a result of the proceeding.

(3) When a restriction reflected on the certificate is amended, a new certificate shall be filed. In the case of such amendment or in the event the original restriction is released, the previous certificate shall be released by the secretary of the body which amended or released the restriction in the same manner as releases of encumbrances upon real estate.

(4) The failure to file, to file on time, or to complete the certificate properly or accurately shall not affect the validity or enforceability of any land use restriction or regulation. Any improper filing may be cured by a subsequent proper filing. Nothing herein shall affect the running of time for any appeal or other act for which a time limit is prescribed by this chapter.

Section 7. KRS 100.3682 is amended to read as follows:

If [~~In the event~~] a planning commission, fiscal court or legislative body originates a zoning map amendment for more than five (5) contiguous properties, upon approval of ***the*** [~~such~~] map amendment, there shall be filed a single certificate setting forth the required information for all the properties, and the originating body shall pay a single filing fee for such certificate. ***When*** [~~Whenever~~] a land use restriction is imposed upon two (2) or more properties or lots in the same proceeding, including but not limited to the approval of ***an unrecorded preliminary*** [~~a~~] subdivision plat or development plan for multiple lots, a single certificate shall be filed for all ***the*** [~~such~~] properties or lots collectively and a single filing fee shall be paid therefor.

Section 8. KRS 100.3683 is amended to read as follows:

SECTION 9. A NEW SECTION OF KRS 147A.050 TO 147A.120 IS CREATED TO READ AS FOLLOWS:

(1) Except as set forth in subsection (8) of this section, each area development district shall establish a regional planning council to act in an advisory capacity on planning matters throughout the district.

(2) The regional planning council shall be composed of one (1) representative from each planning unit in the area development district. Each representative shall be appointed annually by the planning commission of each planning unit in the district. To be eligible for appointment to the council, a person shall be a member of the planning commission, or the planning commission's professional staff.

(3) At its first regular meeting in each year, the council shall elect from its membership a president and vice-president. The vice-president shall have the authority to act as president of the council during the absence or disability of the president.

(4) The council shall meet at the call of the president, but at least quarterly in each year.

(5) To insure compatible treatment of planned development throughout the district, the council may review comprehensive plans of planning units within the district for regional impact, may develop regional transportation, infrastructure and land use plans for the district, and may make recommendations regarding the regional impact of proposed comprehensive plans and plan amendments of planning units within the district.

(6) The area development district shall provide staff and technical support as requested by the council. Existing land use planning services and functions of the area development district shall be placed under the direction and control of the council.

(7) The council may offer training and education opportunities in the area of planning and zoning matters to planning commission members and staff in the district.

(8) The requirements of this section shall not apply to any area development district in which fifty percent (50%) or more of the population resides in cities or counties which participate in a regional planning authority, council of governments, or other agency which is authorized to perform regional planning functions as described in this section.

Section 10. KRS 100.131 is amended to read as follows:

An independent city planning unit or members of a joint planning unit composed only of two (2) or more cities may exercise extraterritorial jurisdiction ***over unincorporated territory which is not a part of a planning unit*** for the purposes of subdivision regulations***, zoning control over solid and hazardous waste landfills and incinerators,*** and, with the consent of the fiscal court, other regulations***,*** up to five (5) miles from all points upon the city's boundary, but not beyond the county boundary, nor within the boundary of any city not in ***the*** [~~such~~] planning unit, provided, however, that where the extraterritorial jurisdiction of planning units overlap, the boundary shall be midway between them. The jurisdiction of joint city-county and regional planning units shall be coterminous with their political boundaries. Nothing herein, however, shall prevent any planning unit from making planning studies of areas located outside its jurisdiction.

Section 11. KRS 100.237 is amended to read as follows:

The board shall have the power to hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only in specific locations in the zone only if certain conditions are met:

(1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.

(2) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of building, housing and other regulations.

(3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year, if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, are completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.

(4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustment. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustment. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustment finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustment may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.

(5) Once the board of adjustment has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.

(6) When an application is made for a conditional use permit for land located within or abutting any residential zoning district, written notice shall be given at least fourteen (14) days in advance of the public hearing on the application to the applicant, administrative official, the mayor and city clerk of any city of the fifth or sixth class so affected, within any county containing a city of the first class, an owner of every parcel of property adjoining the property to which the application applies and such other persons as the

local zoning ordinance, regulations or board of adjustment bylaws shall direct. Written notice shall be by first class mail with certification by the board's secretary or other officer that the notice was mailed. It shall be the duty of the applicant to furnish to the board the name and address of an owner of each parcel of property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairperson of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

(7) When any property within the required notification area for a public hearing upon a conditional use permit application is located within an adjoining city, county, or planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:

(a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or

(b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 12. KRS 100.281 is amended to read as follows:

Subdivision regulations shall be based on the comprehensive plan, in those counties which have adopted a comprehensive plan, and all subdivision regulations shall contain:

(1) The procedure for the submission and approval of preliminary and final plat and the recordation of final plats. The commission may delegate to its secretary or any other officer or employe the power to approve plats in accordance with the commission's adopted requirements, but all plats, preliminary and final, shall be approved or disapproved within ninety (90) days;

(2) Specifications for the contents and the format of all subdivision plats;

(3) Requirements for the design of streets, blocks, lots, utilities, recreation areas, other facilities, hazardous areas, and areas subject to flooding. Such requirements may deal with all forms of land use including residential, commercial, industrial, and other uses. ***If the subdivision plat includes a proposal for any street to cross a jurisdictional line out of the planning unit, the commission shall require that notice of the proposal be given to the planning commission serving the planning unit into which the road will cross. If there is no planning unit for that area, the notice shall be given to the affected city or county government***;

(4) Specifications for the physical improvements of streets, utilities, and other facilities, and the extent to which they shall be installed or dedicated as conditions precedent to approval of any plat, including the provision of good and sufficient surety to insure proper completion of physical improvements; and

(5) Specifications for the extent to which land is to be used for public purposes shall be reserved as a condition precedent to approval by the commission of any subdivision plat. The planning commission may require a reservation, not to exceed two (2) years, for parks, open space, school and other public uses.

(6) The text may empower the planning commission to hear and finally decide applications for variances when a proposed development requires a subdivision and one (1) or more variances.

(7) In any regulation adopted pursuant to subsection (6) of this section:

(a) The text shall provide that the planning commission shall assume all powers and duties otherwise exercised by the board of adjustment pursuant to KRS 100.231, 100.233, 100.237, 100.241, 100.243, 100.247 and 100.251 in a circumstance provided for by subsection (6) of this section; and

(b) The text shall provide that the applicant for the subdivision at the time of the filing of the application for the subdivision may elect to have any variance for the same development to be heard and finally decided by the planning commission at the same public hearing set for the subdivision, or by the board of adjustment as otherwise provided for in this chapter.

Section 13. KRS 81A.420 is amended to read as follows:

(1) ***When*** [~~Whenever~~] a city desires to annex unincorporated territory, the legislative body of the city proposing to annex shall enact an ordinance stating the intention of the city to annex. ***The*** [~~Such~~] ordinance shall accurately define the boundary of the unincorporated territory proposed to be annexed, and declare

it desirable to annex the unincorporated territory. [~~If zoning has been adopted by the annexing city, then following a public hearing and recommendations by the planning commission for the city, the ordinance shall include a map showing the zoning that will be effective for the annexed area.~~]

(2) If following the publication of the annexation ordinance pursuant to subsection (1) of this section and within sixty (60) days thereof, or if in any annexation proceeding where the annexing city has not adopted a final annexation ordinance, within sixty (60) days of February 12, 1988, fifty percent (50%) of the resident voters or owners of real property within the limits of the territory proposed to be annexed petition the mayor in opposition to the proposal, an election shall be held at the next regular election occurring at least sixty (60) days after the petition is presented to the county clerk:

(a) The mayor of the city shall deliver a certified copy of the ordinance to the county clerk of the county in which the territory proposed to be annexed is located, who shall have prepared to be placed before the voters in each precinct embraced in whole or in part within the territory proposed to be annexed the question: "Are you in favor of being annexed to the City of ______________?" If only a part of any precinct is embraced within the territory proposed to be annexed only persons who reside within the territory proposed to be annexed shall be permitted to vote. The clerk shall cause the sheriff or sheriffs to deliver to the election officers in each precinct in the appropriate counties copies of the ordinance proposing to annex;

(b) If less than fifty-five percent (55%) of those persons voting oppose annexation, the unincorporated territory shall become a part of the city; and

(c) If fifty-five percent (55%) or more of those persons voting oppose annexation, the ordinance proposing annexation shall become ineffectual for any purpose.

(3) In not less than sixty (60) days after the enactment of the ordinance, if no petition has been received by the mayor as set out herein, or within sixty (60) days of the certification of election results in which less than fifty-five percent (55%) of those persons voting opposed annexation, the legislative body may enact an ordinance annexing to the city the territory described in the ordinance. ***If the city has elected to establish the zoning for the new territory prior to the completion of the annexation pursuant to KRS 100.209, the ordinance shall include a map showing the zoning.*** Upon the enactment of this ordinance, the territory shall become part of the city for all purposes.

Section 14. KRS 82.400 is amended to read as follows:

(1) If any person desires to offer for dedication by recorded plat any public way or easement within the city limits, he shall file with the city legislative body a map or plat of the territory bounded, intersected or immediately adjacent to the proposed public way or easement, showing the proposed name, nature and dimensions of the public way or easement offered for dedication. If the city legislative body decides the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

(2) Except as provided for by ordinance in a city of the first class or in a county containing a city of the first class, subdivision regulations which have been adopted as provided in KRS Chapter 100, and where streets or public ways as dedicated on the final subdivision plat have been constructed, inspected, and approved in accordance with the subdivision regulations, then the procedure for filing the map or plat with the city legislative body as required in subsection (1) of this section shall be waived, and the dedicated street or public way shall automatically be deemed beneficial to the public interest ***and shall be, by operation of law, automatically accepted for***[~~, subject to acceptance and~~] maintenance by the city forty-five (45) days after inspection and final approval, and shall be a public way for all purposes***, KRS Chapter 83A, regarding a city's adoption of ordinances notwithstanding.***

(3) When any property has been opened to the unrestricted use of the general public for five (5) consecutive years, it shall be conclusively presumed to have been dedicated to the city as a public way or easement, subject to acceptance by the city. The city may, at any time after the expiration of five (5) years from the time the property is opened to the public, pass an ordinance declaring it so dedicated, and accepting the dedication, whereupon it shall be a public way or easement of the city for all purposes. The lack of an actual dedication to the city, or of a record title on the part of the city, shall be no defense against the collection of any tax that may be levied against property abutting thereon for the payment of the cost of any improvement constructed thereon by order of the city. Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years. Provided, however, that no property of a carrier by rail, as defined in KRS 276.010(3), shall be presumed to be dedicated as a public way or easement under this section or any other rule of law in force in this state unless the carrier consents to said dedication in writing.

Section 15. KRS 100.277 is amended to read as follows:

(2) No person or his agent shall subdivide any land, before securing the approval of the planning commission of a plat designating the areas to be subdivided, and no plat of a subdivision of land within the planning unit jurisdiction shall be recorded by the county clerk until the plat has been approved by the commission and the approval entered thereon in writing by the chairman, secretary, or other duly authorized officer of the commission.

(3) No person owning land composing a subdivision, or his agent, shall transfer or sell any lot or parcel of land located within a subdivision by reference to, or by exhibition, or by any other use of a plat of such subdivision, before such plat has received final approval of the planning commission and has been recorded. Any such instrument of transfer or sale shall be void and shall not be subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission, but all rights of such purchaser to damages are hereby preserved. The description of such lot or parcel by metes and bounds in any instrument of transfer or other document used in the process of selling or transferring same shall not exempt the person attempting to transfer from penalties provided or deprive the purchaser of any rights or remedies he may otherwise have. Provided, however, any person, or his agent, may agree to sell any lot or parcel of land located within a subdivision by reference to an unapproved or unrecorded plat or by reference to a metes and bounds description of such lot and any such executory contract of sale or option to purchase may be recorded and shall be valid and enforceable so long as the subdivision of land contemplated therein is lawful and the subdivision plat subsequently receives final approval of the planning commission.

(4) Any street or other public ground which has been dedicated shall [~~not~~] be accepted for maintenance by the legislative body ***after*** [~~until~~] it has received final plat approval by the planning commission. ***Any street that has been built in accordance with specific standards set forth in subdivision regulations or by ordinance shall be, by operation of law, automatically accepted for maintenance by a legislative body forty-five (45) days after inspection and final approval.***

(5) Any instrument of transfer, sale or contract that would otherwise have been void under this section and under any of its subsections previously, is deemed not to have been void, but merely not subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission. This subsection shall not apply to instruments of transactions affecting property in counties containing cities of the first class or in urban counties created pursuant to KRS Chapter 67A.

HCR 99, A CONCURRENT RESOLUTION urging the Federal Highway Administration to reinstitute the truck diversion policy on Interstate 471 in northern Kentucky.

WHEREAS, The Federal Highway Administration permitted the existence of a truck diversion policy on Interstate 471 since July of 1986, but lifted the ban in May of 1988; and

WHEREAS, since the suspension of the order which diverted truck traffic on Interstate 471, a motor carrier dumped 330 gallons of a hazardous and combustible material at the Grand Avenue exit in Newport, Kentucky; and

WHEREAS, as a result of this spill, eight homes and two schools were forced to evacuate, the hazardous material found its way into the area sewer system and traffic on an interstate highway was held up for over two hours; and

WHEREAS, the segment of interstate highway for which the diversion is sought is in a densely populated area with high traffic volume and with a hospital, four schools and a senior citizen home in the immediate vicinity; and

WHEREAS, the official position of the Federal Highway Administration is that one accident does not constitute the imposition of a truck diversion policy; and

WHEREAS, the method to satisfy the Federal Highway Administration that a truck ban should be imposed seems to be through statistical data, meaning that a significant number of accidents must occur; and

WHEREAS, this cavalier approach at the federal level with regard to highway safety ignores the fact that the road has inherent safety problems relating to grade, configuration, exit ramps and traffic volume as well as high possibility of disaster in human terms because of the dense population of the area and high use of the road;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Federal Highway Administration be urged to reimpose the truck ban on Interstate 471 in northern Kentucky.

When such a nomination has been made, the certificate of nomination shall be signed by the chairman and secretary of the governing authority of the party making it, and shall be filed in the same manner as certificates of nomination at a primary election.

(4) ***If a vacancy occurs in the nomination of an unopposed candidate or in a nomination made by the primary before the ballots are printed for the regular election for reasons other than those specified in subsection (3) of this section, and if that party's nominee was the only candidate for the office sought, the governing authority of the party may provide for filling the vacancy.***

There is hereby created a Task Force on Health Care Cost and Quality for the purpose of studying the implementation of Sections 1 through 12 of this Act. The task force members shall be appointed by the Governor on the effective date of this Act. The task force shall include a reasonable number of members and shall include but not be limited to chief executive officers of non-profit health insurance organizations and for-profit and not-for-profit health care institutions and prominent citizens with an interest in health care cost containment. The task force shall be co-chaired by the mayor of the largest city within and county judge/executive of any county containing more than 3,000 acute care hospital beds. The task force shall hold its first meeting no later than July 30, 1990 and shall meet at least bimonthly. The task force shall forward a report of its findings and recommendations to the Secretary of the Cabinet for Human Resources and to the Legislative Research Commission no later than December 31, 1991.

Section 17. The following KRS sections are repealed:

216B.070 Application for exemption to be filed with commissioner.

216B.075 Administrative regulations governing application and review procedures to be promulgated.

The House Committee Substitute to **SB 68** is as follows:

SB 68, AN ACT relating to certificate of need and licensure.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 216B.010 is amended to read as follows:

(1) The General Assembly finds that the licensure of health facilities and health services ***in counties not containing a city of the first class as defined by Section 156 of the Constitution of Kentucky*** is a means to insure that the citizens of ***those counties*** [~~this Commonwealth~~] will have safe, adequate and efficient medical care; that the proliferation of unnecessary health care facilities, health services and major medical equipment ***in those counties*** results in costly duplication and underuse of such facilities, services and equipment; and that such proliferation increases the cost of quality health care within ***counties not containing a city of the first class as defined by Section 156 of the Constitution of Kentucky*** [~~the Commonwealth~~]. Therefore, it is the purpose of this chapter to provide for the establishment of the Commission for Health Economics Control in Kentucky for the purpose of acting on applications for certificates of need.

(2) The General Assembly further finds and determines as matter of public policy and legislative fact that:

(a) Competition in the acute care hospital marketplace in counties containing cities of the first class as defined by Section 156 of the Constitution of Kentucky is profoundly superior to regulation in accomplishing the General Assembly's objectives identified in this section in that marketplace;

(b) Competition, as opposed to regulation in counties containing cities of the first class as defined by Section 156 of the Constitution of Kentucky, is particularly necessary to the development, construction, expansion, and implementation of the most sophisticated and advanced acute care hospitals and associated services and to the attraction and retention of the highest caliber doctors and professional staffs, both of

which are necessary to attract patients from across the Commonwealth and out-of-state to such acute care hospitals;

(c) Due to the number, diversity, and nature of acute care hospitals and associated health care services in counties containing a city of the first class as defined by Section 156 of the Constitution of Kentucky, competition will best accomplish the General Assembly's objectives identified in this section in the acute care hospital marketplace, particularly as they relate to the development and expansion of the most sophisticated and advanced acute care hospitals and associated services and the attraction and retention of the highest caliber physicians and professional staffs to serve patients from all regions of the Commonwealth and out-of-state;

(d) The number, diversity, and nature of acute care hospitals and associated services, and the competition thereby engendered the acute care hospital marketplace in counties containing a city of the first class as defined by Section 156 of the Constitution of Kentucky, bear a natural, real, and substantial relationship to the populations of those counties and the urban characteristics of those counties;

(e) The nature and quality of the competition in the acute care hospital marketplace in counties of the Commonwealth not containing a city of the first class as defined by Section 156 of the Constitution of Kentucky is not such as would accomplish the General Assembly's objectives identified in this section; and

(f) In order to permit the General Assembly's objectives identified in this section to be accomplished in a timely and orderly fashion, KRS 216B.061 has been amended to provide that in any county containing a city of the first class as defined by Section 156 of the Constitution of Kentucky the activities identified in KRS 216B.061(1) may not be done prior to September 15, 1991, without first obtaining a certificate of need except that:

1. The construction of an acute care hospital may be commenced on or after January 1, 1991, so long as it does not offer services prior to September 15, 1991;

2. A capital expenditure in connection with an acute care hospital and exceeding the minimum may be obligated on or after January 1, 1991, so long as the health care facility or service for which the capital expenditure is obligated is not placed into service or offered prior to September 15, 1991; and

3. Major medical equipment may be acquired for or by an acute care hospital on or after January 1, 1991, so long as it is not placed into service prior to September 15, 1991.

These exceptions will permit new acute care hospitals and associated services in counties containing a city of the first class as defined by Section 156 of the Constitution of Kentucky to be placed into service or offered as soon as practical after September 15, 1991, but at the same time will give the affected acute care hospital marketplaces the opportunity they require to adjust to deregulation.

HB 562, AN ACT relating to the leasing and vesting of title to severed mineral interests in surface owners.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 353.460 is amended to read as follows:

As used in KRS 353.462 to 353.476 ***and this Act***, the following definitions shall apply:

(1) A "severed mineral interest" is any whole or fractional interest in any or all minerals which have been severed from the surface estate by grant, exception, reservation or other means.

(2) An "unknown or missing owner" is any person vested with a severed mineral interest and whose present identity or location cannot be determined from the records of the county in which the land is located or by diligent inquiry in the vicinity of the owner's last known place of residence, and shall include his unknown heirs, successors and assigns.

(3) A "surface owner" is any person or entity vested with a whole or undivided fee simple interest or other freehold interest in the surface estate overlying a severed mineral interest, but does not include an owner of a right of way, easement, leasehold, or any other lesser estate.

Section 2. KRS 353.462 is amended to read as follows:

The Circuit Court of the county wherein the severed mineral interests sought to be leased, or the major portion thereof, is situated shall have jurisdiction of the proceedings authorized under KRS 353.464 through 353.476 ***and this Act.***

Section 3. KRS 353.468 is amended to read as follows:

(1) If, upon presentation to the Circuit Court of the petition, the answer of the trustee ad litem and the proof presented by the petitioner in ***the*** [~~such~~] case, it appears to the court that development of the severed mineral interests will be advantageous to the unknown or missing owners, the court shall declare a trust in the lands or estate or interest therein, appoint a trustee therefor and authorize the trustee to sell, execute and deliver a valid mineral lease covering the severed mineral interests in and underlying the lands.

(2) Should the court appoint a trustee pursuant to subsection (1) of this section, the court shall, in its decree, require the trustee to give a bond in favor of the owners of the severed mineral interest which is to be leased and shall fix the amount of the bond. The decree of the court shall further provide for all of the terms and provisions of the lease which the trustee is authorized to make. It shall be discretionary with the court as to whether or not the trustee's sale of lease shall be public or private and the decree shall provide therefor, and if a public sale be authorized; the court shall in its decree fix and determine the notice to be given. The sale shall be for cash, payable on confirmation of sale. No appraisal shall be required.

(3) The trustee shall proceed in compliance with the provisions of the decree to sell the lease authorized thereby, and after making the sale shall make a report thereof to the court. Upon filing the report, the court may hear evidence as to whether or not the sale price is reasonable, and if the court is satisfied with the sale and the amount received therefor, the sale shall be confirmed by the court and the lease shall be executed by the trustee with the approval of the court endorsed on the face thereof.

(4) The court shall not authorize a trustee's lease upon the severed mineral interest of any owner whose identity and whereabouts is known, or can be ascertained by diligent inquiry, or is discovered as a result of the action brought hereunder; and any [~~such~~] owner may intervene as a matter of right at any time prior to the entry of judgment approving the trustee's lease, for the purpose of establishing his title to the severed mineral interests, and if the mineral owners claim is established to the satisfaction of the court, the court shall dismiss the action as to the intervenor's interest at plaintiff's cost.

(5) The trustee shall collect the proceeds, if any, from the sale of the lease and hold and invest the same for the use and benefit of the unknown or missing owners. The court upon its own motion or upon motion of the trustee may authorize the trustee to expend an amount not to exceed ten percent (10%) of the funds collected by the trustee for the purpose of instituting a search for the unknown or missing owners.

(6) Within seven (7) years after the date of ***entry of the initial judgment authorizing a lease*** [~~first commercial production of the severed mineral interests under the trustee's lease~~], any person being an unknown or missing owner of the severed mineral interest or any undivided portion thereof[~~,~~] may petition the Circuit Court to re-docket the action in which the trustee's lease was sought and approved in accordance with subsection (3) of this section, and may thereupon present ***the*** [~~such~~] proof as the court may deem necessary to establish his identity and title to the severed mineral interest or any portion thereof. If the court finds that the unknown or missing owners have established their identity and title, the trustee shall be directed to distribute the funds in his hands attributable to the unknown or missing owners' interest, and shall assign all future proceeds from ***the*** [~~said~~] lease to the owners as their interests appear and shall deliver to the owners a recordable instrument documenting their title to the severed mineral interest, which instrument shall bear the endorsement and approval of the Circuit Court on the face thereof.

(7) The sale of and execution of any mineral lease under the provisions of this Act shall be binding in all respects as to all of the interest in the mineral and the right to mine and remove the same owned

by the defendant to the action in the same manner as if the defendant had personally signed and delivered the lease. The lease shall be binding upon the defendant's heirs, devisees, personal representatives, successors or assigns.

(8) In the event of the death, resignation, refusal or inability of the trustee to act, the court, upon its own motion or upon the motion of the depository, mineral lessee, or surface owner overlying the severed mineral interest involved in the litigation, shall appoint a successor trustee.

(9) After the entry of the initial judgment authorizing a lease all subsequent proceedings pertaining to the lands and the severed mineral interest involved in the initial litigation, including subsequent leasing proceedings or proceedings by the trustee requesting authority to execute and deliver additional documents pertaining to a mineral lease, shall be commenced and prosecuted in the same case as the proceedings for the initial lease. The acting trustee at the time of any subsequent proceedings shall act as the trustee in the proceedings. The court shall retain continuing authority and jurisdiction to conduct all subsequent proceedings.

(10) (a) Regardless of whether there has been production of the severed mineral interest, if the owners of the severed mineral interests which are the subject of a trustee's lease executed and delivered in accordance with this Act remain unknown or missing for a period of seven (7) years from the date of entry of the initial judgment authorizing a lease, the trustee shall file a motion with the court on or before the eighth anniversary of the date of the lease naming the then present surface owners as additional parties defendant and requesting the surface owners to appear and present proof to the satisfaction of the court that they are vested with fee simple title to the surface estate. Upon a finding by the court that the surface estate is vested in fee simple in the surface owners, the court shall order the trustee to convey to the surface owners by recordable instrument the unknown or missing owners' interest in the severed mineral interests, which conveyance shall be approved by endorsement by the court on the face thereof.

(b) The trustee shall pay to the surface owner the remaining balance in the depository which has accrued to the credit of the severed mineral interests to the date of his final report after payment of all allowable fees, taxes, expenses and court costs including a fee to be paid to the trustee in an amount determined by the court.

(c) From and after the date of the conveyance from the trustee to the surface owners executed and delivered in accordance with paragraph (a) of this subsection, the surface owners shall be entitled to receive all proceeds from the lease of the severed mineral interests.

(d) Upon the delivery of the conveyance directed in paragraph (a) of this subsection, and after the payment as directed in paragraph (b) of this subsection, the trustee shall make his final report to the court, and upon approval thereof, the court shall order the trust terminated and the trustee and his bond discharged.

Section 4. KRS 353.476 is amended to read as follows:

After [~~the expiration of seven (7) years from the date of first commercial production of the severed mineral pursuant to the terms of the lease authorized hereunder, or~~] the expiration of seven (7) years from the date of entry of judgment authorizing the lease [~~in the event there is no commercial production, whichever date last occurs~~], no action may be brought by any unknown or missing owner to recover any past or future proceeds accrued or to be accrued from the lease herein authorized[~~. After the expiration of seven (7) years from the date of first commercial production of the severed mineral pursuant to the terms of the lease authorized hereunder~~], ***and*** no action may be instituted by any unknown or missing owner to recover any right, title or interest in and to the severed mineral interest subject to the lease.

SECTION 5. A NEW SECTION OF KRS CHAPTER 353 IS CREATED TO READ AS FOLLOWS:

(1) (a) Surface owners may gain title to severed mineral interests owned by unknown or missing owners under the theory of adverse possession in the following manner and under the following conditions. If the title to any severed mineral interest is vested in an unknown owner or missing owner and the surface owner overlying the severed mineral interest desires to acquire title to it by adverse possession, the surface owner may institute a proceeding in the Circuit Court of the county in which the severed mineral interest or the major portion thereof lies. The surface owner shall join as defendants to the proceeding all those persons having record title to the severed mineral interest who are unknown or missing and the unknown heirs, successors and assigns of all such persons. The persons named as defendants and who are the unknown or missing owners as defined herein shall stand for and represent the full title and the whole interest of the unknown or missing owners in the severed mineral interest or estate or interest therein. All parties not in being who might have some contingent or future interest therein, and all persons whether in being or not in being, having any interest, present, future or contingent, in the severed mineral interest sought to be acquired, shall be fully bound by the proceedings. The surface owner shall also join as defendants all other surface owners, if any, who are not plaintiffs.

(b) There shall be filed a verified petition specifically setting forth the following:

1. The legal description of the lands.

2. The interest of the plaintiff as a surface owner of the lands.

3. The apparent interest of the defendant or defendants in the lands.

4. The last known address, residence or whereabouts which plaintiff may have been able to ascertain for each defendant who constitutes an unknown or missing owner and the sources of information which plaintiff has checked in an attempt to locate the present address, residence or whereabouts of each defendant.

5. That plaintiff, upon diligent inquiry, cannot determine the unknown or missing owner defendant's current address, residence or whereabouts and that upon due inquiry, said defendants cannot be found.

6. That the surface owners desire to acquire title to the severed mineral interest by adverse possession.

7. The petition shall also include as defendants and set forth the apparent interest of all other persons holding a legal interest in the surface estate.

(2) Service of process shall be as provided by the Kentucky Rules of Civil Procedure and there shall be filed a lis pendens notice in the county clerk's office of the county where the mineral estate or the larger portion thereof lies. Immediately upon the filing of the petition, the petitioner shall advertise as provided in KRS Chapter 424. Both the advertisement and the lis pendens notice shall contain the names of all of the parties and their last known addresses, the date and recording data of the original deed or other conveyance which created the mineral severance, an adequate description of the land as contained therein, the source of title of the last known owners of the severed mineral interests and a statement of the purpose for which the action is brought. The court, in its discretion, may order advertisement elsewhere or by additional means if there is reason to believe that additional advertisement might result in identifying and locating the unknown or missing owners.

(3) (a) If any defendant who constitutes an unknown or missing owner answers or otherwise appears personally, and the court finds that he is the unknown or missing owner of the severed mineral interest, the court shall enter an order determining the interest of such defendant and he shall be dismissed from the action. After compliance with the notice requirements provided herein, the court shall take evidence and take testimony as to the matters set forth in the petition. If upon taking evidence and hearing testimony it appears that all material allegations of the complaint are true and that there has been compliance with the notice provisions, the court shall enter a judgment that the owner of the surface estate and his heirs, successors and assigns, is from the date of the judgment exercising presumptive adverse possession of the severed mineral interests by reason of his ownership.

(b) The plaintiff shall cause a report of the proceedings of the evidence received and testimony taken at the hearing on the petition to be filed and made a part of the case record.

(c) If the owners of the severed mineral interests remain unknown or missing for a period of seven (7) years from the date of the judgment to the effect that the owner of the surface estate overlying the severed mineral interest is exercising presumptive adverse possession over the same; or, the owners of the severed mineral interest remain unknown or missing for a period of one (1) year from the date of the judgment to the effect that the owner of the surface estate overlying the severed mineral interest in exercising presumptive adverse possession over the same and the severance took place more than twenty (20) years prior to the date of the filing of the original petition; the plaintiff or his then successor in title shall file a motion with the court renewing or supplementing the allegations of the original petition and particularly containing allegations relative to the last known address, residence or whereabouts which the plaintiff may have been able to ascertain for each defendant who constitutes an unknown or missing owner and the sources of information which plaintiff has checked in an attempt to locate the present address, residence or whereabouts of each defendant since the date of filing of the original petition. The motion shall also contain an allegation that the plaintiff, upon diligent inquiry cannot determine the defendants' current address, residence or whereabouts and that upon due inquiry said defendants cannot be found. Notice of the hearing upon the motion shall be given in the same manner as notice of the hearing upon the original petition. If any defendant who constitutes an unknown or missing owner answers or otherwise appears in response to the motion, the court shall enter an order determining the interest of the owner and shall dismiss the action as to the defendant. As to all other defendants and after compliance with the notice requirements, the court shall again take evidence and hear testimony as to the matters set forth in the original petition and in the motion. If upon taking evidence and hearing testimony it appears that all material allegations of the original complaint and of the motion are true and that there has been compliance with the notice provisions and payment by plaintiff of all taxes legally assessed on the severed mineral interests, the court shall enter a judgment declaring that the severed mineral interests are null and void due to adverse possession by the surface owner

and that fee title to the severed mineral interests is vested in the surface owner. The court or other officer appointed by the court shall then convey to the surface owners in proportion to their record interests by recordable instrument the unknown or missing owners' interest in the severed mineral interests.

(d) At any time subsequent to the entry of the judgment that the surface owner is exercising presumptive adverse possession of the severed mineral interests and prior to the entry of a judgment declaring the interest null and void, the owner of the severed mineral interest may intervene in the proceeding and upon notice to all parties who have appeared in the case as the court directs present proof of his ownership of the severed mineral interest. Upon a finding by the court that the intervenor is the owner of the severed mineral interest and upon payment to the plaintiff of all real estate taxes upon the severed mineral interest theretofore paid by the plaintiff and reasonable attorney fees and costs as the court may allow, the court shall enter an order determining the interest of the owner and shall dismiss the action as to the intervenor.

(4) If any surface owner is named as a defendant and acquires an interest in the severed mineral interest by a judgment entered in accordance with paragraph (c) of subsection (3) of this section, the owner shall be liable to the plaintiff for his proportionate part of any taxes paid by plaintiff corresponding to the severed mineral interest and reasonable attorney fees and costs as the court may allow and a judgment may be entered therefor in favor of the plaintiff if they are not paid as provided by the court.

(5) A trustee proceeding pursuant to KRS 353.464 to KRS 353.476 may be commenced at any time prior to the entry of a judgment pursuant to Section 5 of this Act, but if commenced after a proceeding under Section 5 of this Act is commenced, it shall also join as defendants thereto the surface owner overlying the severed mineral interest. Any mineral lease executed as a result of the trustee proceeding pursuant to KRS 353.464 to KRS 353.476 shall be binding upon any subsequent owner of the severed mineral interest whose interest was acquired by judgment entered in accordance with subsection (10) of Section 3 of this Act or Section 5 of this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 353 IS CREATED TO READ AS FOLLOWS:

(1) This Act shall be liberally construed so that any deed issued pursuant to this Act shall convey merchantable title.

(2) Proceedings instituted under KRS 353.464 to KRS 353.476 before the effective date of this Act shall not be affected by this Act.

Section 7. The following KRS sections are repealed:

The Committee Substitute to **HB 562** is as follows:

HB 562, AN ACT relating to the leasing and vesting of title to severed mineral interests in surface owners.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 353.460 is amended to read as follows:

As used in KRS 353.462 to 353.476 ***and this Act***, the following definitions shall apply:

(1) A "severed mineral interest" is any whole or fractional interest in any or all minerals which have been severed from the surface estate by grant, exception, reservation or other means.

(2) An "unknown or missing owner" is any person vested with a severed mineral interest and whose present identity or location cannot be determined from the records of the county in which the land is located or by diligent inquiry in the vicinity of the owner's last known place of residence, and shall include his unknown heirs, successors and assigns.

(3) A "surface owner" is any person or entity vested with a whole or undivided fee simple interest or other freehold interest in the surface estate overlying a severed mineral interest, but does not include an owner of a right of way, easement, leasehold, or any other lesser estate.

Section 2. KRS 353.462 is amended to read as follows:

The Circuit Court of the county wherein the severed mineral interests sought to be leased, or the major portion thereof, is situated shall have jurisdiction of the proceedings authorized under KRS 353.464 through 353.476 ***and this Act***.

Section 3. KRS 353.468 is amended to read as follows:

(1) If, upon presentation to the Circuit Court of the petition, the answer of the trustee ad litem and the proof presented by the petitioner in ***the*** [~~such~~] case, it appears to the court that development of the severed mineral interests will be advantageous to the unknown or missing owners, the court shall declare a trust in the lands or estate or interest therein, appoint a trustee therefor and authorize the trustee to sell, execute and deliver a valid mineral lease covering the severed mineral interests in and underlying the lands.

(2) Should the court appoint a trustee pursuant to subsection (1) of this section, the court shall, in its decree, require the trustee to give a bond in favor of the owners of the severed mineral interest which is to be leased and shall fix the amount of the bond. The decree of the court shall further provide for all of the terms and provisions of the lease which the trustee is authorized to make. It shall be discretionary with the court as to whether or not the trustee's sale of lease shall be public or private and the decree shall provide therefor, and if a public sale be authorized, the court shall in its decree fix and determine the notice to be given. The sale shall be for cash, payable on confirmation of sale. No appraisal shall be required.

(3) The trustee shall proceed in compliance with the provisions of the decree to sell the lease authorized thereby, and after making the sale shall make a report thereof to the court. Upon filing the report, the court may hear evidence as to whether or not the sale price is reasonable, and if the court is satisfied with the sale and the amount received therefor, the sale shall be confirmed by the court and the lease shall be executed by the trustee with the approval of the court endorsed on the face thereof.

(4) The court shall not authorize a trustee's lease upon the severed mineral interest of any owner whose identity and whereabouts is known, or can be ascertained by diligent inquiry, or is discovered as a result of the action brought hereunder; and any [~~such~~] owner may intervene as a matter of right at any time prior to the entry of judgment approving the trustee's lease, for the purpose of establishing his title to the severed mineral interests, and if the mineral owners claim is established to the satisfaction of the court, the court shall dismiss the action as to the intervenor's interest at plaintiff's cost.

(5) The trustee shall collect the proceeds, if any, from the sale of the lease and hold and invest the same for the use and benefit of the unknown or missing owners. The court upon its own motion or upon motion of the trustee may authorize the trustee to expend an amount not to exceed ten percent (10%) of the funds collected by the trustee for the purpose of instituting a search for the unknown or missing owners.

(6) Within seven (7) years after the date of ***entry of the initial judgment authorizing a lease*** [~~first commercial production of the severed mineral interests under the trustee's lease~~], any person being an unknown or missing owner of the severed mineral interest or any undivided portion thereof[~~,~~] may petition the Circuit Court to re-docket the action in which the trustee's lease was sought and approved in accordance with subsection (3) of this section, and may thereupon present ***the*** [~~such~~] proof as the court may deem necessary to establish his identity and title to the severed mineral interest or any portion thereof. If the court finds that the unknown or missing owners have established their identity and title, the trustee shall be directed to distribute the funds in his hands attributable to the unknown or missing owners' interest, and shall assign all future proceeds from ***the*** [~~said~~] lease to the owners as their interests appear and shall deliver to the owners a recordable instrument documenting their title to the severed mineral interest, which instrument shall bear the endorsement and approval of the Circuit Court on the face thereof.

(7) The sale of and execution of any mineral lease under the provisions of this Act shall be binding in all respects as to all of the interest in the mineral and the right to mine and remove the same owned by the defendant to the action in the same manner as if the defendant had personally signed and delivered the lease. The lease shall be binding upon the defendant's heirs, devisees, personal representatives, successors or assigns.

(8) In the event of the death, resignation, refusal or inability of the trustee to act, the court, upon its own motion or upon the motion of the depository, mineral lessee, or surface owner overlying the severed mineral interest involved in the litigation, shall appoint a successor trustee.

(9) After the entry of the initial judgment authorizing a lease all subsequent proceedings pertaining to the lands and the severed mineral interest involved in the initial litigation, including subsequent leasing proceedings or proceedings by the trustee requesting authority to execute and deliver additional documents pertaining to a mineral lease, shall be commenced and prosecuted in the same case as the proceedings for the initial lease. The acting trustee at the time of any subsequent proceedings shall act as the trustee in the proceedings. The court shall retain continuing authority and jurisdiction to conduct all subsequent proceedings.

(10) (a) Regardless of whether there has been production of the severed mineral interest, if the owners of the severed mineral interests which are the subject of a trustee's lease executed and delivered in accordance with this Act remain unknown or missing for a period of seven (7) years from the date of entry of the

initial judgment authorizing a lease, the trustee shall file a motion with the court on or before the eighth anniversary of the date of the lease naming the then present surface owners as additional parties defendant and requesting the surface owners to appear and present proof to the satisfaction of the court that they are vested with fee simple title to the surface estate. Upon a finding by the court that the surface estate is vested in fee simple in the surface owners, the court shall order the trustee to convey to the surface owners by recordable instrument the unknown or missing owners' interest in the severed mineral interests, which conveyance shall be approved by endorsement by the court on the face thereof.

(b) The trustee shall pay to the surface owner the remaining balance in the depository which has accrued to the credit of the severed mineral interests to the date of his final report after payment of all allowable fees, taxes, expenses and court costs including a fee to be paid to the trustee in an amount determined by the court.

(c) From and after the date of the conveyance from the trustee to the surface owners executed and delivered in accordance with paragraph (a) of this subsection, the surface owners shall be entitled to receive all proceeds from the lease of the severed mineral interests.

(d) Upon the delivery of the conveyance directed in paragraph (a) of this subsection, and after the payment as directed in paragraph (b) of this subsection, the trustee shall make his final report to the court, and upon approval thereof, the court shall order the trust terminated and the trustee and his bond discharged.

Section 4. KRS 353.476 is amended to read as follows:

After [~~the expiration of seven (7) years from the date of first commercial production of the severed mineral pursuant to the terms of the lease authorized hereunder, or~~] the expiration of seven (7) years from the date of entry of judgment authorizing the lease [~~in the event there is no commercial production, whichever date last occurs~~], no action may be brought by any unknown or missing owner to recover any past or future proceeds accrued or to be accrued from the lease herein authorized[~~. After the expiration of seven (7) years from the date of first commercial production of the severed mineral pursuant to the terms of the lease authorized hereunder~~], *and* no action may be instituted by any unknown or missing owner to recover any right, title or interest in and to the severed mineral interest subject to the lease.

(1) A grantor with decisional capacity may designate one (1) or more adults as a surrogate or successor surrogate to make any health care decision on behalf of the grantor. During any period in which two (2) or more surrogates are serving, all decisions shall be by unanimous consent of all then acting surrogates unless the designation provides otherwise.

(2) A surrogate may resign at any time by giving written notice to the grantor, to the immediate successor surrogate, if any, to the attending physician and to any health care facility which is then waiting for the surrogate to make a health care decision.

(3) An employe, owner, director or officer of a health care facility where the grantor is a resident or patient may not be designated or act as surrogate unless related to the grantor within the fourth degree of consanguinity or affinity.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(2) A designation may be made in substantially the same form as provided in Section 7 of this Act or in a durable power of attorney, executed before or after the effective date of this Act.

In the event that revocation occurs while the grantor is confined to a health care facility, such revocation shall be acknowledged in writing and recorded in the grantor's medical records.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Whenever making any health care decision for the grantor, the surrogate shall consider the recommendation of the attending physician, the decision the grantor would have made if the grantor then had decisional capacity, if known, and the decision that would be in the best interest of the grantor.

(2) The surrogate may not make a health care decision in any situation in which the grantor's attending physician has determined in good faith that the grantor has decisional capacity. The attending physician shall proceed as if there were no designation if the surrogate is unavailable or refuses to make a health care decision.

(3) Notwithstanding the designation of a health care surrogate, nutrition and hydration shall always be provided to a person with the following exceptions: artificial nutrition and hydration may be withheld or withdrawn in the following circumstances:

(a) When inevitable death is imminent, which for the purposes of this provision shall mean when death is expected, by reasonable medical judgment, within a few days; or

(b) When the provision of artificial nutrition cannot be physically assimilated by the person; or

Even in the exceptions listed in paragraphs (a), (b), and (c) of this subsection, artificial nutrition and hydration shall not be withheld or withdrawn if it is needed for comfort or the relief of pain.

(4) Notwithstanding the designation of a health care surrogate, life sustaining treatment and artificial nutrition and hydration shall be provided to a pregnant woman unless, to a reasonable degree of medical certainty, as certified on the woman's medical chart by the attending physician and one (1) other physician who has examined the woman, such procedures will not maintain the woman in such a way as to permit the continuing development and live birth of the unborn child or will be physically harmful to the woman or prolong severe pain which cannot be alleviated by medication.

SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

The designation may be in substantially the following form. In addition, the designation may include other specific directions which are in accordance with accepted medical practice and not specifically prohibited by this or any other Act.

(1) (a) For the purpose of funding and pre-funding the liabilities of the special fund, financing the administration and operation of the division of special fund, financing the administration and operation of the Kentucky workers' compensation funding commission, and, financing the expenditures for all programs in the labor cabinet except the division of employment standards and mediation and the office of labor-management relations, as reflected in the enacted budget of the Commonwealth enacted by the General Assembly, a special fund assessment at the rate of ***sixteen and nine-tenths percent (16.9%)*** [~~twenty-three and three-tenths percent (23.3%)~~] is hereby imposed upon the amount of workers' compensation premiums received on and after ***January 1, 1990*** [~~November 1, 1987~~], by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4) and there is hereby imposed on and after ***January 1, 1990*** [~~November 1, 1987~~], a special fund assessment at the rate of ***sixteen and nine-tenths percent (16.9%)*** [~~twenty-three and three-tenths percent (23.3%)~~] against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

(b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional special fund assessment at the rate of ***forty-seven percent (47%)*** [~~forty percent (40%)~~] is hereby imposed upon the amount of workers' compensation premiums received on and after ***January 1, 1990*** [~~November 1, 1987~~], by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every group of self-insurers operating under the provisions of KRS 342.350(4), from employers engaged in the severance or processing of coal. Likewise, on and after ***January 1, 1990*** [~~November 1, 1987~~], an additional assessment at the rate of ***forty-seven percent (47%)*** [~~forty percent (40%)~~] of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his own risk.

(c) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on such premiums.

(2) On ***November 15, 1991*** [~~October 31, 1988~~], and each ***November 15*** [~~October 31~~], thereafter, the funding commission shall determine the amount of premiums reported and assessments imposed in subsection (1) of this section for such past period as appropriate. If the funding commission determines that the special

fund assessment rate imposed to produce seventy million dollars ($70,000,000) or the additional special fund assessment rate imposed to produce forty million dollars ($40,000.000) are likely to produce more or less than seventy million dollars ($70,000,000) or forty million dollars ($40,000,000) during the next annual period, the commission shall, based upon such determination, calculate such adjustments to each rate as shall be necessary to provide seventy million dollars ($70,000,000) and forty million dollars ($40,000,000) respectively during the next annual period beginning on ***January 1*** [~~April 1~~] of each year. On or before ***December 1*** [~~March 1~~] of each year, the commission shall notify each insurance company writing workers' compensation insurance in the Commonwealth, every group of self-insurers, and each employer carrying his own risk of the adjusted rates which shall become effective on ***January 1*** [~~April 1~~], of each year, unless modified by the General Assembly.

(3) All assessments imposed by this section shall be paid to the Kentucky workers' compensation funding commission and shall be credited to the benefit reserve fund within the Kentucky workers' compensation funding commission.

(4) Such assessments shall be paid quarterly not later than the thirtieth (30th) day of the month following the end of the quarter in which the premium is received. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

(5) The assessments herein imposed may be collected by the insurance carrier from his insured, provided however, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, such assessment shall be collected at the same time and in the same proportion as the premium is collected. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages in effect at the time the statement of the premium is sent to the insured.

(6) The funding commission, as part of the collection and auditing of the special fund assessments required herein, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each such employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees, provided however, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The division of unemployment insurance is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

(7) Each self-insured employer, group self-insurer or insurance carrier shall provide any information and submit any reports the revenue cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

(8) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. Such registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.

(9) The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as herein set out and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.

(10) Notwithstanding any other provision of this section or this chapter, or the Kentucky Revised Statutes, generally, the assessment rates for the Special Fund, as determined herein, which were in force and effect on January 1, 1990, shall continue in force and effect until December 1, 1991, and the total amount of funds collected pursuant to such assessment rates shall not be limited to the provisions of this section.

Section 3. KRS 342.1222 is amended to read as follows:

(1) Every insurance carrier shall be entitled to a refund or credited with assessments paid on all cancelled or returned premiums, including dividends paid or credited to policyholders.

(2) The assessments paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580, provided that the claim for refund or credit is made by the insurance carrier within ***one (1) year*** [~~four (4) years~~] of the ***end of the policy year*** [~~due date of the return or the date the assessments were paid, whichever is later~~].

(3) A claim for refund or credit shall be made on a form prescribed by the funding commission and shall contain such information as the funding commission may require.

(4) No insurance carrier shall be entitled to a refund or credit of the assessments paid pursuant to the provisions of this chapter where the assessments have been collected from an employer as provided by KRS 342.122, unless the amount of assessments collected from the employer are refunded to him by the insurance carrier who paid the assessments to the funding commission.

Section 4. KRS 342.1223 is amended to read as follows:

(1) The Kentucky workers' compensation funding commission is created as an agency of the Commonwealth for the public purpose of controlling, investing, and managing the funds collected pursuant to KRS 342.122.

(2) The commission shall:

(a) Hold, administer, invest and reinvest the funds collected pursuant to KRS 342.122 and its other funds separate and apart from all "state funds" or "public funds" as defined in KRS Chapter 446;

(f) To make and promulgate administrative regulations.

(4) Notwithstanding the provisions of KRS Chapter 342 to the contrary, the Kentucky workers' compensation funding commission shall utilize the investment expertise and advice of the office for investment and debt management rather than entering into a consulting contract for investment counseling. The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of such funds.

(5) The commission shall be attached to the Revenue Cabinet for administrative purposes only.

SECTION 5. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) The funding commission may mail to the taxpayer a notice of any assessment assessed by it. The assessment shall be final if not protested in writing to the funding commission within thirty (30) days from the date of notice. The protest shall be accompanied by a supporting statement setting forth the grounds upon which the protest is made. Upon written request, the funding commission may extend the time for filing the supporting statement if it appears the delay is necessary and unavoidable. The refusal of such extension may be reviewed in the same manner as a protested assessment.

(2) After a timely protest has been filed, the taxpayer may request a conference with the funding commission. The request shall be granted in writing stating the date and time set for the conference. The taxpayer may appear in person or by representative. Further conferences may be held by mutual agreement.

(3) After considering the taxpayer's protest, including any matters presented at the final conference, the funding commission shall issue a final ruling on any matter still in controversy, which shall be mailed to the taxpayer. The ruling shall state that it is a final ruling of the funding commission, generally state the issues in controversy, the funding commission's position thereon and set forth the procedure for prosecuting an appeal to the Kentucky board of tax appeals.

(4) The taxpayer may request in writing a final ruling at any time after filing a timely protest and supporting statement. When a final ruling is requested, the funding commission shall issue such ruling within thirty (30) days from the date the request is received by the funding commission.

(5) After a final ruling has been issued, the taxpayer may appeal to the Kentucky board of tax appeals pursuant to the provisions of KRS 131.340.

(6) The expenses incurred by the funding commission in conducting audits required in this chapter shall be paid by the insurance companies in accordance with administrative regulations promulgated by the funding commission.

(7) "Taxpayer" as used in this section means insurance carrier, group self-insured and self-insured employer.

Section 6. The five (5) additional administrative law judges authorized in Section 1 of this Act shall, in no event, be employed by the Workers' Compensation Board unless and until they have been confirmed by the Senate as required in Section 1 of this Act.

Section 7. (1) Whereas, in House Bill 1, enacted in the 1987 Extraordinary Session of the General Assembly, assessment rates for the Workers' Compensation Special Fund were calculated to produce $110 million annually to fund the programs in the Labor Cabinet and to fund and pre-fund the liabilities of the Special Fund. Inasmuch as the amount of $110 million annually is not sufficient to meet such requirements, an emergency is therefore declared to exist and the provisions of Section 2 of this Act shall become effective upon the passage of this Act and approval by the Governor.

(2) Whereas, administrative law judges hired by the Workers' Compensation Board require Senate confirmation; the five (5) additional administrative law judges are urgently needed to dispose of a backlog of workers' compensation claims; and now, therefore, an emergency is declared to exist and the provisions of Section 1 of this Act shall become effective upon its passage and approval by the Governor.

(3) Whereas, the Kentucky Reinsurance Association has been abolished in accordance with the Kentucky Revised Statutes, and the threat of potential contingent liability could be extremely detrimental to the solvency of the Workers' Compensation Special Fund, an emergency is declared to exist and the provisions of Section 8 of this Act shall become effective upon the passage of this Act and its approval by the Governor.

Section 8. The following KRS section is repealed:

342.124 Transfer of liabilities, funds, records and property to workers' compensation funding commission.

SECTION 5. A NEW SECTION OF KRS CHAPTER 151 IS CREATED TO READ AS FOLLOWS:

(1) The authority may issue its bonds from time to time for the purpose of paying in whole or in part the cost of acquiring lands and interests therein and of constructing facilities and improvements subject to the limitations and conditions provided in this Act. Any resolution of the board authorizing the sale of bonds shall be submitted to the state funding board established by Tennessee statute and shall become effective only upon approval by that board. If the board refuses approval, it shall state in writing the reasons for the action.

(2) Except as otherwise expressly provided in this section, all bonds issued by the authority shall be payable solely out of the revenues and receipts derived from the authority's projects or of any as may be designated in the proceeding of the board under which the bonds are authorized to be issued, including debt obligations of the lessee or contracting party obtained from or in connection with the financing of a project. Notes issued in anticipation of the issuance of bonds may be retired out of the proceeds of the bonds. The bonds may be executed and delivered by the authority at any time and from time to time, may be in the form and denominations and of the terms and maturities, may be in registered or bearer form either as to principal or interest or both, may be payable in the installments and at the time or times not exceeding forty (40) years from the date thereof, may be payable at the place or places whether within or without the state, may bear interest at the rate or rates payable at the time or times and at the place or places and evidenced in the manner, may be executed by the officers of the authority and may contain the provisions not inconsistent herewith, as shall be provided in the proceedings of the board under which the bonds are authorized to be issued. Any bonds of the authority may be sold at public or private sale in the manner, at the price and from time to time as determined by the board to be most advantageous, and the authority may pay all expenses, premiums, and commissions

which its board deems necessary or advantageous in connection with the issuance thereof. Issuance by the board of one (1) or more series of bonds for one (1) or more purposes shall not preclude it from issuing other bonds in connection with the same project or any other project, but the proceedings under which any subsequent bonds may be issued shall recognize and protect any prior pledge or mortgage made for any prior issue of bonds. Proceeds of bonds issued by the authority may be used for the purpose of constructing, acquiring, reconstructing, improving, equipping, furnishing, bettering, or extending any project or projects as authorized by this Act, including the payment of interest on the bonds during construction of any project and for two (2) years after the estimated date of completion, and payment of engineering, fiscal, architectural and legal expenses incurred in connection with the project and the issuance of the bonds and the establishment of a reasonable reserve fund for the payment of principal of and interest on the bonds in the event of a deficiency in the revenues and receipts available for the payment.

(3) Any bonds or notes of the authority at any time outstanding may at any time and from time to time be refunded by the authority by the issuance of its refunding bonds in the amount the board deems necessary, but not exceeding the sum of the following:

(a) The principal amount of the obligations being refinanced;

(b) Applicable redemption premiums thereon;

(c) Unpaid interest on the obligations to the date of delivery or exchange of the refunding bonds.

If the proceeds from the sale of the refunding bonds are to be deposited in trust, interest shall accrue on obligations from the date of delivery to the first or any subsequent available redemption date or dates selected, in its discretion, by the board or to the date or dates of maturity, whichever shall be determined by the board to be most advantageous or necessary to the authority;

(d) A reasonable reserve for the payment of principal of and interest on the bonds and a renewal and replacement reserve;

(e) If the project to be constructed from the proceeds of the obligations being refinanced has not been completed, an amount sufficient to meet the interest charges on the refunding bonds during the construction of the project and for two (2) years after the estimated date of completion, but only to the extent that interest charges have not been capitalized from the proceeds of the obligations being refinanced; and

(f) Expenses, premiums, and commissions of the authority, including bond discounts, deemed by the board to be necessary for the issuance of the refunding bonds. A determination by the board that any refinancing is advantageous or necessary to the authority, that any of the amounts provided in the preceding sentence should be included in such refinancing, or that any of the obligations to be refinanced should be called for redemption on the first or any subsequent available redemption date permitted to remain outstanding until their respective dates of maturity, shall be conclusive.

(4) Any refund may be made whether the obligations to be refunded shall have then matured or shall thereafter mature, either by the exchange of the refunding bonds for the obligations to be refunded thereby with the consent of the holders of the obligations so to be refunded, or by sale of the refunding bonds and the applications of the proceeds thereof to the payment of the obligations to be refunded thereby, and regardless of whether or not the obligations proposed to be refunded shall be payable on the same date or different dates or shall be due serially or otherwise.

(5) Prior to issuance of the refunding bonds, the board shall cause notice of its intention to issue the refunding bonds, identifying the obligations proposed to be refunded and setting forth the estimated date of delivery of the refunding bonds, to be given to the holders of the refunding bonds, to be given to the holders of the outstanding obligations by publication of an appropriate notice one (1) time each in a newspaper having general circulation in the area and in a financial newspaper published in New York, New York, and having national circulation. As soon as practicable after the delivery of the refunding bonds, and whether or not any of the obligations to be refunded are to be called for redemption, the board shall cause notice of the issuance of the refunding bonds to be given in the manner provided in the preceding sentence.

(6) If any of the obligations to be refunded are to be called for redemption, the board shall cause notice of redemption to be given in the manner required by the proceedings authorizing the outstanding obligations.

(7) The principal proceeds from the sale of any refunding bonds shall be applied only as follows:

(a) To the immediate payment and retirement of the obligations being refunded; or

(b) To the extent not required for the immediate payment of the obligations being refunded, the proceeds shall be deposited in trust to provide for the payment and retirement of the obligations being refunded,

and to pay any expenses incurred in connection with the refunding, but provision may be made for the pledging and disposition of any surplus, including without limitation, provision for the pledging of any surplus to the payment of the principal of and interest on any issue or series of refunding bonds. Money in any trust fund may be invested in direct obligations of, or obligations the principal of and interest on which are guaranteed by the United States government, or obligations of any agency or instrumentality of the United States government, or in certificates of deposit issued by a bank or trust company located in the state of Kentucky if the certificates shall be secured by a pledge of any obligations having any aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

(8) All bonds, refunding bonds and the interest coupons applicable thereto shall be construed to be negotiable instruments.

(9) The principal of and interest on any bonds issued by the authority may be secured by a pledge of the revenues and receipts out of which the same shall be made payable, and may be secured by a mortgage or deed of trust covering all or any part of the projects from which the revenues or receipts so pledged may be derived, including any enlargements of and additions to any projects thereafter made, or by an assignment and pledge of all or any part of the authority's interest in and rights under the leases, sale contracts or loan agreements relating to the projects, or any thereof. The resolution under which the bonds are authorized to be issued and any mortgage or deed of trust may contain any agreements and provisions respecting the maintenance of the projects covered thereby, the fixing and collection of rents or payments with respect to any projects or portions thereof covered by the resolution, mortgage or deed of trust, the creation and maintenance of special funds from the revenues and from proceeds of the bonds, and the rights and remedies available in the event of default, as the board shall deem advisable and not in conflict with the provisions of this Act. Each pledge, agreement, mortgage and deed of trust made for the benefit of security of any of the bonds of the authority shall continue effective until the principal of and interest on the bonds for the benefit of which the same were made shall have been fully paid.

HB 425, AN ACT relating to acquired immunodeficiency syndrome.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that acquired immunodeficiency syndrome, otherwise known as AIDS,

constitutes a serious and unique danger to the public health and welfare. The General Assembly finds that acquired immunodeficiency syndrome is transmitted by sexual activity, by intravenous drug use, or from an infected mother to a fetus and that public fear of contagion from casual contact is not supported by any scientific evidence. The General Assembly finds that acquired immunodeficiency syndrome is transmitted by a retrovirus which makes the possibility of development of an immunization or cure highly unlikely in the near future. The General Assembly finds that, once infected, there is a high probability that an individual will develop acquired immunodeficiency syndrome or a related syndrome and die a premature death as a result, but may live productively for years in a communicable state without showing any signs or symptoms of illness. The General Assembly finds the unique methods of transmission of this disease, and its inevitably fatal course, have raised public fears; changed the attitudes of employers, insurers, educators, law enforcement personnel, and health and medical providers about dealing with the disease; and could unexpectedly raise the medical costs of this state. The General Assembly intends to establish programs and requirements related to acquired immunodeficiency syndrome which carefully balance medical necessity, the right to privacy, and protection of the public from harm and which establish public programs for the care and treatment of persons with acquired immunodeficiency syndrome and related conditions.

There shall be included in the final report the institutional responses to the studies and their recommendations and the recommendations of the advisory conference of presidents. Nothing in this chapter shall prevent or prohibit the Governor, the Legislature, the Council on Higher Education, or the governing board of any institution of higher education from requesting or recommending deviations from any applicable formula or formulas prescribed by the Council on Higher Education and advancing reasons and arguments in support of them. The individual institutions' budget requests, including tuition and registration fee schedules for all categories of students, along with council recommendations shall be submitted to the Governor through the Finance and Administration Cabinet not later than November 15 of each odd numbered year. SECTION 42. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection. Many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified elsewhere in law. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results. Consent shall not be required to be in writing if there is documentation in the medical record that the test has been explained and the consent has been obtained.

(b) Informed consent shall be obtained from a legal guardian or other person authorized by law when the person is not competent or is otherwise unable to make an informed judgment or has not reached the age of majority.

(c) No person shall order a test without making available to the person tested, prior to the test, information regarding measures for the prevention of, exposure to, and transmission of human immunodeficiency virus.

(d) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(e) No test result shall be revealed to the person upon whom the test was performed without affording that person the immediate opportunity for individual counseling, in person, about:

1. The meaning of the test results;

2. The possible need for additional testing;

3. Measures for the prevention of the transmission of the human immunodeficiency virus infection;

4. The availability in the geographic area of any appropriate health care services, including mental health care, and appropriate social and support services;

5. The benefits of locating and counseling any individual by whom the infected individual may have been exposed to the human immunodeficiency virus infection and any individual whom the infected individual may have exposed to the human immunodeficiency virus infection; and

6. The availability, if any, of the services of public health authorities with respect to locating and counseling any individual described in subparagraph 5 of this subsection.

(f) No person, who has obtained or has knowledge of a test result pursuant to this section, shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;

2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

3. An authorized agent or employee of a health facility or health care provider if the health facility or health care provider itself is authorized to obtain the test results, the agent or employee provides patient care or handles or processes specimens of body fluids or tissues, and the agent or employee has a need to know such information;

4. Health care providers consulting between themselves or with health care facilities to determine diagnosis and treatment;

5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

6. A health facility or health care provider which procures, processes, distributes, or uses:

a. A human body part from a deceased person, with respect to medical information regarding that person; or

b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;

9. A person allowed access by a court order which is issued in compliance with the following provisions:

a. No court of this state shall issue the order unless the court finds that the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;

d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;

e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(3) (a) The Cabinet for Human Resources shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. The cabinet shall continue to provide for anonymous testing and counseling;

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(4) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(d) The program shall meet all the informed consent criteria contained in subsection (1) of this section;

(e) The program shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312 or 313 to register with the cabinet

if he does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

When notifying the donor pursuant to this requirement, the donor shall be given the following information:

SECTION 49. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) Subject to the provisions of subsections (3) and (4) of this section, the cabinet and its authorized representative shall examine or cause to be examined persons suspected of being infected with or exposed to a sexually transmissible disease.

(2) Subject to the provisions of subsections (3) and (4) of this section, persons with a sexually transmissible disease shall report for appropriate treatment to a physician licensed under the provisions of KRS Chapter 311, or shall submit to treatment at a county public health department or other public facility.

(3) No person shall be apprehended, examined, or treated for a sexually transmissible disease against his will, except upon the order of a District Court. In petitioning the court for a hearing for an order, the cabinet shall show by clear and convincing evidence that a threat to the public's health and welfare exists unless the warrant is issued and shall show that all other reasonable means of obtaining compliance have been exhausted and that no other less restrictive alternative is available.

(4) No order requiring a person to be examined or treated for a sexually transmissible disease shall be issued unless:

(a) A hearing has been held of which the person has received at least seventy-two (72) hours prior written notification and unless the person has received a list of the proposed actions to be taken and the reasons for each one from the Department of Public Advocacy.

(b) The person has the right to attend the hearing, to cross-examine witnesses, and to present evidence.

(c) The person has a right to an attorney to represent him, and to have an attorney appointed on his behalf if he cannot afford one from the Department of Public Advocacy.

(5) In issuing an order requiring a person to be examined or treated, the court may, at the request of the cabinet and upon a showing of good cause, also order the person to participate in a designated education or counseling program, or appear before the cabinet at regular intervals for periodic retesting, or both, as the court determines appropriate based on the person's actions, statements, and risk to the public.

(6) When a sexually transmissible disease is not capable of being treated on an outpatient basis in order to render it noncommunicable, or when a sexually transmissible disease can be treated only by requiring hospitalization, the provisions of subsections (8) to (13) of this section rather than subsections (1) to (6) of this section shall be applied. However, a person may be examined for this type of sexually transmissible disease under the provisions of this section.

(7) For the purposes of this section, authorized representatives of the cabinet means local and district health departments, physicians licensed pursuant to KRS Chapter 311, and any health facility designated by the cabinet.

(8) A judge, upon being presented evidence by the cabinet that a danger to the public health exists, shall hold a hearing to determine whether the infected person should be detained in a hospital.

(9) In considering the evidence, the judge shall determine whether the public's health and welfare are significantly endangered by a person with a sexually transmissible disease, and whether the person with the sexually transmissible disease has been counseled about the disease, about the significant threat the disease poses to other members of the public, and about methods to minimize the risk to the public and despite the counseling indicates an intent to expose the public to infection from the sexually transmissible disease. It shall be shown that all other reasonable means of correcting the problem have been exhausted and no less restrictive alternative exists.

(10) No person shall be ordered to be hospitalized by a court unless:

(a) A hearing has been held of which the person has received at least seventy-two (72) hours prior written notification and unless the person has received a list of the proposed actions to be taken and the reasons for each one.

(b) The person has the right to attend the hearing, to cross-examine witnesses, and to present evidence.

(c) The person has a right to an attorney to represent him, and to have an attorney appointed on his behalf, from the Department of Public Advocacy, if he cannot afford one.

(11) An order for hospitalization, if issued, shall be valid for no more than one hundred twenty (120) days, or for a shorter period of time if the cabinet, or the court upon petition, determines that the person no longer poses a substantial threat to the community. Orders for hospitalization shall contain additional requirements for adherence to a treatment plan or participation in counseling or education programs as

appropriate. The orders shall not be renewed without affording the person all rights conferred in subsections (9) and (10) of this section.

(12) No order for hospitalization shall require the placement of a person under the age of eighteen (18) years in a unit of a facility where adults reside or have been hospitalized or placed.

(13) No order for hospitalization shall require the placement of a person in a facility designated for the treatment of acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection when that facility contains the maximum number of persons for which the General Assembly has appropriated funds in the biennial appropriations act.

(14) The cabinet may establish, directly or by contract, facilities to serve persons ordered to be hospitalized pursuant to a court order under this section.

SECTION 50. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall file a petition before a District Court requesting that a prehearing detention order be placed on a person when the cabinet provides evidence that:

(a) The person is infected with a sexually transmitted disease;

(b) The person is engaging in behaviors which create an immediate and substantial threat to the public;

(c) The person evidences an intentional disregard for the health of the public and refuses to conduct himself in such a manner as to not place others at risk;

(d) The person will not appear at a hearing scheduled under Section 49 of this Act;

(e) The person will leave the jurisdiction of the court prior to his hearing date; and

(f) The person will continue to expose the public to the risk of a sexually transmissible disease until his hearing date.

(2) No prehearing detention order may be issued unless the court finds that:

(a) The cabinet has requested a hearing under Section 49 of this Act to consider the examination, treatment, or placement of the person infected with a sexually transmissible disease;

(b) The cabinet presents evidence that a substantial danger to the public health will exist unless the prehearing detention order is issued;

(c) The cabinet has no other reasonable alternative means of reducing the threat to the public health; and

(d) The cabinet is likely to prevail on the merits in a hearing under Section 49 of this Act.

(3) When issuing an order for a prehearing detention, the court shall direct a peace officer to immediately confine the person infected with or reasonably suspected of being infected with a sexually transmissible disease in a hospital specified in the order.

(4) A person detained under this section shall be taken before a judicial officer for bail determination within twenty-four (24) hours of detention. The purpose of a bail determination shall be to ensure the appearance of the person detained at the hearing scheduled pursuant to Section 49 of this Act. When determining whether to release the person on bail or other conditions, and what the bail or those conditions may be, the court shall consider the person's past and present conduct, previous flight to avoid prosecution, or failure to appear at court proceedings. The person detained shall be entitled to be represented by counsel and to have counsel appointed on his behalf if he cannot afford one. The person shall be entitled to present witnesses and evidence, and to cross-examine witnesses.

(5) A person detained under this section may apply for a writ of habeas corpus attacking the detention.

(6) Upon motion of the person confined under a detention order, the notice periods for hearings required under Section 49 of this Act may be waived. In no case may an order for a detention under this section exceed three (3) days.

SECTION 51. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) When requesting an order from a District Court under the provisions of Sections 49 and 50 of this Act, the cabinet shall substitute a pseudonym for the true name of the person to whom the order

pertains. The actual name of the person shall be revealed to the court only in camera, and the court shall seal the name from further revelation.

(2) All court decisions, orders, petitions, and other formal documents shall be styled in a manner to protect the name of the party from public revelation.

(3) The cabinet and its authorized representatives, the court, and other parties to the lawsuit shall not reveal the name of any person subject to these proceedings except as permitted in KRS 214.420.

(4) All notices required to be given, all petitions and warrants, and all processes issued and all orders entered pursuant to Sections 49 and 50 of this Act shall be served by a peace officer of the county in which the person alleged to be infected with a sexually transmissible disease resides or is found.

(5) The judge, in his order for hospitalization or placement in another health care or residential facility under Section 49 of this Act, shall direct a peace officer of the county in which the person resides or is found to take the person into his custody and immediately deliver him to the director of the facility named in the order.

(6) The cabinet shall develop in conjunction with the Administrative Office of the Courts and furnish to the District Court all forms necessary under Sections 49 and 50 of this Act, and the court shall use the forms it determines appropriate.

(7) Any person who is aggrieved by the entry of an order under Sections 49 and 50 of this Act shall have the period of time provided by the Rules of Appellate Procedures within which to appeal the order. Every order entered under the terms of Sections 49 and 50 of this Act shall be executed immediately unless the court entering the order or the appellate court, in its discretion, enters a supersedeas order and fixes the terms and conditions thereof.

(8) Any person who is examined, treated, hospitalized or placed in emergency hold as a result of an order entered under Sections 49 and 50 of this Act may at any time petition the District Court for immediate release and termination of the order.

(9) Any person petitioning a court for immediate release and termination of the order entered under authority of Sections 49 and 50 of this Act shall show that the original order was issued by mistake or fraud; or

(a) That there has been a substantial change in the original facts and circumstances upon which the order was issued; or

(b) That he no longer poses an immediate and substantial threat to the health and welfare of the public.

(10) When considering a petition for immediate release, and prior to making any release, the court shall consult the cabinet and the patient's physician, if any, concerning the patient's medical condition and any other related factors that may affect the present and future danger to the public that may be caused by the patient's release.

(11) When granting a petition for immediate release, the court shall impose those conditions it believes reasonably necessary to protect the public from infection with a sexually transmissible disease.

(12) Persons who have been hospitalized, placed in another health care or residential facility, or isolated in their residences shall be granted a short term temporary leave at the discretion of the cabinet or its authorized representatives if the cabinet determines that the temporary leave will be closely monitored and will not endanger the public health. Temporary leave shall be granted for therapeutic purposes, in the event of death or critical illness in the person's family, or for another emergency. When granting the temporary leave, the cabinet shall consider whether the behavior for which the person was detained has a likelihood of reoccuring and whether the person will voluntarily return to detention at the end of the temporary leave.

SECTION 52. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) If the defendant is able to pay, he shall pay all fees and costs associated with this action.

(2) If the defendant is found by the court to be indigent, all fees and costs shall be waived and defendant shall be represented by an attorney from, or under contract to the Department of Public Advocacy.

(a) If a patient of the physician has tested positive for human immunodeficiency virus discloses to the physician the identity of a spouse; and

(b) The physician recommends the patient notify the spouse of the positive test and refrain from engaging in sexual activity in a manner likely to transmit the virus and the patient refuses; and

(c) If pursuant to a perceived civil duty or the ethical guidelines of the profession, the physician reasonably and in good faith advises the spouse of the patient of the positive test and facts concerning the transmission of the virus.

(2) Notwithstanding the foregoing, a physician licensed pursuant to KRS Chapter 311 shall not be civilly or criminally liable for failure to disclose information relating to a positive test result for human immunodeficiency virus of a patient to a spouse.

SECTION 55. A NEW SECTION OF KRS CHAPTER 529 IS CREATED TO READ AS FOLLOWS:

(2) Any person who commits prostitution and who, prior to the commission of the crime, had tested positive for a sexually transmissible disease and knew or had been informed that he had tested positive for a sexually transmissible disease pursuant to KRS 214.410 and that he could possibly communicate such disease to another person through sexual activity is guilty of a Class A misdemeanor. A person may be convicted and sentenced separately for a violation of this subsection and for the underlying crime of prostitution.

(2) (a) No person may require an individual to take a human immunodeficiency virus related test as a condition of hiring, promotion, or continued employment, unless the absence of human immunodeficiency virus infection is a bona fide occupational qualification for the job in question.

(b) A person who asserts that a bona fide occupational qualification exists for human immunodeficiency virus-related testing shall have the burden of proving that:

1. The human immunodeficiency virus-related test is necessary to ascertain whether an employee is currently able to perform in a reasonable manner the duties of the particular job or whether an employee will present a significant risk of transmitting human immunodeficiency virus infection to other persons in the course of normal work activities; and

2. There exists no means of reasonable accommodation short of requiring the test.

(b) A person or other entity receiving or benefiting from state financial assistance shall not discriminate against an otherwise qualified individual on the basis of the fact that such individual is, or is regarded as being, infected with human immunodeficiency virus.

(c) A person who asserts that an individual who is infected with human immunodeficiency virus is not otherwise qualified shall have the burden of proving that no reasonable accommodation can be made to prevent the liklihood that the individual will, under the circumstances involved, expose other individuals to a significant possibility of being infected with human immunodeficiency virus.

(d) No person shall fail or refuse to hire or discharge any individual, segregate or classify any individual in any way which would deprive or tend to deprive that individual of employment opportunities or adversely affect his or her status as an employee, or otherwise discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment on the basis of the fact that the individual is a licensed health care professional who treats or provides patient care to persons infected with human immunodeficiency virus.

SECTION 57. A NEW SECTION OF KRS CHAPTER 207 IS CREATED TO READ AS FOLLOWS:

SECTION 58. A NEW SECTION OF KRS CHAPTER 207 IS CREATED TO READ AS FOLLOWS:

(1) Any person aggrieved by a violation of Sections 56, 60, 61 or 62 of this Act shall have a right of action in District Court and may recover for each violation:

(2) Nothing contained in KRS 207.130 to 207.240 shall be construed to prohibit the rejection of an applicant for employment or housing on the basis of:

(a) A physical handicap which interferes with a person's ability to adequately perform assigned job duties; *or*

(b) Any handicap which is not demonstrable by medically accepted clinical or laboratory diagnostic techniques, including, but not limited to, alcoholism, drug addiction, and obesity[~~; or~~

~~(c) Any communicable disease, either carried by, or afflicting the applicant~~].

Section 60. KRS 207.150 is amended to read as follows:

(1) No employer shall fail or refuse to hire, discharge or discriminate against any handicapped individual with respect to wages, rates of pay, hours, or other terms and conditions of employment because of *the* [~~such~~]

person's physical handicap unless ***the*** [~~such~~] handicap restricts that individual's ability to engage in the particular job or occupation for which he or she is eligible, or unless otherwise provided by law ***or, on the basis of the results of a human immunodeficiency virus-related test, unless the absence of human immunodeficiency virus infection is a bona fide occupational qualification of the job in question***; nor shall any employer limit, segregate or classify handicapped individuals in any way which would deprive or tend to deprive any handicapped individual of employment opportunities or otherwise affect employee status because of physical handicap, ***or on the basis of the results of a human immunodeficiency virus-related test,*** unless ***the*** [~~such~~] handicap ***or absence of human immunodeficiency virus infection,*** constitutes a bona fide and necessary reason for ***the*** [~~such~~] limitation, segregation or classification. This subsection shall not be construed to require any employer to modify his physical facilities or grounds in any way, or exercise a higher degree of caution for a handicapped individual than for any person who is not a handicapped individual.

SECTION 62. A NEW SECTION OF SUBTITLE 12 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The purpose of this section is to prohibit unfair or deceptive practices in the transaction of life and health insurance with respect to the human immunodeficiency virus infection and related matters. This section applies to all life and health insurance contracts which are delivered or issued for delivery in Kentucky on or after the effective date of this Act.

(2) This section shall not prohibit an insurer from contesting the validity of an insurance contract or whether a claim is covered under an insurance contract to the extent allowed by law.

(3) As used in this section:

(a) "HIV" means the human immunodeficiency virus identified as the causative agent of acquired immunodeficiency syndrome (AIDS) or any other type of immunosuppression caused by the human immunodeficiency virus.

(b) "Insurance contract" means a contract issued by an insurer as defined in this section; and

(c) "Insurer" means an insurer, a nonprofit hospital, medical-surgical, dental, and health service corporation, a health maintenance organization, or a prepaid dental plan organization.

(4) (a) In the underwriting of an insurance contract regarding HIV infection and health conditions derived from such infection, the insurer shall utilize medical tests which are reliable predictors of risk. Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration recommended test indicates the existence or possible existence of HIV infection or a health condition related to the HIV infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration recommended follow-up tests or series of tests to confirm the indication.

(b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the HIV infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information. Use of a form prescribed by the department shall raise a conclusive presumption of informed consent.

(c) An applicant shall be notified of a positive test result by a physician designated by the applicant, or, in the absence of such designation, by the Cabinet for Human Resources. The notification shall include:

1. Face-to-face post test counseling on the meaning of the test results, the possible need for additional testing, and the need to eliminate behavior which might spread the disease to others;

2. The availability in the geographic area of any appropriate health care services, including mental health care, and appropriate social and support services;

3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and

4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3 of this paragraph.

(d) A medical test for HIV infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.

(e) An insurer may ask whether an applicant for an insurance contract has been tested positive for HIV infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for HIV infection or for a health condition derived from such infection.

(f) Insurers shall maintain strict confidentiality of the results of tests for HIV infection or a specific health condition derived from HIV infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:

1. The applicant;

2. A licensed physician or other person designed by the applicant;

3. An insurance medical information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to HIV infection;

4. For the preparation of statistical reports that do not disclose the identity of any particular applicant;

5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;

6. To insurer personnel who have the responsibility to make underwriting decisions; and

7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.

(g) Insurers shall use for the processing of HIV related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bio Analysts, or an equivalent program approved by the Centers for Disease Control.

(5) (a) An insurance contract shall not exclude coverage for HIV infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to HIV infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, 304.38-050, and 304.43-030.

(b) Group insurance contracts shall not exclude coverage of persons eligible for coverage under the contract because of a positive test result for HIV infection or a health condition derived from HIV infection, either as a condition for or subsequent to issuance of the group insurance contract.

(c) A health insurance contract shall not be cancelled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for HIV infection.

(d) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the HIV infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.

(e) This subsection does not prohibit the issuance of accident only or specified disease insurance contracts.

Section 63. KRS 304.14-130 is amended to read as follows:

(1) The commissioner shall disapprove any form filed under KRS 304.14-120, or withdraw any previous approval thereof, only on one (1) or more of the following grounds:

(a) If it is in any respect in violation of, or does not comply with, this code.

(b) If it contains or incorporates by reference, where such incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract.

(c) If it has any title, heading, or other indication of its provisions which is misleading, or is printed in such size of type or manner of reproduction as to be substantially illegible.

(d) As to an individual health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged.

(e) If it excludes coverage for human immunodeficiency virus infection or acquired immunodeficiency syndrome or contains limitations in the benefits payable, or in the terms or conditions of the contract, for human immunodeficiency virus infection or acquired immunodeficiency syndrome which are different than those which apply to any other sickness or medical condition.

(2) The insurer shall not use in this state any such form after disapproval or withdrawal of approval.

SECTION 64. A NEW SECTION OF SUBTITLE 99 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any person who violates Section 62(4)(d) of this Act shall be fined not less than fifty dollars ($50) nor more than one hundred dollars ($100). Each violation shall constitute a separate offense.

The cabinet for human resources shall adopt rules and regulations relating to emergency medical technicians. The regulations may include, but need not be limited to, the classification and certification of emergency medical technicians, instructors, instructor-trainers, and students and trainees; examinations; standards of training and experience; curricula standards; issuance, renewal, suspension, denial, and revocation of certificates, and such other reasonable standards or regulations as may be necessary for the protection of public health and safety in the delivery of emergency medical services; however, no additional testing or course work shall be required for recertification, except for proficiency testing of new skills or knowledge, or areas in which there is documented evidence of deterioration of skills. Recertification programs shall be organized to include continuing education and in-service training approved by the cabinet. ***The continuing education program shall be subject to the requirements of Section 3(1) of this Act.***

Section 67. KRS 311.654 is amended to read as follows:

(1) The board of medical licensure shall adopt rules and regulations relating to paramedics. The regulations may include, but need not be limited to, the classification and certification of paramedics, instructor-trainers, instructors, and students and trainees; examinations; standards of training and experience; curricula standards; administration of drugs and controlled substances by paramedics under the direction or supervision of licensed physicians; issuance, renewal, suspension, denial, and revocation of certificates, and such other reasonable standards or regulations as may be necessary for the protection of public health and safety in the delivery of emergency medical services.

(2) Any continuing education required by the board of medical licensure shall include a Cabinet for Human Resources approved educational course on the transmission, control, treatment and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change.

The educational program shall be completed annually.

(2) The educational program may be a part of any continuing education program offered by the Department of Criminal Justice Training.

The Committee Substitute to HB 425 is as follows:

HB 425, AN ACT relating to acquired immunodeficiency syndrome.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that acquired immunodeficiency syndrome, otherwise known as AIDS, constitutes a serious and unique danger to the public health and welfare. The General Assembly finds that acquired immunodeficiency syndrome is transmitted by sexual activity, by intravenous drug use, or from an infected mother to a fetus and that public fear of contagion from casual contact is not supported by

any scientific evidence. The General Assembly finds that acquired immunodeficiency syndrome is transmitted by a retrovirus which makes the possibility of development of an immunization or cure highly unlikely in the near future. The General Assembly finds that, once infected, there is a high probability that an individual will develop acquired immunodeficiency syndrome or a related syndrome and die a premature death as a result, but may live productively for years in a communicable state without showing any signs or symptoms of illness. The General Assembly finds the unique methods of transmission of this disease, and its inevitably fatal course, have raised public fears; changed the attitudes of employers, insurers, educators, law enforcement personnel, and health and medical providers about dealing with the disease; and could unexpectedly raise the medical costs of this state. The General Assembly intends to establish programs and requirements related to acquired immunodeficiency syndrome which carefully balance medical necessity, the right to privacy, and protection of the public from harm and which establish public programs for the care and treatment of persons with acquired immunodeficiency syndrome and related conditions.

SECTION 2. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The Cabinet for Human Resources shall establish a program to educate the public about the threat of acquired immunodeficiency syndrome.

(2) The acquired immunodeficiency syndrome education program shall:

(a) Be designed to reach all segments of the Commonwealth's population;

(b) Contain special components designed to reach minority groups within the state;

(c) Impart knowledge to the public about methods of transmission of acquired immunodeficiency syndrome and methods of prevention;

(d) Educate the public about transmission risks in social, employment, and educational situations;

(e) Educate health care workers and health facilities' employees about methods of transmission and prevention in their unique workplace environments;

(f) Contain special components designed to reach persons who may frequently engage in behaviors placing them at a high risk for acquiring acquired immunodeficiency syndrome;

(g) Provide information and consultation to state agencies to educate all state employees;

(h) Provide information and consultation to state and local agencies to educate law enforcement and correctional personnel and inmates;

(i) Provide information and consultation to local governments to educate local government employees;

(j) Make information available to private employers and encourage them to distribute this information to their employees; and

(k) Contain special components which emphasize appropriate behavior and attitude change.

(3) The program designed by the Cabinet for Human Resources shall utilize all appropriate forms of the media and shall identify sources of educational materials that can be used by businesses, schools, and health care providers in the regular course of their business.

(4) The department may contract with other persons in the design, development, and distribution of the components of the education program.

SECTION 3. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The Cabinet for Human Resources shall approve appropriate educational courses on the transmission, control, treatment and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change to be completed as specified in the respective chapters by each person licensed or certified under KRS Chapters 311, 312, 313, 314, 315, 320, 327, 333, 335 and emergency medical technicians licensed pursuant to KRS Chapter 211.

Section 4. KRS 311.450 is amended to read as follows:

(1) Every license issued for the practice of podiatry shall expire on June 30 following the date of issuance unless sooner revoked and cancelled.

(2) On or before June 1 of each year, the board shall send notices to all licensed podiatrists in this state, at their last known addresses, advising them that the annual license renewal fee is due on July 1 of each year. Every registered podiatrist shall renew his license on or before July 1 of each year by the payment to the board of an annual license renewal fee which shall be a reasonable fee set by regulation of the board and upon submission of a statement of compliance with the continuing education regulations of the board. ***The regulations shall include a requirement to complete the course described in Section 3(1) of this Act.*** If such renewal fee is not paid or such statement of compliance is not submitted on or before July 1, the board shall notify the delinquent licensee by mail at his last known address that such fee and statement are past due and that a delinquent penalty fee is assessed, in addition to the renewal fee and that the renewal fee and penalty must be paid and the statement of compliance submitted on or before January 1. If such fees, penalties and statement are not submitted by January 1, it shall be the duty of the board to suspend or revoke the license for nonpayment of the annual renewal and delinquent fees or for failure to submit the statement of compliance for the current year.

(3) All fees collected under the provisions of KRS 311.380 to 311.510, or the rules and regulations adopted pursuant thereto, shall be paid into the State Treasury, and credited to a trust and agency fund to be used in defraying the costs and expenses in the administration of KRS 311.380 to 311.510 including, but not limited to, salaries and necessary travel expenses. No part of this fund shall revert to the general funds of this Commonwealth.

Section 5. KRS 311.601 is amended to read as follows:

(1) The board may adopt reasonable rules and regulations to effectuate and implement the provisions of KRS 311.550 to 311.620, including but not limited to regulations designed to insure the continuing professional competency of present and future licensees. As an adjunct to the power conferred upon the board by this section, the board may require licensees to submit to interrogation as to the nature and extent of their postgraduate medical education and to require licensees found to be deficient in their efforts to keep abreast of new methods and technology, to obtain additional instruction and training therein.

(2) Any continuing medical education requirement which the board may institute by regulation shall include the completion of the course described in Section 3(1) of this Act.

The executive secretary shall, within thirty (30) days, notify every person failing to renew his license after it is due that he is delinquent. Failure of any such licensee to renew his license on the next annual renewal date shall constitute sufficient grounds for the board to revoke his license. Any licensee whose license has been revoked for not more than four (4) years for failure to renew his license may have his license restored upon the payment of a restoration fee not to exceed one hundred dollars ($100) for each delinquent year or any part thereof in addition to the renewal fee of not more than one hundred dollars ($100) and upon presentation of satisfactory evidence of post graduate study of a standard approved by the state board or upon a showing that he is an exception as provided for in subsection (1) of this section. Costs of production and distribution of the instructional materials shall be wholly assumed from the fees assessed by the licensing boards which regulate the professionals who are provided with educational materials under this section. To expeditiously and economically develop, produce, and distribute the instructional material required under this section, the Cabinet for Human Resources shall consult with the professional associations of professions to determine whether suitable instructional materials already exist that may be lawfully reproduced or reprinted.

(3) The Cabinet for Human Resources shall require that, by July 1, 1992, all employees of health facilities defined in KRS 216B.015 shall have completed an educational course on the transmission, control, treatment and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change except for those employees who shall have completed such a course as required for their professional licensure or upon evidence that the employee received such a course from another health facility where the employee was previously employed.

(4) Information on the human immunodeficiency virus infection shall be presented to any person who receives treatment at any hospital, however named, skilled nursing facilities, primary care centers, rural health clinics, outpatient clinics, ambulatory care facilities, ambulatory surgical centers, and emergency care centers licensed pursuant to KRS Chapter 216B. The information shall include, but not be limited to, methods of transmission and prevention and appropriate behavior and attitude change.

SECTION 32. A NEW SECTION OF KRS CHAPTER 16 IS CREATED TO READ AS FOLLOWS:

(1) The Justice Cabinet shall require all officers employed by them to complete an educational course approved by the Cabinet for Human Resources on human immunodeficiency virus infection and acquired immunodeficiency syndrome. The Justice Cabinet shall develop literature on the human immunodeficiency virus infection and acquired immunodeficiency syndrome and a training curriculum of not more than four (4) hours for the instruction of officers. The literature and training curriculum shall include information of known modes of transmission and methods of controlling and preventing these diseases with an emphasis on appropriate behavior and attitude change. This training may be part of any other training required and for which law enforcement officers receive an allowance to attend. However, non-receipt of allowance does not exclude a law enforcement officer from the training required in this section.

(2) All officers shall successfully complete the training required. Any person holding the position of officer shall not exercise that position for more than one (1) year without successfully completing the required training. If an officer does not successfully complete the required training within the time specified, he shall be suspended from further service as an officer until he successfully completes the required training.

SECTION 33. A NEW SECTION OF KRS CHAPTER 196 IS CREATED TO READ AS FOLLOWS:

(1) The Corrections Cabinet shall develop an educational course on the human immunodeficiency virus infection and acquired immunodeficiency syndrome approved by the Cabinet for Human Resources of not more than four (4) hours for the instruction of corrections personnel who have day to day contact with incarcerated persons and personnel who may be expected to respond to crisis situations. The literature and training curriculum shall include information of known modes of transmission and methods of controlling and preventing these diseases with an emphasis on appropriate behavior and attitude change. The training may be part of any continuing education program.

(2) All persons referred to in subsection (1) of this section shall successfully complete the training required. Any person holding the position referred to in subsection (1) of this section shall not fill that position for more than one (1) year without successful completion of the required training. Section 34. KRS 441.115 is amended to read as follows:

(1) For the purpose of raising the level of competence of jailers and jail personnel, the cabinet shall maintain a jail staff training program to provide training for jailers and jail personnel consistent with the standards promulgated pursuant to KRS 441.055 and shall keep records of jailers and jail personnel who satisfactorily complete basic and annual continuing education. ***The training program shall include training on the human immunodeficiency virus infection and acquired immunodeficiency syndrome approved by the Cabinet for Human Resources.*** A curriculum advisory committee composed of jailers, their representatives and recognized professionals in the field of jail administration shall advise the cabinet concerning the training needs of jailers and jail personnel. The jail staff training program shall be directed and staffed, in coordination with the governmental services center at Kentucky State University, by knowledgeable persons who have sufficient experience, training and education in jail operations. The corrections cabinet shall not charge a fee for training jailers, their deputies or jailers-elect.

(2) Beginning in August, 1982 each jailer shall receive an expense allowance to help defray the costs of his participation in the jail staff training program. The expense allowance shall be in the amount of three hundred dollars ($300) per month payable out of the state treasury. Expense allowance payments shall be discontinued if the jailer fails to satisfactorily complete annual continuing training. Expense allowance payments shall be resumed following a discontinuance for failure to satisfactorily complete basic or annual training only upon the jailer's satisfactory completion of such training.

(3) The allowance authorized in subsections (2) and (4) of this section shall be considered as operating expenses of the jailer's office and shall not be considered as part of his compensation. Jailers shall not be required to keep records verifying the expenditures from the allowance provided by the state.

(4) In order to receive the expense allowance for their first year in office, jailers who have been elected to said office for the first time, shall, before taking office, successfully complete a training program designed for new jailers and conducted by the personnel of the jail staff training program. This provision shall not apply if the jailer-elect is ill and unable to complete such training before taking office. In such cases, the jailer-elect shall successfully complete a new jailer training program during his first year in office in order to receive the expense allowance. The county or urban-county government in which the jailer-elect serves shall pay out of the jail budget, once he takes office, all necessary and reasonable travel expenses incurred by the jailer-elect in attending the new jailer training program.

(5) All jailers shall successfully complete the training required. If a jailer does not successfully complete the required training within the time specified, he shall not receive the expense allowance specified in subsection (2) of this section until he successfully completes the required training.

Section 35. KRS 72.415 is amended to read as follows:

(1) For the purpose of enforcing the provisions of KRS 72.410 to 72.470, coroners and deputy coroners shall have the full power and authority of peace officers in this state, including the power of arrest and the authority to bear arms, and shall have the power and authority to administer oaths, to enter upon public or private premises for the purpose of making investigations, to seize evidence, to interrogate persons, to require the production of medical records, books, papers, documents, or other evidence, and to impound vehicles involved in vehicular deaths, employ special investigators and photographers, and to expend funds for the purpose of carrying out the provisions of KRS 72.410 to 72.470. The fiscal court or urban-county government shall pay all reasonable expenses incurred by the coroner and his deputy in carrying out his responsibilities under the provisions of KRS 72.410 to 72.470.

(2) No person shall be eligible to hold the office of deputy coroner unless he holds a high school diploma or its recognized equivalent. The material shall include information on known modes of transmission and methods of controlling and preventing these diseases with an emphasis on appropriate behavior and attitude change.***

SECTION 36. A NEW SECTION OF KRS CHAPTER 197 IS CREATED TO READ AS FOLLOWS:

(1) The Corrections Cabinet, in conjunction with the Cabinet for Human Resources, shall establish a mandatory introductory and continuing education program on human immunodeficiency virus and acquired immunodeficiency syndrome for all inmates. Programs shall be specifically designed for inmates while incarcerated and in preparation for release into the community. Consideration shall be given to cultural and other relevant differences among inmates in the development of educational materials and shall include

emphasis on behavior and attitude change. The education program shall be continuously updated to reflect the latest medical information available.

(2) If there is evidence that an inmate, while in the custody of the cabinet, has engaged in behavior which places the inmate at a high risk of transmitting or contracting a human immunodeficiency disorder, the cabinet shall begin a testing program which is consistent with guidelines of the Centers for Disease Control and recommendations of the Correctional Medical Authority and shall target persons who have been involved in or reasonably thought to have been involved in a high risk behavior. For purposes of this subsection, "high-risk behavior" includes:

(a) Sexual contact with any person within the institution;

(b) The use of intravenous drugs;

(c) Tattooing; and

(d) Any other activity medically known to transmit the virus.

(4) The results of the tests shall become a part of that inmate's medical file, accessible only to persons designated by agency administrative regulations.

(5) The cabinet shall establish policies consistent with guidelines of the Centers for Disease Control and recommendations of the Correctional Medical Authority on the housing, physical contact, dining, recreation, and exercise hours or locations for inmates with immunodeficiency disorders as are medically indicated and consistent with the proper operation of its facilities.

(6) The cabinet shall report to the General Assembly by July 1 each year as to the implementation of this program and the participation by inmates and staff.

(7) If an inmate is involved in a situation with a cabinet employee which could result, according to the institution's physician, in the transmission of the human immunodeficiency virus infection, the inmate shall be tested.

SECTION 37. A NEW SECTION OF KRS CHAPTER 71 IS CREATED TO READ AS FOLLOWS:

(1) Each county and each municipal detention facility shall have a written procedure developed, in consultation with the facility medical provider, establishing conditions under which an inmate will be tested for infectious disease. The procedure shall be consistent with guidelines of the Centers for Disease Control and recommendations of the Correctional Medical Authority. The person receiving the test results may divulge the test results to the jailer or chief correctional officer. However, all other provisions of the Kentucky Sexually Transmitted Disease Control Confidentiality Act in KRS 214.400 to 214.420 shall remain in effect.

(2) Serologic blood test results obtained pursuant to subsection (1) of this section shall be confidential except they may be shared with employees or officers of the jailer or chief correctional officer who are responsible for the custody and care of the affected inmate and have a need to know the information. No person to whom the results of a test have been disclosed under this section may disclose the test results to another person not authorized under this section.

(3) The results of any serologic blood test on an inmate shall become a part of that inmate's permanent medical file. Upon transfer of the inmate to any other correctional facility, the file shall be transferred in an envelope marked confidential.

SECTION 38. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

(1) State colleges and universities shall provide information on how to prevent the transmission of the human immunodeficiency virus consistent with the Centers for Disease Control guidelines, to all freshmen and transfer students.

(2) Each state college or university shall inform students of the name and telephone number of a college or university counselor trained to counsel persons about the human immunodeficiency virus.

Section 39. KRS 164.020 is amended to read as follows:

The Council on Higher Education in Kentucky shall:

(1) Engage in analyses and research to determine the overall needs of higher education in the Commonwealth.

(2) Develop and transmit to the Governor comprehensive plans for public higher education which meet

the needs of the Commonwealth. The plans so developed shall conform to the respective functions and duties of the state universities, the community colleges, and the University of Kentucky as provided by statute. The council shall for all purposes of federal legislation relating to planning be considered the "single state agency" as that term may be used in [~~such~~] federal legislation. [~~; provided, however, that~~] When [~~such~~] federal legislation requires additional representation on any [~~such~~] "single state agency," the Council on Higher Education shall establish such advisory groups as may be necessary to satisfy [~~such~~] federal legislative or regulatory guidelines.

(3) Determine tuition and approve the minimum qualifications for admission to the public institutions of higher education. In determining the tuition for non-Kentucky residents, the council shall consider the fees required of Kentucky students by institutions in adjoining states, the resident fees charged by other states, the total actual per student cost of training in the institutions for which the fees are being determined, and the ratios of Kentucky students to non-Kentucky students comprising the enrollments of the respective institutions, and such other factors as the council may in its sole discretion deem pertinent.

(4) Consider the requirements and review the budget requests, which shall be prepared in the manner and submitted by the institutions to the council by dates prescribed by the council, of the institutions of public higher education as to their appropriate level of support considering the functions of the institutions and their respective needs. The council, in cooperation with the university presidents, shall devise, establish, and periodically review and revise formulas for use in making recommendations to provide to the Governor and the legislature for use in making appropriations for the institutions of higher learning. The formulas shall provide for adequate and equitable allocation of funds among the several universities considering their respective needs and statutory, institutional, and geographic missions. In the development, revision, and refinement of such formulas, committees composed of members of the council staff and a representative of each of the state universities shall conduct hearings on each campus in a manner to give all principal segments of each institution the opportunity to participate in the development of the formulas. The studies shall include, but not be limited to:

(a) A review of formulas used by other states to calculate needs and appropriate funds for institutions of higher education;

(b) A complete review of selected comparable institutions with reference to both the state appropriations and tuition charges, and

(c) A review of institutional activities and programs that can be calculated for use in the development of the formulas.

There shall be included in the final report the institutional responses to the studies and their recommendations and the recommendations of the advisory conference of presidents. Nothing in this chapter shall prevent or prohibit the Governor, the Legislature, the Council on Higher Education, or the governing board of any institution of higher education from requesting or recommending deviations from any applicable formula or formulas prescribed by the Council on Higher Education and advancing reasons and arguments in support of them. The individual institutions' budget requests, including tuition and registration fee schedules for all categories of students, along with council recommendations shall be submitted to the Governor through the Finance and Administration Cabinet not later than November 15 of each odd numbered year. The council shall submit a separate budgetary recommendation for the University of Kentucky community college system.

(5) Review and approve all capital construction projects the cost of which exceeds two hundred thousand dollars ($200,000) approved by the governing boards of the state-supported institutions of higher education prior to the institutions' submission of such projects to the Finance and Administration Cabinet and/or state property and buildings commission.

(6) Require reports from the executive officer of each institution it deems necessary for the effectual performance of its duties.

(7) Publish annually a report of the educational and financial affairs of the institutions and disseminate other information relating to higher education.

(8) Define and approve the offering of all higher education associate, baccalaureate, graduate, and professional degree or certificate programs in the state-supported higher education institutions; review proposals and make recommendations to the Governor regarding the establishment of new state-supported community colleges and new four-year colleges. Provided, nothing in KRS 164.010, 164.020, 164.125, and 164.290 to 164.295 shall be construed to grant the Council on Higher Education authority to disestablish or eliminate any college of law which became a part of the state system of higher education through merger with a state college.

(9) Approve the teacher education programs in the public institutions.

(10) Elect a chairman annually from the voting membership and appoint an executive director and such staff as may be needed and fix their compensation without limitation of the provisions of KRS Chapter 18A and KRS 64.640 subject to the approval of the commissioner of personnel and the secretary of the Finance and Administration Cabinet.

(11) Constitute the representative agency of the Commonwealth in all matters of higher education of a general and statewide nature which are not otherwise delegated to one or more institutions of higher learning. Such responsibility may be exercised through appropriate contractual relationships with individuals or agencies located within or without the Commonwealth. The authority includes but is not limited to contractual arrangements for programs of research, specialized training, and cultural enrichment.

(12) Develop procedures for the approval of a designated receiver to provide for the maintenance of student records of the public institutions of higher education and the colleges as defined in KRS 164.945, and institutions operating pursuant to KRS 165A.310 which offer collegiate level courses for academic credit, which cease to operate after July 15, 1980. Procedures shall include assurances that, upon proper request, subject to federal and state laws and regulations, copies of student records shall be made available within a reasonable length of time for a minimum fee.

(13) Monitor and report on compliance with Section 38 of this Act. The report shall be transmitted to the director of the Legislative Research Commission for distribution to the Health and Welfare Committee.

SECTION 40. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests, is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(f) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health care services, there is no requirement that a health care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Refering the patient to another appropriate professional or health care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person, who has obtained or has knowledge of a test result pursuant to this section, shall disclose

or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;

2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

3. A physician, nurse, or other health care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

4. Health care providers consulting between themselves or with health care facilities to determine diagnosis and treatment;

5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

6. A health facility or health care provider which procures, processes, distributes, or uses:

a. A human body part from a deceased person, with respect to medical information regarding that person; or

b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;

9. A person allowed access by a court order which is issued in compliance with the following provisions:

a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;

d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;

e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Human Resources shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. The cabinet shall continue to provide for anonymous testing and counseling;

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312 or 313 to register with the cabinet if he does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section and Section 57 of this Act, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop a program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

SECTION 41. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Every donation of organs, skins, or other human tissue for transplantation to another shall be tested by the receiving facility prior to use for human immunodeficiency virus infection and other communicable diseases specified by the United Network for Organ Sharing, American Association of Tissue Banks, and Eye Bank Association of America. Tests for the human immunodeficiency virus infection shall be performed only after obtaining written, informed consent from the potential donor or the donor's legal representative. Obtaining consent shall include a fair explanation of the procedures to be followed and the meaning and use of the test results. The explanation shall include a description of the confidential nature of the test as described in Section 40 of this Act. If consent for testing is not given, the person shall not be accepted as a donor.

(2) Notwithstanding the provisions of subsection (1) of this section, written informed consent to perform testing shall not be required if the organ, skin, or other human tissue is received for processing or testing from out-of-state or if tissue is received from a health care facility or health care provider for reference testing or processing and the results of the test are reported back to the facility or provider.

(3) No person shall collect any organ, skin, or other human tissue from one (1) human being and hold it for, or actually perform, any implantation, transplantation, grafting, or any other method of transfer to another human being without first testing the tissue for the human immunodeficiency virus and other communicable diseases specified by the United Network for Organ Sharing, American Association of Tissue Banks, and Eye Bank Association of America, or without performing another process approved by the United Network for Organ Sharing, American Association of Tissue Banks, and Eye Bank Association of America capable of killing the causative agent of those diseases.

(4) All human organs, skin, or other human tissue which is to be transplanted to another and is found positive for human immunodeficiency virus or other communicable disease specified by the United Network for Organ Sharing, American Association of Tissue Banks, and Eye Bank Association of America shall be rendered noncommunicable by the person holding the tissue or shall be destroyed, unless the human tissue is specifically labeled to identify the human immunodeficiency virus and:

(a) Is used for research purposes; or

(b) Is used to save the life of another and is transferred with the recipient's informed consent.

(5) Each person who receives for transplantation organs, skin, or other human tissue, who finds evidence after confirmatory testing of human immunodeficiency virus in the donor, shall notify the donor or legal representative if the donor is a patient of the health facility or shall notify the facility where the donor is the patient of the presence of the virus. If the donor is a patient of a health facility within the Commonwealth, the following information shall be given:

(a) The meaning of the test results;

(b) Measures for the prevention of the transmission of the human immunodeficiency virus;

(c) The availability in the geographic area of any appropriate health care services, including mental health care, and appropriate social and support services;

(d) The benefits of locating and counseling any individual by whom the infected individual may have been exposed to human immunodeficiency virus and any individual whom the infected individual may have exposed to the virus; and

(e) The availability, if any, of the services of public health authorities with respect to locating and counseling any individual described in paragraph (d) of this subsection.

(6) The donor shall be notified of the confirmed positive test results in person. Persons shall be notified of negative test results either in person, by registered mail, or by phone. Notification is the responsibility of the facility receiving skin, organs, or other donated tissue. Notification shall be the responsibility of the receiving facility.

(7) Prior to the transplant of an organ or artificial insemination, the institution or physician responsible for overseeing the procedure shall provide the prospective recipient information as to the risks of contracting human immunodeficiency virus.

Section 42. KRS 367.175 is amended to read as follows:

(1) Every contract, combination in the form of trust and otherwise, or conspiracy, in restraint of trade or commerce in this Commonwealth shall be unlawful.

(2) It shall be unlawful for any person or persons to monopolize, or attempt to monopolize or combine or conspire with any other person or persons to monopolize any part of the trade or commerce in this Commonwealth.

(3) The sale, delivery, holding, or offering for sale of any self-testing kits designed to tell persons their status concerning human immunodeficiency virus or acquired immunodeficiency syndrome or related disorders, and any advertising of such kits, shall be prohibited.

(4) In addition to any other penalties, violations of this section shall also be a Class C felony.

Section 43. KRS 214.410 is amended to read as follows:

Section 44. KRS 211.180 is amended to read as follows:

(1) The cabinet shall enforce the rules and regulations adopted by the secretary of the Cabinet for Human Resources for the regulation and control of the matters set out below and shall formulate, promote, establish and execute policies, plans and programs relating to all matters of public health, including but not limited to the following matters:

(a)[~~(1)~~] Detection, prevention, and control of communicable diseases, chronic and degenerative diseases, dental diseases and abnormalities, occupational diseases and health hazards peculiar to industry, home accidents and health hazards, animal diseases which are transmissible to man, and such other diseases and health hazards as may be controlled;

(b) The adoption of regulations specifying the information required in and a minimum time period for reporting a sexually transmitted disease. In adopting the regulations the cabinet shall consider the need for information, protection for the privacy and confidentiality of the patient, and the practical ability of persons and laboratories to report in a reasonable fashion. The cabinet shall require reporting of physician diagnosed cases of acquired immunodeficiency syndrome based upon diagnostic criteria from the Centers for Disease Control of the United States Public Health Service. The cabinet shall require reporting of cases of human immunodeficiency virus infection by July 1, 1990, but shall be prohibited from requiring the reporting of or collection of names and addresses. However, a code may be used, so long as in and of itself, it would not identify the patient. Nothing in this section shall be construed to prohibit the cabinet from identifying infected patients when and if an effective cure for human immunodeficiency virus infection or any immunosuppression caused by human immunodeficiency virus is found or a treatment which would render a person noninfectious is found, for the purposes of offering or making the cure or treatment known to the patient.

(c)[~~(2)~~] The control of insects, rodents and other vectors of disease; the safe handling of food and food products; the safety of cosmetics; the control of narcotics, barbiturates and other drugs as provided by law; the sanitation of schools, industrial establishments and other public and semipublic buildings; the sanitation of state and county fairs and other similar public gatherings; the sanitation of public and semipublic recreational areas; the sanitation of public rest rooms, trailer courts, hotels, tourist courts, and other establishments furnishing public sleeping accommodations; the review, approval or disapproval of plans for construction, modification or extension of equipment related to food-handling in food-handling establishments; the licensure of hospitals; and the control of such other factors, not assigned by law to another agency, as may be necessary to insure a safe and sanitary environment;

(e)[~~(4)~~] Protection and improvement of the health of expectant mothers, infants, preschool and school age children;

(f)[~~(5)~~] The practice of midwifery, including the issuance of permits to and supervision of women who practice midwifery;

(g)[~~(6)~~] Protection and improvement of the health of the people through better nutrition.[~~;~~]

(2)[~~(7)~~] The secretary shall have authority to establish by regulation a schedule of reasonable fees, not to exceed twenty dollars ($20.00) per inspector hour plus travel costs pursuant to state regulations for travel reimbursement, to cover the costs of inspections of manufacturers, retailers and distributors of consumer products as defined in the Federal Consumer Product Safety Act, [~~(~~]Title 15 U.S.C. Sec. 2051 et seq.; 86 Stat. 1207 et seq. or amendments thereto[~~)~~], and of youth camps for the purpose of determining compliance with the provisions of this section and the regulations adopted by the secretary pursuant thereto. Fees collected by the secretary shall be deposited in the state treasury and credited to a revolving fund account for the purpose of carrying out the provisions of this section. The balance of *the* [~~said~~] account shall lapse to the general fund at the end of each biennium.

SECTION 45. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(2) Any person infected with or reasonably suspected of being infected with a sexually transmitted disease shall undergo any medical examination as is necessary, including such laboratory testing procedures deemed advisable by the examining physician to reasonably determine the existence or nonexistance of the diagnosed or suspected sexually transmitted disease. If such person is determined to be infected with a sexually transmitted disease or there is the potential that the person is incubating the disease, he shall undergo such treatment or follow-up as may be determined adequate by the examining physician to render the person noninfectious or to prevent the onset of disease. This section shall apply only to sexually transmitted diseases as defined by subsection (1) of this section.

(3) Only authorized personnel of the Cabinet for Human Resources and local health departments assigned to sexually transmitted disease control activities are empowered to carry out the prevention and control provisions set forth in this section. Their duties shall include, among other things, the investigation of persons known to be or reasonably suspected of being infected with a sexually transmitted disease. Such authorized personnel are empowered to direct that medical examinations, including laboratory tests, be conducted of persons reasonably suspected of having a sexually transmitted disease. This section shall apply only to sexually transmitted diseases as defined by subsection (1) of this section.

(4) The cabinet may petition a District Court for an order to apprehend, examine, or treat a person with a sexually transmitted disease as defined in subsection (1) of this section. The cabinet shall show by clear and convincing evidence that a threat to the public's health and welfare exists unless the warrant is issued and shall show that all other reasonable means of obtaining compliance have been exhausted and that no other less restrictive alternative is available.

(5) No order requiring a person to be examined or treated for a sexually transmitted disease shall be issued unless:

(a) A hearing has been held of which the person has received at least seventy-two (72) hours prior written notification and unless the person has received a list of the proposed actions to be taken and the reasons for each one from the Department of Public Advocacy.

(b) The person has the right to attend the hearing, to cross-examine witnesses, and to present evidence.

(c) The person has a right to an attorney to represent him, and to have an attorney appointed on his behalf if he cannot afford one from the Department of Public Advocacy.

(6) In issuing an order requiring a person to be examined or treated, the court may, at the request of the cabinet and upon a showing of good cause, also order the person to participate in a designated education or counseling program, or appear before the cabinet at regular intervals for periodic retesting, or both, as the court determines appropriate based on the person's actions, statements, and risk to the public.

SECTION 46. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) When requesting an order from a District Court under the provisions of Section 45 of this Act, the cabinet shall substitute a pseudonym for the true name of the person to whom the order pertains. The actual name of the person shall be revealed to the court only in camera, and the court shall seal the name from further revelation.

(2) All court decisions, orders, petitions, and other formal documents shall be styled in a manner to protect the name of the party from public revelation.

(3) The cabinet and its authorized representatives, the court, and other parties to the lawsuit shall not reveal the name of any person subject to these proceedings except as permitted in KRS 214.420.

(4) All notices required to be given, all petitions and warrants, and all processes issued and all orders entered pursuant to Section 45 of this Act shall be served by a peace officer of the county in which the person alleged to be infected with a sexually transmitted disease resides or is found.

(5) The judge, in his order for hospitalization or placement in another health care or residential facility under Section 45 of this Act, shall direct a peace officer of the county in which the person resides or is found to take the person into his custody and immediately deliver him to the director of the facility named in the order.

(6) The cabinet shall develop in conjunction with the Administrative Office of the Courts and furnish to the District Court all forms necessary under Section 50 of this Act, and the court shall use the forms it determines appropriate.

(7) Any person who is aggrieved by the entry of an order under Section 45 of this Act shall have the period of time provided by the Rules of Appellate Procedures within which to appeal the order. Every order entered under the terms of Section 45 of this Act shall be executed immediately unless the court entering the order or the appellate court, in its discretion, enters a supersedeas order and fixes the terms and conditions thereof.

(8) Any person who is examined, treated, hospitalized or placed in emergency hold as a result of an order entered under Section 45 of this Act may at any time petition the District Court for immediate release and termination of the order.

(9) Any person petitioning a court for immediate release and termination of the order entered under authority of Section 45 of this Act shall show that the original order was issued by mistake or fraud; or

(a) That there has been a substantial change in the original facts and circumstances upon which the order was issued; or

(b) That he no longer poses an immediate and substantial threat to the health and welfare of the public.

(10) When considering a petition for immediate release, and prior to making any release, the court shall consult the cabinet and the patient's physician, if any, concerning the patient's medical condition and any other related factors that may affect the present and future danger to the public that may be caused by the patient's release.

(11) When granting a petition for immediate release, the court shall impose those conditions it believes reasonably necessary to protect the public from infection with a sexually transmitted disease.

(12) Persons who have been hospitalized, placed in another health care or residential facility, or isolated in their residences shall be granted a short term temporary leave at the discretion of the cabinet or its authorized representatives if the cabinet determines that the temporary leave will be closely monitored and will not endanger the public health. Temporary leave shall be granted for therapeutic purposes, in the event of death or critical illness in the person's family, or for another emergency. When granting the temporary leave, the cabinet shall consider whether the behavior for which the person was detained has a likelihood of reoccuring and whether the person will voluntarily return to detention at the end of the temporary leave.

SECTION 47. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) If the defendant is able to pay, he shall pay all fees and costs associated with this action.

(b) The physician recommends the patient notify the spouse or sexual partner of the positive test and

refrain from engaging in sexual activity in a manner likely to transmit the virus and the patient refuses; and

(c) If pursuant to a perceived civil duty or the ethical guidelines of the profession, the physician reasonably and in good faith advises the spouse or sexual partner with whom the patient has cohabitated for more than one (1) year of the patient of the positive test and facts concerning the transmission of the virus.

(2) Notwithstanding the foregoing, a physician licensed pursuant to KRS Chapter 311 shall not be civilly or criminally liable for failure to disclose information relating to a positive test result for human immunodeficiency virus of a patient to a spouse.

SECTION 50. A NEW SECTION OF KRS CHAPTER 529 IS CREATED TO READ AS FOLLOWS:

Notwithstanding the provisions of KRS 214.420, the results of any test conducted pursuant to this subsection shall be made available by the Cabinet for Human Resources to medical personnel, appropriate state agencies, or courts of appropriate jurisdiction to enforce the provisions of this chapter.

(2) Any person who commits prostitution and who, prior to the commission of the crime, had tested positive for a sexually transmitted disease and knew or had been informed that he had tested positive for a sexually transmitted disease pursuant to KRS 214.410 and that he could possibly communicate such disease to another person through sexual activity is guilty of a Class A misdemeanor. A person may be convicted and sentenced separately for a violation of this subsection and for the underlying crime of prostitution.

(3) Any person who commits prostitution by engaging in sexual activity in a manner likely to transmit the human immunodeficiency virus and who, prior to the commission of the crime, had tested positive for human immunodeficiency virus and knew or had been informed that he had tested positive for human immunodeficiency virus and that he could possibly communicate the disease to another person through sexual activity is guilty of a Class D felony. A person may be convicted and sentenced separately for a violation of this subsection and for the underlying crime of prostitution.

(4) Any person convicted of procuring another to commit prostitution in a manner likely to transmit the human immunodeficiency virus and who, prior to the commission of the crime, had tested positive for human immunodeficiency virus and knew or had been informed that he had tested positive for human immunodeficiency virus and that he could possibly communicate the disease to another person through sexual activity is guilty of a Class D felony.

SECTION 51. A NEW SECTION OF KRS CHAPTER 207 IS CREATED TO READ AS FOLLOWS:

(1) Any person with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus shall have every protection made available to handicapped persons under KRS 207.130 to 207.240 and Section 504, Public Law No. 93-112, the Rehabilitation Act of 1973.

(2) (a) No person may require an individual to take a human immunodeficiency virus related test as a condition of hiring, promotion, or continued employment, unless the absence of human immunodeficiency virus infection is a bona fide occupational qualification for the job in question.

(b) A person who asserts that a bona fide occupational qualification exists for human immunodeficiency virus-related testing shall have the burden of proving that:

1. The human immunodeficiency virus-related test is necessary to ascertain whether an employee is currently able to perform in a reasonable manner the duties of the particular job or whether an employee will present a significant risk of transmitting human immunodeficiency virus infection to other persons in the course of normal work activities; and

2. There exists no means of reasonable accommodation short of requiring the test.

(3) (a) A person shall not discriminate against an otherwise qualified individual in housing, public accommodations, or governmental services on the basis of the fact that such individual is, or is regarded as being, infected with human immunodeficiency virus.

(b) A person or other entity receiving or benefiting from state financial assistance shall not discriminate against an otherwise qualified individual on the basis of the fact that such individual is, or is regarded as being, infected with human immunodeficiency virus.

(c) A person who asserts that an individual who is infected with human immunodeficiency virus is not otherwise qualified shall have the burden of proving that no reasonable accommodation can be made to prevent the liklihood that the individual will, under the circumstances involved, expose other individuals to a significant possibility of being infected with human immunodeficiency virus.

(d) No person shall fail or refuse to hire or discharge any individual, segregate or classify any individual in any way which would deprive or tend to deprive that individual of employment opportunities or adversely affect his or her status as an employee, or otherwise discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment on the basis of the fact that the individual is a licensed health care professional who treats or provides patient care to persons infected with human immunodeficiency virus.

SECTION 52. A NEW SECTION OF KRS CHAPTER 207 IS CREATED TO READ AS FOLLOWS:

(1) The fact that an occupant of real property is infected or has been infected with human immunodeficiency virus or diagnosed with acquired immunodeficiency syndrome is not a material fact that shall be disclosed in a real estate transaction.

(2) No cause of action shall arise against an owner of real property or his agent, or any agent of a transferee of real property for the failure to disclose to the transferee that an occupant of that property was infected with human immunodeficiency virus or diagnosed with acquired immunodeficiency syndrome.

SECTION 53. A NEW SECTION OF KRS CHAPTER 207 IS CREATED TO READ AS FOLLOWS:

(1) Any person aggrieved by a violation of Sections 51, 55, 56 or 57 of this Act shall have a right of action in District Court and may recover for each violation:

(1) Nothing contained in KRS 207.130 to 207.240 shall be construed to prevent an employer from making any pre-employment inquiry about the existence of an applicant's handicap and about the extent to which that handicap has been overcome by treatment, medication, appliances, or other rehabilitation.

(2) Nothing contained in KRS 207.130 to 207.240 shall be construed to prohibit the rejection of an applicant for employment or housing on the basis of:

(a) A physical handicap which interferes with a person's ability to adequately perform assigned job duties; ***or***

(b) Any handicap which is not demonstrable by medically accepted clinical or laboratory diagnostic techniques, including, but not limited to, alcoholism, drug addiction, and obesity[~~; or~~

~~(c) Any communicable disease, either carried by, or afflicting the applicant~~].

Section 55. KRS 207.150 is amended to read as follows:

(1) No employer shall fail or refuse to hire, discharge or discriminate against any handicapped individual with respect to wages, rates of pay, hours, or other terms and conditions of employment because of ***the*** [~~such~~] person's physical handicap unless ***the*** [~~such~~] handicap restricts that individual's ability to engage in the particular job or occupation for which he or she is eligible, or unless otherwise provided by law ***or, on the basis of the results of a human immunodeficiency virus-related test, unless the absence of human immunodeficiency virus infection is a bona fide occupational qualification of the job in question***; nor shall any employer limit, segregate or classify handicapped individuals in any way which would deprive or tend to deprive any handicapped individual of employment opportunities or otherwise affect employee status because of physical handicap, ***or on the basis of the results of a human immunodeficiency virus related test,*** unless ***the*** [~~such~~] handicap ***or absence of human immunodeficiency virus infection,*** constitutes a bona fide and necessary reason

for ***the*** [~~such~~] limitation, segregation or classification. This subsection shall not be construed to require any employer to modify his physical facilities or grounds in any way, or exercise a higher degree of caution for a handicapped individual than for any person who is not a handicapped individual.

SECTION 57. A NEW SECTION OF SUBTITLE 12 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The purpose of this section is to prohibit unfair or deceptive practices in the transaction of life and health insurance with respect to the human immunodeficiency virus infection and related matters. This section applies to all life and health insurance contracts which are delivered or issued for delivery in Kentucky on or after the effective date of this Act.

(2) This section shall not prohibit an insurer from contesting the validity of an insurance contract or whether a claim is covered under an insurance contract to the extent allowed by law.

(3) As used in this section:

(a) "Human immunodeficiency virus (HIV)" means the causative agent of acquired immunodeficiency syndrome (AIDS) or any other type of immunosuppression caused by the human immunodeficiency virus.

(b) "Insurance contract" means a contract issued by an insurer as defined in this section; and

(c) "Insurer" means an insurer, a nonprofit hospital, medical-surgical, dental, and health service corporation, a health maintenance organization, or a prepaid dental plan organization.

(4) (a) In the underwriting of an insurance contract regarding human immunodeficiency virus infection and health conditions derived from such infection, the insurer shall utilize medical tests which are reliable predictors of risk. Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration recommended follow-up tests or series of tests to confirm the indication.

(b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information. Use of a form prescribed by the department shall raise a conclusive presumption of informed consent.

(c) An applicant shall be notified of a positive test result by a physician designated by the applicant, or, in the absence of such designation, by the Cabinet for Human Resources. The notification shall include:

1. Face-to-face post test counseling on the meaning of the test results, the possible need for additional testing, and the need to eliminate behavior which might spread the disease to others;

2. The availability in the geographic area of any appropriate health care services, including mental health care, and appropriate social and support services;

3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and

4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3 of this paragraph.

(d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.

(e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.

(f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:

1. The applicant;

2. A licensed physician or other person designated by the applicant;

3. An insurance medical information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;

4. For the preparation of statistical reports that do not disclose the identity of any particular applicant;

5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;

6. To insurer personnel who have the responsibility to make underwriting decisions; and

7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.

(g) Insurers shall use for the processing of human immunodeficiency virus related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bio Analysts, or an equivalent program approved by the Centers for Disease Control.

(5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, 304.38-050, and 304.43-030.

(b) Group insurance contracts shall not exclude coverage of persons eligible for coverage under the contract because of a positive test result for human immunodeficiency virus infection or a health condition derived from human immunodeficiency virus infection, either as a condition for or subsequent to issuance of the group insurance contract.

(c) A health insurance contract shall not be cancelled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.

(d) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.

(e) This subsection does not prohibit the issuance of accident only or specified disease insurance contracts.

Section 58. KRS 304.14-130 is amended to read as follows:

(1) The commissioner shall disapprove any form filed under KRS 304.14-120, or withdraw any previous approval thereof, only on one (1) or more of the following grounds:

(a) If it is in any respect in violation of, or does not comply with, this code.

(b) If it contains or incorporates by reference, where such incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract.

(c) If it has any title, heading, or other indication of its provisions which is misleading, or is printed in such size of type or manner of reproduction as to be substantially illegible.

(d) As to an individual health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged.

(e) If it excludes coverage for human immunodeficiency virus infection or acquired immunodeficiency syndrome or contains limitations in the benefits payable, or in the terms or conditions of the contract, for human immunodeficiency virus infection or acquired immunodeficiency syndrome which are different than those which apply to any other sickness or medical condition.

(2) The insurer shall not use in this state any such form after disapproval or withdrawal of approval.

SECTION 59. A NEW SECTION OF SUBTITLE 99 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Any person who violates Section 57(4)(d) of this Act shall be fined not less than fifty dollars ($50) nor more than one hundred dollars ($100). Each violation shall constitute a separate offense.

As a condition of being issued a certificate as an emergency medical technician, the applicant shall have completed a cabinet approved educational course on the transmission, control, treatment and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change.

Section 61. KRS 211.964 is amended to read as follows:

The Cabinet for Human Resources shall adopt rules and regulations relating to emergency medical technicians. The regulations may include, but need not be limited to, the classification and certification of emergency medical technicians, instructors, instructor-trainers, and students and trainees; examinations; standards of training and experience; curricula standards; issuance, renewal, suspension, denial, and revocation of certificates, and such other reasonable standards or regulations as may be necessary for the protection of public health and safety in the delivery of emergency medical services; however, no additional testing or course work shall be required for recertification, except for proficiency testing of new skills or knowledge, or areas in which there is documented evidence of deterioration of skills. Recertification programs shall be organized to include continuing education and in-service training approved by the cabinet. ***The continuing education program shall be subject to the requirements of Section 3(1) of this Act.***

Section 62. KRS 311.654 is amended to read as follows:

(1) The board of medical licensure shall adopt rules and regulations relating to paramedics. The regulations may include, but need not be limited to, the classification and certification of paramedics, instructor-trainers, instructors, and students and trainees; examinations; standards of training and experience; curricula standards; administration of drugs and controlled substances by paramedics under the direction or supervision of licensed physicians; issuance, renewal, suspension, denial, and revocation of certificates, and such other reasonable standards or regulations as may be necessary for the protection of public health and safety in the delivery of emergency medical services.

(2) Any continuing education required by the board of medical licensure shall include a Cabinet for Human Resources approved educational course on the transmission, control, treatment and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude change.

HB 261, AN ACT relating to probation and parole.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.340 is amended to read as follows:

(1) The board may release on parole such persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails as are eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his admission to an adult state penal or correctional institution or county jail if he is a sentenced felon, and at such intervals thereafter as it may determine, the corrections cabinet shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. Such information shall include his criminal record, his conduct, employment and attitude in prison, and the reports of such physical and mental examinations as have been made. The corrections cabinet shall furnish the circumstances of his offense and his previous social history to the institution and the board. The corrections cabinet shall prepare a report on such information as it obtains. It shall be the duty of the corrections cabinet to supplement this report with such material as the board may request and submit such report to the board.

(2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him appear before it, or one (1) or more members for interview and hearing,

except that the board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.

(3) The board shall adopt rules or regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with such other factors involved that would relate to the inmate's needs and the safety of the public.

(4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the corrections cabinet shall provide the necessary assistance and information to the board in order for it to conduct such timely parole reviews.

(5) In addition to or in conjunction with ***each*** [~~the initial~~] hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than thirty (30) nor more than ninety (90) days' notice: the commonwealth attorney of every county ***and the chief of police of every city*** in which the prisoner committed any Class A, B or C felony for which he is imprisoned, and all identified victims of such crimes or the next of kin of any victim who is deceased. Notice to the commonwealth attorney shall be by mail to his business office. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the commonwealth attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986 notice to the victims or their next of kin shall be by mail from the parole board to their last known address as provided by the commonwealth attorney to the parole board at the time of incarceration of the prisoner. The notice shall include the time, date and place of the hearing provided for in this subsection, and the name and address of a person to write in the event the recipient of the notice desires to attend the hearing or to submit written comments.

(6) Persons receiving notice as provided for in subsection (5) of this section may submit written comments to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all such comments prior to making its parole decision, provided they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all such comments in the prisoner's permanent parole board file and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor shall have the right to attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, provided only that such persons shall have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of his intention to attend the hearing. The board shall receive and consider all such comments, shall make a record of them which it shall retain in the prisoner's permanent parole board file and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the parole board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.

(7) Any hearing provided for in subsections (5) and (6) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of such hearing for reasons of personal safety, in which event the hearing shall be closed.

(8) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the parole board or any of its members, agents or employes.

(9) The unintentional failure by the parole board or any of its members, agents or employes or by a commonwealth attorney or any of his agents or employes to comply with any of the provisions of subsections (5), (6) and (7) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner or any other person.

(10) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the sexual offender treatment program.

(11) Any prisoner who is granted parole after completion of the sexual offender treatment program shall be required, as a condition of his parole, to participate in regular treatment in a mental health program approved or operated by the corrections cabinet.

(12) Whenever an order for parole is issued it shall recite the conditions thereof.

(2) "Child" means any person less than eighteen (18) years of age;

(3) "Claimant" means any of the following claiming compensation under this chapter: a victim, a dependent of a deceased victim, a third person other than a collateral source, or an authorized person acting on behalf of any of them ***who is legally responsible for the expenses incurred by the victim as a result of the crime committed against the victim***;

(4) "Criminally injurious conduct" means conduct that occurs or is attempted in this jurisdiction, poses a substantial threat of personal physical, [~~or in the case of a child,~~] psychological injury or death, and is punishable by fine, imprisonment or death. Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted or involved a violation of KRS 189A.010***, driving under the influence***;

(5) "Family," when used with reference to a person, shall mean:

(a) Any person related to such person within the third degree of consanguinity;

(b) Any person maintaining a sexual relationship with such person; or

(c) Any person residing in the same household with such person; and

(6) ***(a)*** "Victim" means a needy person who suffers personal physical or psychological injury or death from a criminal act in Kentucky as a result of:

1.[~~(a)~~] Criminally injurious conduct;

2.[~~(b)~~] A good faith effort to prevent criminally injurious conduct; or

3.[~~(c)~~] A good faith effort to apprehend a person reasonably suspected of engaging in criminally injurious conduct.

(b) "Victim" shall also mean a resident who is a victim of a crime occurring outside this state if:

1. The crime would be compensable had it occurred inside this state; and

2. The crime occurred in a state which does not have a crime victim compensation program, for which the victim is eligible as eligibility is set forth in KRS 346.050.

SECTION 2. A NEW SECTION OF KRS CHAPTER 346 IS CREATED TO READ AS FOLLOWS:

(1) "Victim" shall also include nonresidents of this state who suffer losses as a direct result of criminal acts occurring within this state.

(2) This section shall be operative only during those time periods during which the board determines that federal funds are available to the state for the compensation of victims of crime.

Section 3. KRS 346.040 is amended to read as follows:

The board shall have the following powers and duties:

(1) To establish and maintain necessary offices within this state, appoint employees and agents as necessary and prescribe their duties and compensation.

(2) To adopt, promulgate, amend and rescind suitable rules and ***administrative*** regulations to carry out the provisions and purposes of this chapter, including rules for the approval of attorney's fees for representation before the board or upon judicial review as provided for in KRS 346.110.

(3) To hear and determine all matters relating to claims for compensation, and the power to re-investigate or reopen claims without regard to statutes of limitations.

(4) To request from prosecuting attorneys and law enforcement officers investigations and data to enable the board to determine whether, and the extent to which, a claimant qualifies for compensation. The statute providing confidentiality for juvenile session of district court records does not apply to proceedings under this chapter. ***The board shall be allowed access to juvenile records.***

(5) To hold hearings, administer oaths or affirmations, examine any person under oath or affirmation and to issue subpoenas requiring the attendance and giving of testimony of witnesses and require the production of any books, papers documentary or other evidence. The powers provided in this subdivision may be delegated by the board to any member or employee thereof. If necessary to carry out any of its powers and duties, the board may petition any circuit court for an order.

(7) To make available for public inspection all board decisions and opinions, rules, written statements of policy and interpretations formulated, adopted, or used by it in discharging its functions.

(8) To publicize widely the availability of reparations and information regarding the claims therefor.

Section 4. KRS 346.050 is amended to read as follows:

(a) A victim of criminally injurious conduct;

(b) A surviving spouse, parent or child of a victim of criminally injurious conduct who died as a direct result of such conduct; [~~and~~]

(c) Any other person dependent for his principal support upon a victim of criminally injurious conduct who died as a direct result of such crime***; and***

(d) Any person who is legally responsible for the medical expenses or funeral expenses of a victim.

(2) No victim or dependent shall be denied compensation solely because he is a relative of the offender or was living with the offender as a family or household member at the time of the injury or death. However, the board may award compensation to a victim or dependent who is a relative, family or household member of the offender only if the board can reasonably determine the offender will not receive significant economic benefit or unjust enrichment from the compensation.

[~~(2) A person who is criminally responsible for the crime upon which a claim is based or an accomplice of such person or a member of the family of such persons shall not be eligible to receive an award with respect to such claim, except where the board determines, in a particular case, that the interest of justice so requires.~~]

(3) No compensation of any kind shall be awarded when injury occurred while the victim was confined in any state, county, urban county, or city jail, prison or other correctional facility, or any state institution maintained and operated by the cabinet for human resources.

Section 5. KRS 346.060 is amended to read as follows:

(1) A claim ***form*** may be filed by a person eligible to receive an award, as provided in KRS 346.050, or, if such person is a minor, by his parent or guardian.

(2) A claim ***form*** must be filed by the claimant not later than one (1) year after the occurrence of the criminally injurious conduct upon which such claim is based, or not later than one (1) year after the death

of the victim, provided, however, that upon good cause shown, the board may extend the time for filing if, in a particular case, the interest of justice so requires.

(3) Claims shall be filed in the office of the board in person or by mail. ***Only printed claim forms supplied by the board shall be accepted.*** The board shall accept for filing all claims submitted by persons eligible under subsection (1) of this section and alleging the jurisdiction requirements set forth in this chapter and meeting the requirements as to form in the rules and regulations of the board.

(4) Upon filing of a claim pursuant to this chapter, the board shall promptly notify the United States attorney (if a federal offense is involved), the commonwealth attorney or county attorney of the county wherein the crime is alleged to have occurred. If, within ten (10) days after such notification, such United States attorney, commonwealth attorney or county attorney advises the board that a criminal prosecution is pending upon the same alleged crime and requests that action by the board be deferred, the board shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded and shall so notify such United States attorney, commonwealth or county attorney and the claimant. When such criminal prosecution has been concluded such United States attorney, commonwealth or county attorney shall promptly so notify the board. Nothing in this section shall limit the authority of the board to grant emergency awards pursuant to KRS 346.120.

Section 6. KRS 346.080 is amended to read as follows:

(1) A claim, when accepted for filing, shall be assigned by the ***clerk of the board to an investigator for investigation*** [~~chairman to himself or to another member of the board~~]. All claims arising from the death of an individual as a direct result of a crime shall be considered together [~~by a single board member~~].

(2) The ***investigator*** [~~board member~~] to whom such claim is assigned shall examine the papers filed in support of such claim ***and*** [~~. The board member shall thereupon cause an investigation to be conducted into~~] the validity of such claim. Such investigation shall include, but not be limited to, an examination of police, court, and official records and reports concerning the crime.

(3) If the mental, physical, or emotional condition of a victim or claimant is material to a claim, the board [~~member~~] may order the victim or claimant to submit to a mental or physical examination by a physician or psychiatrist, and may order an autopsy of a deceased victim. A report upon such examination shall be filed with the ***investigator*** [~~board member~~] setting out findings, including results of all tests made, diagnosis, prognosis and other conclusions.

(4) For purposes of this chapter there is no privilege except privileges arising from the attorney-client relationship, as to communications or records relevant to an issue of the physical, mental, or emotional condition of the claimant or victim in a proceeding under this chapter in which that condition is an element.

(5) Claims shall be investigated and determined, regardless of whether the alleged criminal has been apprehended or prosecuted for or convicted of any crime based upon the same incident, or has been acquitted, or found not guilty of the crime in question owing to criminal irresponsibility or other legal exemption.

(6) ***Upon completion of the investigator's report, the claim shall be assigned to a board member who*** [~~The board member to whom a claim is assigned~~] may decide such claim in favor of a claimant in the amount claimed on the basis of the papers filed in support thereof and the report of the investigation of ***the*** [~~such~~] claim ***within thirty (30) days of the assignment of the claim.*** If the board member is unable to decide such claim upon the basis of such papers and ***the*** [~~such~~] report, he shall order a hearing. At ***the*** [~~such~~] hearing any relevant evidence, not legally privileged, shall be admissible.

(7) After examining the papers filed in support of such claim and the report of investigation, and after a hearing, if any, the board member to whom such claim was assigned shall make a decision either granting an award pursuant to KRS 346.130 or deny the claim.

(8) The board member making a decision shall file a written report setting forth such decision and his reasons therefor and shall thereupon cause the claimant to be notified and furnish him a copy of such report.

Section 7. KRS 346.090 is amended to read as follows:

(1) The claimant may, within thirty (30) days after receipt of the report of the decision of the board member to whom his claim was assigned ***for decision***, make an application in writing to the board for consideration of such decision by the full board.

(2) Any member of the board may, within thirty (30) days after the filing of such report, make an application in writing to the board for consideration of such decision by the full board.

(3) Upon receipt of an application pursuant to subsections (1) or (2) ***of this section***, the board shall review the record and affirm or modify the decision of the ***deciding*** board member to whom the claim was assigned. The action of the board in affirming or modifying such decision shall be final. The board shall file with the ***clerk*** [~~secretary~~] of the board a written report setting forth its decision, and if such decision varies in any respect from the report of the board member to whom the claim was assigned setting forth its reasons for such decision. If the board receives no application pursuant to subsections (1) and (2) of this section the decision of the board member to whom the claim was assigned ***for decision*** shall become the final decision of the board.

(4) The board shall promptly notify the claimant and the Attorney General of the final decision of the board and furnish each with a copy of the report setting forth such decision.

Section 8. KRS 346.130 is amended to read as follows:

(1) No award shall be made unless the board or board member, as the case may be, finds that:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical or psychological injury ***as a result of a personal physical injury*** to or death of, the victim; and

(c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. ***Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time. A six (6) months progress report will also be required by the board. The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. Replacement of eyeglasses and other corrective lenses shall be included in an award provided they were broken or damaged during the crime.***

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an amount equal to the actual loss sustained; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support. ***The claimant or victim must have been employed at the time the crime occurred. Said employment shall be verified by the staff of the board after information is provided by the claimant or victim. Should the claimant or victim fail to supply the board with the information requested, the portion of the claim for lost wages or support shall be denied.*** If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument and grave plot. In no event shall an award for funeral expenses exceed ***thirty-five*** [~~twenty-five~~] hundred dollars ***($3,500)*** [~~($2,500)~~].

(6) Any award made under this chapter shall not exceed twenty-five thousand dollars ($25,000).

(2) This section shall apply to any officer killed in the line of duty since January 1, 1986.

The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted or involved a violation of KRS 189A.010***, driving under the influence***;

(5) "Family," when used with reference to a person, shall mean:

(a) Any person related to such person within the third degree of consanguinity;

(b) Any person maintaining a sexual relationship with such person; or

(c) Any person residing in the same household with such person; and

(6) ***(a)*** "Victim" means a needy person who suffers personal physical or psychological injury or death from a criminal act in Kentucky as a result of:

SECTION 2. A NEW SECTION OF KRS CHAPTER 346 IS CREATED TO READ AS FOLLOWS:

(1) "Victim" shall also include nonresidents of this state who suffer losses as a direct result of criminal acts occurring within this state.

(2) This section shall be operative only during those time periods during which the board determines that federal funds are available to the state for the compensation of victims of crime.

(3) To hear and determine all matters relating to claims for compensation, and the power to re-investigate or reopen claims without regard to statutes of limitations.

(4) To request from prosecuting attorneys and law enforcement officers investigations and data to enable the board to determine whether, and the extent to which, a claimant qualifies for compensation. The statute providing confidentiality for juvenile session of district court records does not apply to proceedings under this chapter. ***The board shall be allowed access to juvenile records.***

(5) To hold hearings, administer oaths or affirmations, examine any person under oath or affirmation and to issue subpoenas requiring the attendance and giving of testimony of witnesses and require the production of any books, papers documentary or other evidence. (b) A surviving spouse, parent or child of a victim of criminally injurious conduct who died as a direct result of such conduct; [~~and~~]

(d) Any person who is legally responsible for the medical expenses or funeral expenses of a victim.

(2) No victim or dependent shall be denied compensation solely because he is a relative of the offender or was living with the offender as a family or household member at the time of the injury or death. However, the board may award compensation to a victim or dependent who is a relative, family or household member of the offender only if the board can reasonably determine the offender will not receive significant economic benefit or unjust enrichment from the compensation.

[~~(2) A person who is criminally responsible for the crime upon which a claim is based or an accomplice of such person or a member of the family of such persons shall not be eligible to receive an award with respect to such claim, except where the board determines, in a particular case, that the interest of justice so requires.~~]

(3) No compensation of any kind shall be awarded when injury occurred while the victim was confined in any state, county, urban county, or city jail, prison or other correctional facility, or any state institution maintained and operated by the cabinet for human resources.

Section 5. KRS 346.060 is amended to read as follows:

(1) A claim ***form*** may be filed by a person eligible to receive an award, as provided in KRS 346.050, or, if such person is a minor, by his parent or guardian.

(2) A claim ***form*** must be filed by the claimant not later than one (1) year after the occurrence of the criminally injurious conduct upon which such claim is based, or not later than one (1) year after the death of the victim, provided, however, that upon good cause shown, the board may extend the time for filing if, in a particular case, the interest of justice so requires.

(3) Claims shall be filed in the office of the board in person or by mail. ***Only printed claim forms supplied by the board shall be accepted.*** The board shall accept for filing all claims submitted by persons eligible under subsection (1) of this section and alleging the jurisdiction requirements set forth in this chapter and meeting the requirements as to form in the rules and regulations of the board.

(4) Upon filing of a claim pursuant to this chapter, the board shall promptly notify the United States attorney (if a federal offense is involved), the commonwealth attorney or county attorney of the county wherein the crime is alleged to have occurred. If, within ten (10) days after such notification, such United States attorney, commonwealth attorney or county attorney advises the board that a criminal prosecution is pending upon the same alleged crime and requests that action by the board be deferred, the board shall defer all proceedings under this chapter until such time as such criminal prosecution has been concluded and shall so notify such United States attorney, commonwealth or county attorney and the claimant. When such criminal prosecution has been concluded such United States attorney, commonwealth or county attorney shall promptly so notify the board. Nothing in this section shall limit the authority of the board to grant emergency awards pursuant to KRS 346.120.

Section 6. KRS 346.080 is amended to read as follows:

(1) A claim, when accepted for filing, shall be assigned by the ***clerk of the board to an investigator***

(3) If the mental, physical, or emotional condition of a victim or claimant is material to a claim, the board [~~member~~] may order the victim or claimant to submit to a mental or physical examination by a physician or psychiatrist, and may order an autopsy of a deceased victim. A report upon such examination shall be filed with the ***investigator*** [~~board member~~] setting out findings, including results of all tests made, diagnosis, prognosis and other conclusions.

(4) For purposes of this chapter there is no privilege except privileges arising from the attorney-client relationship, as to communications or records relevant to an issue of the physical, mental, or emotional condition of the claimant or victim in a proceeding under this chapter in which that condition is an element.

(5) Claims shall be investigated and determined, regardless of whether the alleged criminal has been apprehended or prosecuted for or convicted of any crime based upon the same incident, or has been acquitted, or found not guilty of the crime in question owing to criminal irresponsibility or other legal exemption.

(6) ***Upon completion of the investigator's report, the claim shall be assigned to a board member who*** [~~The board member to whom a claim is assigned~~] may decide such claim in favor of a claimant in the amount claimed on the basis of the papers filed in support thereof and the report of the investigation of ***the*** [~~such~~] claim ***within thirty (30) days of the assignment of the claim***. If the board member is unable to decide such claim upon the basis of such papers and ***the*** [~~such~~] report, he shall order a hearing. At ***the*** [~~such~~] hearing any relevant evidence, not legally privileged, shall be admissible.

(7) After examining the papers filed in support of such claim and the report of investigation, and after a hearing, if any, the board member to whom such claim was assigned shall make a decision either granting an award pursuant to KRS 346.130 or deny the claim.

(8) The board member making a decision shall file a written report setting forth such decision and his reasons therefor and shall thereupon cause the claimant to be notified and furnish him a copy of such report.

(2) Any member of the board may, within thirty (30) days after the filing of such report, make an application in writing to the board for consideration of such decision by the full board.

(3) Upon receipt of an application pursuant to subsections (1) or (2) ***of this section***, the board shall review the record and affirm or modify the decision of the ***deciding*** board member to whom the claim was assigned. The action of the board in affirming or modifying such decision shall be final. The board shall file with the ***clerk*** [~~secretary~~] of the board a written report setting forth its decision, and if such decision varies in any respect from the report of the board member to whom the claim was assigned setting forth its reasons for such decision. If the board receives no application pursuant to subsections (1) and (2) of this section the decision of the board member to whom the claim was assigned ***for decision*** shall become the final decision of the board.

(4) The board shall promptly notify the claimant and the Attorney General of the final decision of the board and furnish each with a copy of the report setting forth such decision.

Section 8. KRS 346.130 is amended to read as follows:

(1) No award shall be made unless the board or board member, as the case may be, finds that:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical or psychological injury ***as a result of a personal physical injury*** to or death of, the victim; and

(c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. ***Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time. A six (6) months progress report will also be required by the board. The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. Replacement of eyeglasses and other corrective lenses shall be included in an award provided they were broken or damaged during the crime.***

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an amount equal to the actual loss sustained; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support. ***The claimant or victim must have been employed at the time the crime occurred. Said employment shall be verified by the staff of the board after information is provided by the claimant or victim. Should the claimant or victim fail to supply the board with the information requested, the portion of the claim for lost wages or support shall be denied.*** If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument and grave plot. In no event shall an award for funeral expenses exceed ***thirty-five*** [~~twenty-five~~] hundred dollars ***($3,500)*** [~~($2,500)~~].

(6) Any award made under this chapter shall not exceed twenty-five thousand dollars ($25,000).

(d) Holders of shares of any class ***without*** [~~with~~] general voting rights shall have no preemptive rights to shares of a class which is identical as to rights except that the class has general voting rights.

(e) The preemptive right shall be only an opportunity to acquire shares or other securities under such terms and conditions as the board of directors may fix for the purpose of providing a fair and reasonable opportunity to exercise such right.

(f) This subsection shall not apply to any class of stock of any corporation after the corporation's articles of incorporation are amended to limit or deny the preemptive rights of any class of its stock.

(2) The clerk shall notify the defendant of the claim and his right to appear by sending the defendant a copy of the claim and a summons directing the defendant to appear at the time set for hearing and informing the defendant that if he fails to appear, judgment may be entered against him. The mode of service shall be as authorized in the Kentucky Revised Statutes or in the Rules of Civil Procedure.

The defendant may file with the clerk a counterclaim against the plaintiff in an amount not in excess of ***fifteen hundred*** [~~one thousand~~] dollars ***($1500)*** [~~($1,000)~~] exclusive of interest and costs, if the counterclaim arose out of the same transaction or occurrence that is the subject matter of the plaintiff's claim, and if the counterclaim does not require for its adjudication the presence of third parties over whom the division cannot acquire jurisdiction. Any counterclaim shall be filed with the clerk, and a copy delivered to the plaintiff at least ***seven (7)*** [~~two (2)~~] days prior to the time of the hearing. HB 639, AN ACT relating to child support enforcement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

If a person is in arrears with regard to child support payments and as a result thereof another person receives Aid to Families With Dependent Children (AFDC) payments through the cabinet, the cabinet shall seek a wage assignment for the payment of the arrearage and for current payments for a period of time sufficient to collect the arrearage plus one (1) year.

The Committee Substitute to **HB 639** is as follows:

HB 639, AN ACT relating to child support enforcement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS 403.210 IS REPEALED AND RE-ENACTED TO READ AS FOLLOWS:

The General Assembly recognizes that under the federal "Family Support Act of 1988," P.L. 100-485, the Commonwealth of Kentucky is required to implement child support guidelines.

SECTION 2. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) An action to establish or enforce child support may be initiated by the parent or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in Section 3 of this Act shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined parental income in excess of the Kentucky child support guideline;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in Section 3 of this Act.

(6) The court, in its discretion, may order all or any part of child care costs to be paid by either or both of the parents of the child, and if ordered, shall be in addition to the amount ordered under the child support guidelines.

(7) The court may, in its discretion, order the cost of reasonable health insurance coverage of the child to be paid by either or both parents of the child. However, in proceedings by the Cabinet for Human Resources relating to support payments ordered pursuant to Part D, Title IV of the federal Social Security Act, the discretion of the court shall be limited to the determination of what is reasonable health insurance coverage, including the coverage and the cost.

SECTION 3. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) The following provisions and child support tables shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, social security benefits, worker's compensation benefits, unemployment insurance benefits, disability insurance benefits, gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to Aid to Families with Dependent Children (AFDC), Supplemental Security Income (SSI) and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community.

(e) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(f) "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:

1. The cost of health insurance coverage for the child; and

2. The amount of pre-existing orders of child support to the extent payment is actually made under such orders.

(3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(6) The child support guideline table is as follows:

SECTION 4. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky child support guidelines may be used by the parent or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child but not by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump sum payment, to the extent just and appropriate in the circumstances.

(4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:

(a) The secretary of the Cabinet for Human Resources or a supervisory staff person designated by him;

(b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

(c) Two (2) circuit judges appointed by the Chief Justice of the Kentucky Supreme Court, one (1) from a metropolitan or large urban area, and one (1) from a less populated area;

(d) One (1) district judge appointed by the Chief Justice of the Kentucky Supreme Court;

(e) Two (2) county attorneys appointed by the president of the county attorneys association, one (1) from a metropolitan or large urban area and one (1) from a less populated area; and

(f) The Attorney General or his designee, who shall be an attorney from his office.

(5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

Section 5. KRS 403.250 is amended to read as follows:

(1) Except as otherwise provided in subsection (6) of KRS 403.180, the provisions of any decree respecting maintenance [~~or support~~] may be modified only upon a showing of changed circumstances so substantial and continuing as to make the terms unconscionable. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree, the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

[~~(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child but not by the death of a parent obligated to support the child. When a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump sum payment, to the extent just and appropriate in the circumstances.~~]

Section 6. KRS 403.750 is amended to read as follows:

(1) Following the hearing provided for under KRS 403.740 and 403.745, the court, if it finds, from a preponderance of the evidence, that an act or acts of domestic violence and abuse have occurred and may again occur, may:

(a) Restrain the adverse party from committing further acts of domestic violence and abuse;

(b) Restrain the adverse party from disposing of or damaging any of the property of the parties;

(c) Direct the adverse party to vacate the residence shared by the parties to the action;

(d) Utilizing the criteria set forth in KRS 403.270, 403.320 and 403.420 award temporary custody;

(e) Utilizing the criteria set forth in KRS 403.200 and ***the child support guidelines set forth in Section 3 of this Act,*** [~~403.210~~] award temporary support;

(f) Direct that either or both parties receive counseling services available in the community; or

(g) Enter such other orders as the court believes will be of assistance in eliminating future acts of domestic violence and abuse.

(2) Any order entered pursuant to this section shall be effective for a period of time, fixed by the court, not to exceed one (1) year.

(3) Any order entered pursuant to this section restraining a party or parties to an action shall be issued without bond being required of the petitioner.

Section 7. KRS 403.160 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance or temporary support of a child of the marriage entitled to support. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.

(3) On the basis of the showing made and in conformity with KRS 403.200 and ***the child support guidelines set forth in Section 3 of this Act*** [~~403.210~~], the court may issue a temporary injunction or restraining order and an order for temporary maintenance or support in amounts and on terms just and proper in the circumstances.

(4) A temporary order or temporary injunction:

(a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and

(c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

Section 8. KRS 405.490 is amended to read as follows:

Section 1. KRS 330.020 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Apprentice auctioneer" means any person who is employed, directly or indirectly, by an auctioneer to deal or engage in any activity in subsection (2);

(2) "Auctioneer" means any person who offers, negotiates or attempts to negotiate a listing contract, sale, purchase or exchange of goods, chattels, merchandise, real or personal property, or of any other commodity which may lawfully be kept or offered for sale by or at public auction, or who sells the same at auction;

(3) "Board" means the board of auctioneers;

(4) "Goods" means any chattels, goods, merchandise, real or personal property, or commodities of any form or type which may be lawfully kept or offered for sale;

(5) "Persons" includes individuals, associations, partnerships and corporations, and the word "persons" shall also include the officers, directors and employees of a corporation*;*

(6) "Auction house" means any commercial establishment at which goods are regularly or customarily offered for sale or sold at public auction, or at which goods are customarily or regularly deposited and accepted, on consignment or otherwise, for sale at public auction at a fixed location, except those establishments which limit goods sold to thoroughbred horses or tobacco;

(7) "Auction house operator" means the individual principally or ultimately responsible for the operation of an auction house, or in whose principal interest the establishment is operated.

SECTION 2. A NEW SECTION OF KRS CHAPTER 330 IS CREATED TO READ AS FOLLOWS:

(1) Beginning January 1, 1991, it shall be unlawful for any person to act as an auction house operator, or to assume to act as one within the Commonwealth, without a license issued by the board.

(2) An auction house operator may be, but is not required to be a licensed auctioneer or apprentice auctioneer, unless he acts as one. However the license requirement for an auction house operator is in addition to any license requirement which may be imposed elsewhere in this chapter.

(3) If an auction house operator conducts and operates more than one auction house, only one auction house operator license shall be required of him, but the appropriate license issuance fee, the appropriate license renewal fee, and recovery fund fee shall be imposed for each location.

Section 3. KRS 330.050 is amended to read as follows:

(1) There is hereby created a board of auctioneers. The Governor shall appoint a board consisting of five (5) members, all of whom immediately prior to the date of their appointment have been residents of the Commonwealth of Kentucky for five (5) years, and four (4) whose vocation for a period of at least five (5) years has been that of an auctioneer. One (1) member shall be a citizen at large who is not associated with or financially interested in the practice or business regulated. The term of the members of the board shall be for three (3) years and until their successors are appointed and qualified. Members to fill vacancies shall be appointed for the unexpired term.

(2) At no time shall there be more than three (3) members of the same political faith on the board. Whenever there is a vacancy on the board, the Kentucky Auctioneer Association shall recommend to the Governor at least three (3) names for each auctioneer vacancy and such appointment or appointments shall be made from the recommendations of the association.

(3) The board, immediately upon qualification of the member appointed in each year, shall organize by selecting from its members a chairman.

(4) Each member of the board shall receive the sum of one hundred dollars ($100) per day as full compensation for each day actually spent on the work of the board and his actual and necessary expenses incurred in the performance of duties pertaining to his office.

(5) The board shall have full authority to employ, and discharge, any personnel, including counsel, as it may deem necessary to efficiently administer and enforce the provisions of this chapter, and it shall outline the duties and fix the compensation of such persons, provided that [~~such~~] compensation shall be comparable to the salaries paid other state employees, if any, which the board may deem to be doing similar work. The board shall obtain office space, furniture, stationery and any other proper supplies and conveniences reasonably necessary to carry out the provisions of this chapter. If any items deemed to be reasonably necessary by or which are required by the board are available through vendors under contract with the Commonwealth of Kentucky at less cost than if obtained otherwise, then the items shall be acquired pursuant to the contract. The board shall have full authority to obtain for its members, staff and employees complete insurance coverage, including, but not limited to, liability and errors and omissions insurance, so long as such insurance concerns the business of the board.

(6) All fees and charges collected by the board under the provisions of this chapter shall be paid into

the State Treasury through the Finance and Administration Cabinet and shall be credited to an agency-fund account for the Board of Auctioneers under the provisions of KRS 45.253 and shall be withdrawn or expended as provided in that section, if such payment, credit, withdrawal or expense provisions do not conflict with any provision of this chapter. The total expenses for all purposes and obligations of the board shall not exceed the total fees, charges, fines, penalties, and other income imposed under the provisions of this chapter and paid into the state treasury. The board shall be financially self-sustaining, and if funds permit it may underwrite, within its financial limitations, educational programs for the enlightenment and benefit of all auctioneers and apprentice auctioneers who have paid fees pursuant to this chapter.

(7) The board shall annually publish a list of the names and addresses of all auctioneers, [~~and~~] apprentice auctioneers ***and auction house operators*** licensed by it pursuant to this chapter. This list shall also contain the names of all persons whose licenses have been suspended or revoked within the preceding year, as well as any other information relative to the enforcement of the provisions of this chapter that the board may deem of interest to the public.

(8) The board may from time to time promulgate necessary ***administrative*** [~~rules and~~] regulations.

Section 4. KRS 330.060 is amended to read as follows:

(1) Auctioneer, [~~and~~] apprentice auctioneer ***and auction house operator*** licenses shall be granted only to persons who are found to be of good repute, trustworthy and competent to transact the business of an auctioneer***, an*** [~~or of any~~] apprentice auctioneer ***or an auction house operator*** in such a manner as to safeguard the interest of the public.

(2) The board is authorized to require information from every applicant to determine the applicant's honesty and truthfulness.

(3) In addition to proof of honesty, truthfulness and good reputation, an examination, conducted by the board or its authorized representative shall be held four (4) times each year, and an examination fee of seventy-five dollars ($75) shall be collected from each applicant for apprentice auctioneer and an examination fee of one hundred dollars ($100) shall be collected from each applicant for auctioneer ***and from each applicant for auction house operator***. Examination fees shall be nonrefundable and shall defray the expenses of processing the application and of conducting the examination. The ***examinations for auctioneer and apprentice auctioneer*** [~~examination~~] shall include questions on ethics, reading, writing, spelling, elementary arithmetic, elementary principles of land economics and a general knowledge of the statutes of Kentucky relating to the bulk sales law, deeds, mortgages, contracts of sale, agency, leases, auctions, brokerage and the provisions of this chapter. The examination for an auctioneer's license shall be of a more exacting nature and scope than the examination for an apprentice auctioneer. ***The examination for auction house operator license shall include those areas of knowledge which, in the discretion of the board, are appropriate to those seeking to operate auction houses.***

(4) However, no examination shall be required for the renewal of any present or future license, unless such license has been revoked, suspended or is allowed to expire without renewal. In any of these cases, the board may, in its discretion, require the applicant to take and pass the written examination before a new license may be issued.

(5) The provisions of subsection (3) of this section requiring applicants to pass a written examination to obtain a license shall not apply to an auctioneer or apprentice auctioneer furnishing satisfactory proof to the board that he actively engaged in the auction business for a period of at least one (1) year prior to June 14, 1962, and that he has been the principal auctioneer in at least five (5) auctions of either real or personal property during this period of time. Such an applicant shall file his application and proof with the board no later than October 1, 1962, and the application and proof shall be accompanied by a bond and license fee in accordance with the provisions of this chapter; provided, however, that a nonresident tobacco auctioneer may qualify by December 1, 1962.

(6) The provisions of subsection (3) of this section requiring applicants for auction house operator to pass a written examination shall not apply to an auction house operator furnishing satisfactory proof to the board that he was actively engaged as an auction house operator at a fixed location for a period of at least two (2) years prior to January 1, 1991, at which at least twenty (20) auction sales were conducted during that period. Such an applicant shall file his application and proof with the board no later than February 1, 1991.

Section 5. KRS 330.070 is amended to read as follows:

(1) In addition to the other qualifications provided for by this chapter, every applicant for an auctioneer's license ***or an auction house operator's license*** shall be at least eighteen (18) years of age. In addition, but subject to the provisions of KRS 330.090, an applicant ***for an auctioneer's license*** shall possess a current

Kentucky apprentice auctioneer's license and shall have served a bona fide apprenticeship for a period of one (1) year as an apprentice auctioneer in Kentucky. An applicant for an auctioneer's license who has previously held an auctioneer's license which has been revoked, suspended or which has expired without renewal may request, and the board may grant, a waiver of the requirement of possession of a current apprentice license. In addition, effective on and after January 1, 1985, every applicant for auctioneer's license shall have been the recipient of an accredited high school diploma or the equivalent. Every application for a license, whether as an auctioneer***,*** [~~or~~] apprentice auctioneer, ***or auction house operator,*** shall be submitted on forms prepared by the board.

(2) Every applicant for ***any license issued under this chapter*** [~~an apprentice auctioneer's license~~] shall be at least eighteen (18) years of age. In addition to other requirements imposed by this chapter, the applicant shall furnish pertinent background data as outlined on the application forms furnished by the board.

(3) The issuance fee for each auctioneer's***,*** [~~and~~] apprentice auctioneer's ***and auction house operator's*** license shall be not more than fifty dollars ($50) and the annual renewal fee for each license shall be not more than fifty dollars ($50). All licenses shall expire on June thirtieth of each year. In the absence of any reason or condition which might warrant the refusal of the renewing of the license, and upon ***timely*** receipt of the written request of the applicant and the annual fee therefor, the board shall issue a new license for each ensuing year.

(4) The board shall prepare and deliver to each licensee a license certificate and pocket card. The certificate shall be displayed conspicuously at all times in the office of the licensee. The certificate and pocket card of the apprentice auctioneer shall contain the name and address of the auctioneer under whose supervision he is employed.

(5) When any apprentice auctioneer is discharged or terminates his employment with the auctioneer for any reason, it shall be the immediate duty of the auctioneer to deliver or mail by certified mail, return receipt requested to the board the license of the apprentice auctioneer. It shall be unlawful for any apprentice auctioneer to perform any of the acts contemplated by this chapter either directly or indirectly, under authority of his license, until the apprentice auctioneer receives a new license bearing the name and address of his new employer. No more than one (1) license shall be issued to any apprentice auctioneer for the same period of time.

(6) Notice in writing shall be given to the board by each licensee of any change of principal business location or of residence address within ten (10) days of such change. In the event of change of business location address the board shall issue a new license for the unexpired period. A change of business location without notification to the board within ten (10) days shall automatically suspend or revoke the license of such licensee, as may be ordered in the discretion of the board. Changing a business location or a residence location on its records shall entitle the board to collect three dollars ($3).

Section 6. KRS 330.090 is amended to read as follows:

(1) A nonresident may become an auctioneer or apprentice auctioneer by conforming to all the conditions of this chapter.

(2) In every instance the nonresident ***shall*** [~~must~~] pay the issuance fee, the annual renewal fee and file the bond required by this chapter.

(3) In addition, every nonresident applicant shall file an irrevocable consent that actions may be commenced against the applicant in any court of competent jurisdiction in the Commonwealth, by the service of any summons, process or pleadings authorized by law on the secretary of the board. The consent shall stipulate and agree that the service of such process, summons or pleadings on the secretary shall be taken and held in all courts to be as valid and binding as if actual service had been made upon the applicant in Kentucky. In case any summons, process or pleadings are served upon the secretary of the board, it shall be by duplicate copies, one of which shall be retained in the office of the board, and the other immediately forwarded by certified mail, return receipt requested to the last known business address of the applicant against which the summons, process or pleadings may be directed.

(4) In the event a nonresident applicant for principal auctioneer's license should reside in a state which does not prescribe qualifications for licensing as set out in KRS 330.095, the board may waive the apprenticeship requirement set out in KRS 330.070(1) provided that said nonresident non-reciprocal applicant resides so far away as to prevent his serving a bona fide apprenticeship under a licensed Kentucky auctioneer, and further provided that such applicant must exhibit to the board by affidavit or by other evidence as required by it that his experience and competency are sufficient to qualify him to take the examination for principal auctioneer.

(5) Any applicant for an auction house operator's license shall be a resident of the Commonwealth of Kentucky.

Section 7. KRS 330.095 is amended to read as follows:

Any nonresident applicant who is a licensed auctioneer or apprentice auctioneer in and who resides in another state or country where the qualifications prescribed at the time of licensing were, in the opinion of the board, equal to those prescribed in the Commonwealth of Kentucky at the date of application, and where reciprocal licensing privileges satisfactory to the board are granted to licensees and residents of the Commonwealth, may be granted a license without an examination. A fee of one hundred dollars ($100) in addition to the fees set out in KRS 330.090 shall be collected from each applicant meeting the above requirements. ***No auction house operator's license shall be obtained through reciprocity.***

Section 8. KRS 330.100 is amended to read as follows:

(1) Every auctioneer licensed under this chapter shall maintain a definite place of business in the Commonwealth, except as hereinafter provided, and shall erect and maintain a sign in a conspicuous place on the premises at or near the outside entrance to the principal office and all branch offices. The sign shall be written in clear and legible letters of not less than two (2) inches in height, and shall clearly show his name and indicate that he is an auctioneer. The sign shall be placed so that it can easily be observed and read by anyone entering the place of business; provided, however, that if the auctioneer is a nonresident, it is not necessary for him to maintain an active place of business in the Commonwealth if he maintains a place of business in the state where he was originally licensed.

(2) Every auction house operator licensed under this chapter shall maintain a definite place of business in the Commonwealth, and shall erect and maintain a sign in a conspicuous place on the premises at or near the outside entrance to all fixed locations. The sign shall be written in clear and legible letters of not less than two (2) inches in height, and shall contain the name of the auction house operator, the fact that he is licensed, and the name of the auction house, if different than the name of the operator. The sign shall be placed so that it can easily be observed and read by anyone entering the auction house.

Section 9. KRS 330.110 is amended to read as follows:

The board may suspend or revoke the license of an auctioneer***,*** [~~or~~] apprentice auctioneer ***or auction house operator*** for ***violating any of the provisions of this chapter, or for*** any of the following causes:

(1) Obtaining a license through false or fraudulent representation;

(2) Making any substantial misrepresentation;

(3) Pursuing a continued and flagrant course of misrepresentation or making false promises through agents or advertising or otherwise;

(4) Accepting valuable consideration as an apprentice auctioneer for the performance of any of the acts specified in this chapter, from any person, except his employer auctioneer;

(5) Failing to account for or remit, within a reasonable time, any money belonging to others that comes into his possession, commingling funds of others with his own, or failing to keep such funds of others in an escrow or trustee account;

(6) Paying valuable consideration to any person for services performed in violation of this chapter***, or procuring, permitting, aiding, or abetting any unlicensed person acting in violation of any of the provisions of this chapter***;

(7) Being convicted in a court of competent jurisdiction of this or any other state of a criminal offense involving moral turpitude or a felony;

(8) Violation of any ***administrative*** [~~rule or~~] regulation promulgated by the board;

(9) Failure to furnish voluntarily at the time of execution, copies of all written instruments prepared by the auctioneer***,*** [~~or~~] apprentice auctioneer ***or auction house operator***;

(10) Any conduct of ***a licensee*** [~~an auctioneer~~] which demonstrates bad faith, dishonesty, incompetency or untruthfulness;

(11) Any other conduct that constitutes improper, fraudulent***,*** [~~or~~] dishonest ***or negligent*** dealings;

(12) Failing prior to the sale at public auction or prior to publicly advertising any goods for sale or offering any goods for sale to enter into a written contract with the owner or consignee of any property to be sold, containing the terms and conditions upon which ***the*** [~~such~~] licensee receives the property for sale.

SECTION 10. A NEW SECTION OF KRS CHAPTER 330 IS CREATED TO READ AS FOLLOWS:

(1) No auction shall be advertised as "absolute" nor shall any advertising contain the words "absolute auction" or the word "absolute" or words with similar meaning nor shall any licensee offer or sell any goods unless:

(a) There are no liens or encumbrances on the goods, except current tax obligations, easements, or restrictions of record, in favor of any person, firm, or corporation other than the seller, or unless each and every holder of each and every lien and encumbrance, by execution of the auction listing contract, or otherwise furnishing to the auctioneer written evidence of a binding commitment therefor, shall have agreed to the unqualified acceptance of the highest bid for the property, without regard to the amount of the highest bid or the identity of the high bidder; or, alternatively, that a financially responsible person, firm, or corporation, by execution of the auction listing contract or by otherwise furnishing to the auctioneer written evidence of a binding commitment therefor, shall have absolutely guaranteed the forthwith and complete discharge and satisfaction of any and all liens and encumbrances immediately after the sale or at the closing, without regard to the amount of the highest bid received, or the identity of the high bidder; and

(b) There is the bona fide intention at the time of the advertising and at the time of the auction sale, to transfer ownership of the goods, regardless of the amount of the highest and last bid, to the high bidder, that intent existing without reliance on any agreement that any particular bid or bid level must be made or be reached, below which level the goods would not be transferred to the high bidder; and

(c) The auction listing contract contains a binding requirement that the sale be conducted without reserve, by specific inclusion of an acknowledgement by the seller that the seller, or anyone acting upon behalf of the seller, shall not bid at the absolute auction, or otherwise participate in the bidding process.

(2) Compliance with subsection (1) of this section shall not prohibit:

(a) A secured party or other lienholder who is not the seller from bidding at an absolute auction sale, providing that such bidding does not constitute, nor is it tantamount to the direct or indirect establishment or agreement to the establishment of a reserve price on the goods by the seller or by the auctioneer, or by anyone aiding or assisting, or acting upon behalf of, the seller or the auctioneer; or

(b) Any individual party to the dissolution of any marriage, partnership, or corporation from bidding as an individual entity apart from the selling entity, on goods being sold at auction pursuant to that dissolution; or

(c) The inclusion of non-misleading advertising of certain goods to be sold at "absolute auction" and the non-misleading advertising of certain goods to be sold at auction with reserve, within the same advertisement, or for sale at the same date and place, providing that advertisement shall make clearly apparent through equal or appropriate emphasis, which goods are being sold by each method.

(3) Any auction sale is, without requirement of announcement at any time, presumed to be with reserve unless the goods are in explicit terms put up at absolute auction. An auction without reserve means an absolute auction. An auction with reserve means the goods may be put up subject to the seller's confirmation or subject to a certain reserve price.

(4) (a) The provisions of this chapter shall not prohibit any licensee from bona fide bidding on his own behalf at any auction sale, whether absolute or with reserve, provided that his option to do so shall have been fully disclosed, including disclosure to the seller.

(b) Except as provided in subsection (2) of this section, the seller may not bid at an absolute auction, nor may anyone bid upon his behalf. No licensee shall knowingly receive such a bid by or on behalf of the seller at an absolute auction.

(c) Bids may be made by the seller, or upon the seller's behalf, at any auction with reserve, provided that full disclosure has been made that liberty for such bidding is retained. No licensee shall knowingly receive such a bid in the absence of full disclosure.

Section 11. KRS 330.120 is amended to read as follows:

The board may upon its own motion, and shall upon the verified written complaint of any person, investigate the actions of any auctioneer, [~~or~~] apprentice auctioneer, ***or auction house operator,*** or any person who assumes to act in ***any of those capacities*** [~~either capacity~~], if the complaint, or complaint together with other evidence presented in connection with it, makes out a prima facie case of a violation of this chapter.

Section 12. KRS 330.170 is amended to read as follows:

(1) Any auctioneer, [~~or~~] apprentice auctioneer ***or auction house operator*** who has had his license revoked shall not be issued another license for a period of five (5) years from the date of revocation.

(2) The revocation of an auctioneer's license shall automatically suspend every apprentice auctioneer's license granted to any person by virtue of his employment by the auctioneer whose license has been revoked. The apprentice auctioneer may retain his license, by transferring to the employment of another licensed auctioneer within thirty (30) days.

Section 13. KRS 330.180 is amended to read as follows:

The board shall adopt a seal by which it shall authenticate its proceedings. Copies of all records and papers in the office of the board, duly certified and authenticated by the seal of the board, shall be received in evidence in all courts equally and with like effect as the original. ***Public inspection of*** all records kept in the office of the board under the authority of this chapter shall be ***as permitted by applicable provisions relating to open records, and under guidelines as shall be prescribed by the board pursuant to those provisions*** [~~open to public inspection under such rules and regulations as shall be prescribed by the board~~].

Section 14. KRS 330.190 is amended to read as follows:

(1) No person, engaged in the business of or acting in the capacity of an auctioneer***,*** [~~or an~~] apprentice auctioneer ***or auction house operator*** shall bring or maintain any action in the courts of the Commonwealth for the collection of compensation for any services performed as an auctioneer***,*** [~~or~~] apprentice auctioneer ***or auction house operator*** without first alleging and proving that he was a duly licensed auctioneer***,*** [~~or~~] apprentice auctioneer ***or auction house operator*** at the time the alleged cause of action arose.

(2) No apprentice auctioneer shall have the right to institute a suit in his own name for the recovery of a commission, fee or compensation for services as an apprentice auctioneer, but any such act shall be instituted and brought by the licensed auctioneer employing ***an*** [~~such~~] apprentice auctioneer; provided, however, that this subsection shall not be construed so as to prevent a licensed apprentice auctioneer from suing his employing auctioneer for any compensation, fees or commissions due him from ***an*** [~~such~~] auctioneer.

Section 15. KRS 330.192 is amended to read as follows:

(1) (a) There is hereby created and established in the State Treasury the Auctioneer's Education, Research and Recovery Fund.

(b) In addition to the license fees provided for in KRS 330.070, upon renewal of every apprentice or principal auctioneer's license***, and every auction house operator's license*** as of July 15, 1982 and every regular annual renewal date thereafter, the board shall charge [~~each and~~] every licensee an amount not to exceed thirty dollars ($30) per year to be included in the Auctioneer's Education, Research and Recovery Fund. [~~Each and~~] Every original applicant for apprentice or principal auctioneer's license***, and every applicant for an auction house operator's license*** on and after July 15, 1982 shall likewise submit to the board an additional fee of thirty dollars ($30) to be deposited in the Auctioneer's Education, Research and Recovery Fund and shall also be subjected thereafter to an annual renewal fee as of the regular renewal date.

(c) In addition to the license fees provided for in KRS 330.070, the board, based upon its own discretion as to need, may assess each licensee upon renewal an amount equal to or less than thirty dollars ($30) per year, or nothing, but not more. Each original applicant ***shall*** [~~must~~] pay the original amount of thirty dollars ($30), but upon renewal ***shall*** [~~will~~] pay the same fee as other licensees.

(2) The purposes of the Auctioneer's Education, Research and Recovery Fund shall be as follows:

(a) When a licensee has been duly found guilty of violating any one (1) or more of the provisions of KRS 330.110, or any one (1) or more of the ***administrative*** [~~rules and~~] regulations duly promulgated by the board, and upon the conclusion of a final order entered by the board or by the courts, if appealed, the board is authorized to pay to the aggrieved person or persons an aggregate amount not to exceed twenty thousand dollars ($20,000) against any one (1) licensee, provided that the licensee has refused to pay such claim within a period of twenty (20) days of entry of a final order and provided further that the amount or amounts of money in question are certain and liquidated.

(b) The board shall maintain a minimum level of two hundred thousand dollars ($200,000) for recovery and guaranty purposes. These funds may be invested and reinvested in the same manner as funds of the state employes' retirement system and the interest from said investments shall be deposited to the credit of the research and recovery fund, or, in the discretion of the board, to the agency fund account as set out in KRS 330.050(6). Sufficient liquidity, however, will be maintained so that there will be money available to satisfy any and all claims which may be processed through the board by means of administrative hearing as outlined in this chapter.

(c) The board, in its discretion, may use any [~~and all~~] funds in excess of the two hundred thousand dollar ($200,000) level, regardless of whether it is from the Auctioneer's Education, Research and Recovery Fund fees or accrued interest thereon, for any [~~or all~~] of the following purposes:

1. To carry out the advancement of education and research in the auction field for the benefit of those licensed under the provisions of this chapter and the improvement and making even more efficient the auction industry as such;

2. To underwrite educational seminars, caravans and other forms of educational projects for the use and benefit generally of auctioneer licensees;

3. To establish an auction chair or courses at Kentucky state institutions of higher learning for the purpose of making such courses available to licensees and the general public who may seek same on a college or university level;

4. To contract for a particular research project in the auction field for the Commonwealth of Kentucky;

5. To sponsor, contract for and to underwrite any and all other educational and research projects of a similar nature having to do with the advancement of the auction field in Kentucky;

6. To cooperate with associations of auctioneers and any [~~and all~~] other groups for the enlightenment and advancement of the auctioneer licensees of Kentucky; and

7. To increase the level of the Auctioneer's Education, Research and Recovery Fund above two hundred thousand dollars ($200,000);

8. To augment the regular trust and agency account of the board.

(3) (a) In the event that a licensee is found guilty of one (1) or more provisions of KRS 330.110 or ***of violating*** one (1) or more ***of the administrative*** [~~rules and~~] regulations of the board, and if the amount of the money lost by the aggrieved party or parties is in dispute or cannot be determined accurately, then the amount of damages shall be determined by a circuit court in the county where the alleged violation took place, provided that the board has previously determined that a violation of the license laws or ***of the administrative*** [~~rules and~~] regulations has occurred and a final order has been entered.

(b) If such an order has been entered and the [~~auctioneer~~] license rights of the licensee have been finally adjudicated, then the local circuit court shall make a finding as to the monetary damages growing out of the aforesaid violation or violations.

(c) When a final order has been entered by the Circuit Court, [~~or~~] Court of Appeals ***or Supreme Court***, and upon certification to the board, the aggrieved party or parties shall be paid such amount or amounts in the aggregate not to exceed twenty thousand dollars ($20,000) by the board, and the [~~auctioneer's~~] license held by the licensee against whom the claim was made by the aggrieved party shall be suspended at least until such time as the licensee has reimbursed the Auctioneer's Education, Research and Recovery Fund for all amounts paid to the aggrieved party due to the violation of the licensee.

(d) When, upon the final order of the court, the board has paid from the Auctioneer's Education, Research and Recovery Fund any sum to the aggrieved party, the board shall be subrogated to all of the rights of the aggrieved party to the extent of the payment and the aggrieved party shall to the extent of the payment assign his right, title and interest in the judgment to the commission.

(e) Any funds in excess of the two hundred thousand dollar ($200,000) level and which are not being currently used, may be invested and reinvested as set forth in subsection (2)(b) of this section, or, in the discretion of the board, may be utilized for any of the purposes enumerated in subsection (2)(c) of this section.

(h) No claims shall be approved under this section for amounts which, in the aggregate, exceed the maximum payable on account of any one (1) licensee in effect at the time of the act or acts of the licensee giving rise to the claims, except to the extent of said maximum. Statutory increases in the maximum set out in this section do not apply retroactively.

(4) All categories of licensees under this chapter, including auctioneers, apprentice auctioneers, and

(5) This section is not intended to substitute for, circumvent, or duplicate other remedies existing at law or otherwise for claimants or potential claimants, but constitutes a last resort for aggrieved persons who would not, but for the provisions of this section, be able to recover their losses by any other means available. The board shall have full discretion to require that claimants exhaust all other remedies prior to proceeding under this section, including, but not limited to, the remedy of obtaining a judgment by all diligent and appropriate means.

Section 16. KRS 330.200 is amended to read as follows:

Section 2. KRS 161.420 is amended to read as follows:

All of the assets of the retirement system are for the exclusive purpose of providing benefits to members and annuitants and defraying reasonable expenses of administering the system. The board of trustees shall be the trustee of all funds of the system and shall have full power and responsibility for administering the funds. It is hereby declared that the restrictions and rights provided herein shall not be subject to reduction or impairment by alteration, amendment or appeal. All the assets of the retirement system shall be credited according to the purpose for which they are held to one (1) of the following funds:

(1) The expense fund shall consist of the funds set aside from year to year by the board of trustees to defray the expenses of the administration of the retirement system. Each fiscal year an amount not greater than four percent (4%) of the receipts of the state accumulation fund shall be set aside into the expense fund or expended for the administration of the retirement system;

(2) The teachers' savings fund shall consist of the contributions paid by members of the retirement system into this fund and regular interest assigned by the board of trustees from the guarantee fund. The accumulated contributions of a member returned to him upon his withdrawal or paid to his estate or designated beneficiary in the event of his death shall be paid from the teachers' savings fund. Any accumulated contributions forfeited by a failure of a teacher or his estate to claim ***these contributions*** [~~the same~~] shall be transferred from the teachers' savings fund to the guarantee fund. The accumulated contributions of a member shall be transferred from the teachers' savings fund to the allowance reserve fund in the event of retirement by reason of service or disability;

(3) The state accumulation fund shall consist of funds appropriated by the state for the purpose of providing annuities, ***survivor benefits, and death benefits,*** including any sums appropriated for meeting unfunded liabilities, excluding money assigned to the expense fund, together with regular interest assigned by the board of trustees from the guarantee fund. At the time of retirement ***or death*** of a member [~~by reason of service or disability~~] there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance ***and provide for benefits under KRS 161.520, 161.525, and 161.655***;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances ***and benefits provided under KRS 161.520, 161.525 and 161.655. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member***;

(5) The [~~survivor, death and~~] medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS [~~161.520, 161.525, 161.655 and~~] 161.675. One and ***five tenths percent (1.5%)*** [~~eighty-one hundredths percent (1.81%)~~] of the gross annual payroll of all members shall be deposited to this fund. One-half (1/2) of this amount shall derive from member contributions and one-half (1/2) from state appropriation. [~~In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, the state accumulation fund, and the allowance reserve fund, such amounts as may be held in those funds for the account or benefit of the member.~~] All claims for benefits under KRS [~~161.520, 161.525, 161.655 and~~] 161.675 shall be paid from this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to ***these*** [~~such~~] funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at the beginning of a fiscal year, transfer from the guarantee fund to the [~~survivor, death and~~] medical insurance fund an amount not to exceed two percent (2%) of the income earned from investments during the immediate past year.

Section 3. KRS 161.440 is amended to read as follows:

At the end of each fiscal year the board of trustees shall assign from the guarantee fund interest at the rate of three percent (3%) to the teachers' savings fund, the state accumulation fund and the allowance reserve fund, and, effective July 1, 1978, interest at a rate of interest not to exceed the average yield on fixed income security investments for the immediate past year to the [~~survivor, death and~~] medical insurance fund. The amounts so allowed shall be due and payable to the funds and shall be annually credited thereto by the board of trustees from interest and other earnings on money of the retirement system.

Section 4. KRS 161.470 is amended to read as follows:

(1) The membership of the retirement system shall consist of all new ***members*** [~~teachers~~], all present teachers and all persons participating under the retirement system as of June 30, 1986, except as provided in Acts 1938 (1st Ex. Sess.), ch. 1, paragraph 29. The Board of Trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership. [~~No person without previous Kentucky service who was age sixty-five (65) or older on July 1, next preceding employment, may become a member of the Teachers' Retirement System.~~]

(2) Service credit shall be forfeited upon withdrawal. If a ***member*** [~~teacher~~] again enters service it shall be as a new ***member*** [~~teacher~~], except that any teacher who withdraws by claiming his deposits may repay the system the amount withdrawn plus interest and re-establish his service credit as provided in subsection (3) of this section.

(3) Effective July 1, 1988, and thereafter, an active contributing member of the retirement system with contributing service equal to one (1) year may regain [~~such~~] service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit.

(4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. Sess.), ch. 1, paragraph 29, may secure service credit for prior service, and for any subsequent service prior to date of membership, by depositing in the teachers' savings fund contributions for each year of subsequent service prior to date of membership, with interest at the rate of eight percent (8%) compounded annually to the date of deposit.

(5) Membership in the retirement system shall be terminated:

(a) By retirement for service;

(b) By death;

(c) By withdrawal of the member's accumulated contributions; or

(d) When a ***member*** [~~teacher~~], having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years.

Upon termination of member accounts under this subsection, funds in the account shall be transferred to the guarantee fund. Inactive members may apply for refunds of ***these*** [~~such~~] funds at any time. ***The*** [~~Such~~] terminated service shall be reinstated, if not withdrawn by the member, in the event that the ***member*** [~~teacher~~] returns to active contributing service.

(6) In case of withdrawal from service prior to eligibility for retirement, the board of trustees shall on request of the ***member*** [~~teacher~~] return all of his accumulated contributions with regular interest, including any payments made by the ***member*** [~~teacher~~] to the state accumulation fund, but the ***member*** [~~teacher~~] shall have no claim on any contributions made by the state with a view to his retirement or to contributions made to the [~~survivor, death and~~] medical insurance fund. If the member is eligible for an immediate service retirement allowance as provided in KRS 161.600 no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for social security benefits or the member elects to withdraw part or all of his service for the purpose of obtaining credit in another retirement plan. Requests for refund of contributions by the member must be filed on forms prescribed by the Teachers' Retirement System and the employer shall be financially responsible for all information that is certified on the prescribed form. ***Requests for a refund of contributions shall also include certification that the school board acted upon and approved the member's termination of employment.***

(7) Except as provided in KRS 161.520 and 161.525, in case of death prior to retirement the board of trustees shall pay to the estate of the deceased member or to his assigns all of his accumulated contributions, with regular interest, including any payments made by the ***member*** [~~teacher~~] to the state accumulation fund, but the estate or assigns shall have no claim on any contributions made by the state with a view to the retirement of the ***member*** [~~teacher~~] or to contributions made to the [~~survivor, death and~~] medical insurance fund.

(8) Any active contributing member of the Kentucky Employees Retirement System, the County Employees Retirement System, the state police retirement system, or the judicial retirement system may use service, under ***that*** [~~such~~] retirement system for the purpose of meeting the service requirement of subsections (3) and (4) of this section.

Section 5. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the Teachers' Retirement System may receive credit for active service rendered in the armed forces of the United States, subject to regulations established by the board of trustees. ***Military*** [~~Such~~] service may be credited only if discharge was other than dishonorable. Service shall be considered as Kentucky teaching service, except that it may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). A maximum of six (6) years of ***military*** [~~such~~] service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) ***No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.***

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on ***this military*** [~~such~~] service, may not receive credit for any ***military*** [~~such~~] service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and ***after this date*** [~~thereafter~~].

(4)[~~(3)~~] A member receiving retirement credit for active duty in the armed services of the United States shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service so credited. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the survivor, death and medical insurance fund. ***These*** [~~Such~~] contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting ***this*** [~~such~~] service.

Section 6. KRS 161.515 is amended to read as follows:

(1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position, which would be covered if in Kentucky.

(2) (a) A member in active contributing status who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit, service rendered out of state, not to exceed ten (10) [~~such~~] years actually taught as a certified or licensed teacher. With the exception of university faculty members, all members who elect to purchase ***this*** [~~such~~] service shall pay to the retirement system an amount equal to the current member contribution rate based on the first Kentucky salary of the member subsequent to the out-of-state service, provided ***this*** [~~such~~] service was rendered after January 1, 1984. In the event ***this*** [~~such~~] service was rendered prior to January 1, 1984, the contribution rate shall be seven and eighty-four hundredths percent (7.84%). University faculty members shall pay on a contribution rate of seven and eighty-four hundredths percent (7.84%) based on the first Kentucky salary subsequent to the out-of-state service, regardless of when the service was rendered. In addition, all members shall pay interest on the contributions for ***this*** [~~such~~] service at a rate to be set by the board of trustees on each annual contribution from the last day of the scholastic year in which the service was rendered to date of payment to the retirement system. ***The*** [~~Such~~] payments shall not be picked up as described in KRS 161.540(2). For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. ***This*** [~~Such~~] credit may not be used to meet the service requirements of KRS 161.525, 161.600 or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds;

(b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the state of Kentucky may present ***this*** [~~such~~] service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no [~~such~~] service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by ***a*** [~~such~~] public institution or governmental agency. ***This*** [~~Such~~] service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit; and

(c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use ***this*** [~~such~~] service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of ***eight percent (8%)*** [~~seven and eighty-four hundredths percent (7.84%)~~] for each year so used. ***These*** [~~Such~~] payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and ***after this date*** [~~thereafter~~], shall not receive credit for service defined in subsections (2)(a) and (2)(c) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.

Section 7. KRS 161.520 is amended to read as follows:

Upon death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

(1) Where there is a surviving widow or widower who is named as beneficiary of the member's retirement account, the benefit shall be:

(a) One hundred eighty dollars ($180) per month with no restriction on other income;

(b) Two hundred twenty dollars ($220) per month when the surviving widow or widower's total income from all sources does not exceed six thousand dollars ($6,000) per year or five hundred dollars ($500) per month; or

(c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.600(1). In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life except ***as provided in subsection (6) of this section*** [~~that eligibility for this benefit shall cease upon remarriage~~]. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision.

(2) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be one hundred eighty dollars ($180) per month in the case of one (1) [~~such~~] child, three hundred ten dollars ($310) per month in the case of two (2) [~~such~~] children, three hundred sixty dollars ($360) per month in the case of three (3) [~~such~~] children, and four hundred dollars ($400) per month in the case of four (4) or more [~~such~~] children. Benefits under this subsection shall apply ***in addition to*** [~~notwithstanding~~] benefits which may be payable under subsections (1) and (3) of this section.

(3) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars ($200) per month, payable for the life of ***the*** [~~such~~] child or until ***the*** [~~such~~] time as the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection and subsection (2) of this section shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one year prior to the death of the member. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(12). Benefits under this subsection shall apply ***in addition to*** [~~notwithstanding~~] benefits which may be payable under subsections (1) and (2) of this section [~~and shall be in addition to such benefits~~].

(4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars ($200) per month for one (1) parent or two hundred ninety dollars ($290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member.

(5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars ($165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home or other institution at the member's expense for a like period.

(6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19) if a full-time student in high school or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency.

(7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating thereto, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems ***this*** [~~such~~] action necessary.

(8) No payments of benefits shall be made unless the board of trustees shall have authorized ***the*** [~~such~~] payments. The board shall formulate and adopt necessary administrative regulations for the administration of the foregoing provisions and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable.

(9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, the board of trustees shall pay to the estate or assigns of the deceased member a refund of his accumulated contributions as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated contributions at the time of death, the board of trustees shall pay to the estate or assigns of the deceased member the balance of ***the*** [~~such~~] accumulated contributions.

(10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits.

Section 8. KRS 161.522 is amended to read as follows:

Upon the death of a member retired for disability who had a minimum of ***twenty-seven (27)*** [~~thirty (30)~~] years of service prior to retiring for disability, except as provided in KRS 161.661(6), the spouse, if named as the beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided under KRS 161.520, an annuity actuarially equivalent to the annuity that would have been paid to the member had retirement for service been effective on the day the member retired for disability. In selecting this right, the spouse shall be limited to selecting an option providing a straight life annuity with refundable balance. There shall be a monthly minimum allowance of three hundred dollars ($300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, ***1988*** [~~1984~~], and to surviving spouses of members who die on or after July 1, 1984.

Section 9. KRS 161.525 is amended to read as follows:

(1) Upon death of a member in active contributing status at the time of death, who was eligible to retire by reason of service, the spouse, if named as beneficiary of the member's retirement account or in the absence of an eligible spouse a legal dependent of ***the*** [~~said~~] member, if named as beneficiary, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided in KRS 161.520, an annuity actuarially equivalent at the attained age of the beneficiary to the annuity that would have been paid to the deceased member had retirement been effective on the day immediately preceding the member's death. Under the provisions of KRS 61.680, benefits shall be processed as if the member retired for service. In exercising this right the spouse or legal dependent shall be limited to selecting an option providing either a straight life annuity with refundable balance or ten (10) years certain payment. A spouse may receive the annuity provided herein at the same time as children are qualifying for survivors' benefits under the provisions of KRS 161.520, however, a legal dependent, other than a spouse, may not receive ***these*** [~~such~~] payments if children have qualified for benefits under that section.

(2) A spouse or legal dependent qualifying for an annuity under subsection (1) of this section may defer ***the*** [~~such~~] payments in order to reduce the actuarial discounts to be applied due to age.

(3) Upon death of a member in active contributing status at the time of his death, who had a minimum of ***twenty-seven (27)*** [~~thirty (30)~~] years of service, the spouse, if named as the beneficiary of the member's account shall be entitled to a monthly minimum allowance of three hundred dollars ($300) as the basic straight life annuity. This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986.

Section 10. KRS 161.545 is amended to read as follows:

[~~(1)~~] Members may make contributions and receive service credit for substitute, part-time or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees. Members placed on leave of absence may make contributions and receive service credit for ***this*** [~~such~~] leave as provided in administrative regulations adopted by the board of trustees. For purposes of implementing the change in the value of a year of service, the board of trustees shall establish by administrative regulation, the value of services performed during the 1983-84 fiscal year but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%); and

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than ***two hundred ten dollars ($210)*** [~~one hundred~~

~~ninety dollars ($190)~~] effective July 1, ***1990*** [~~1988~~], and two hundred ***twenty*** dollars ***($220)*** [~~($200)~~] effective July 1, ***1991*** [~~1989~~], multiplied by the service credit years of the ***member*** [~~teacher, except that no retired teacher who was sixty (60) years of age or older at retirement, and who has five (5) years or more service credit in a position covered by the Teachers' Retirement System shall receive a monthly benefit of less than seventy-five dollars ($75)~~]. ***These*** [~~The above~~] minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection. Eligibility for the benefits provided under this subsection shall be determined after applying any other cost-of-living adjustments provided by statute to the June, ***1990*** [~~1986~~] and June, ***1991*** [~~1987~~] annuity payment of the member.

(4) The minimum provided in this section shall apply in the case of ***members*** [~~teachers~~] retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the ***member*** [~~teacher~~] and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

(5) Effective July 1, ***1990*** [~~1988~~], the monthly allowance of each member retired on or before July 1, ***1989*** [~~1987~~], and each recipient of a retirement option of ***the*** [~~such~~] retired ***member*** [~~members~~] shall be increased in the amount of ***four*** [~~two~~] percent ***(4%)*** [~~(2%)~~] of the monthly allowance. (7) Effective July 1, ***1990*** [~~1980~~], monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental ***or physical*** condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of ***the*** [~~such~~] child or until ***the*** [~~such~~] time [~~as~~] the mental ***or physical*** condition creating the dependency no longer exists or the child marries. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) The cost of providing the statutory cost-of-living increases for retired members during 1980-82, 1982-84, 1986-88***, 1988-90 and 1990-92*** and the ***1988-90 and 1990-92*** [~~1989-90~~] cost of implementing the increases provided under subsection (3) of this section shall be funded by annual appropriations from the state on an amortized basis over the lifetime of the recipients. When the earnings on investments of the retired teacher savings exceeds the actuarial assumed rate of interest, the board of trustees may allocate such excess earnings toward the funding of the amortized payments required during the ***1990-92*** [~~1988-90~~] biennium for the cost-of-living increases approved under ***subsections*** [~~subsection~~] (5) ***and (6)*** of this section.

Section 16. KRS 161.661 is amended to read as follows:

(1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided below. Application for disability benefits must be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary, except that a member retiring for disability who is also eligible for service retirement may elect to have the benefit calculated on the service retirement formula and may choose any of the retirement options provided for service retirement.

(2) No member who has reached the age of sixty (60) years and who is otherwise qualified for retirement may retire by reason of disability, with the disability allowance of sixty percent (60%) of the member's final average salary as set out in subsection (1) of this section. A member who is sixty (60) years of age or older may retire for disability with the benefit calculated on the service retirement formula and the choice of retirement options as provided for service retirement. Provisions of KRS 161.520, 161.525, and subsections (3), (4) and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of ***these*** [~~such~~] members.

(3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of [~~such~~] eligibility.

(4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year so retired. ***This*** [~~Such~~] service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and shall be used in calculating benefits as provided in subsection (5) of this section. The service credit shall be valued at the same level as service earned by active members.

(5) Any member retired by reason of disability and remaining disabled at the expiration of the eligibility period shall have ***his*** [~~such~~] disability benefits recalculated using the service retirement formula with service credit as set out in subsection (4) of this section. The retirement allowance shall be calculated as set forth in KRS 161.620 except that those persons less than sixty (60) years of age shall be considered as sixty (60).

(6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of three hundred dollars ($300) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1980, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

(7) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or ***any*** [~~such~~] member, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement.

(8) In order to qualify for retirement by reason of disability a ***member*** [~~teacher~~] must suffer from a physical or mental condition presumed to be permanent in duration and of [~~such~~] a nature as to render him incapable of being gainfully employed as a teacher. ***The*** [~~Such~~] incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.

(9) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.

(10) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.

(11) No person who receives a disability allowance may serve as a teacher either within or without the state of Kentucky. So doing shall constitute a misdemeanor; and shall result in loss of ***the*** [~~such~~] allowance from the first date of ***this*** [~~such~~] service. The recipient of a disability allowance who engages in any gainful occupation other than teaching must make a report of the duties involved, compensation received and any other pertinent information required by the board of trustees. If the annual income from other employment plus the disability benefit exceed the sum of ***twenty*** [~~twelve~~] thousand dollars ***($20,000)*** [~~($12,000)~~] or the last earned compensation, whichever is the greater amount, the benefit shall be reduced to an amount which with earned income will not exceed the last earned compensation or ***twenty*** [~~twelve~~] thousand dollars ***($20,000)*** [~~($12,000)~~], whichever is the greater amount. In no case shall the benefit be reduced to less than seventy-five dollars ($75) per month, if the member has five (5) or more years of contributing service in the Teachers' Retirement System.

(12) The board of trustees shall designate medical review committees, each consisting of three licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all statements, certifications, and examinations submitted in connection with ***disability*** [~~such~~] applications. The disposition of each case shall be recommended by a medical review committee in writing to the board of trustees. Members of a medical review committee shall follow [~~such~~] rules and regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized

by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The board of trustees may secure [~~such~~] additional medical service and information as it deems necessary. The board of trustees shall promulgate regulations that specify member appeal procedures.

(13) A disability may be presumed to be permanent if the condition creating ***the*** [~~such~~] disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

(14) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.

(15) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.

At the time of retirement ***or death*** of a member [~~by reason of service or disability~~] there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance ***and provide for benefits under KRS 161.520, 161.525, and 161.655***;

(4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances ***and benefits provided under KRS 161.520, 161.525 and 161.655. In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, and the state accumulation fund, the amounts as may be held in those funds for the account or benefit of the member***;

(5) The [~~survivor, death and~~] medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS [~~161.520, 161.525, 161.655 and~~] 161.675. One and ***five tenths percent***

(1.5%) [~~eighty-one hundredths percent (1.81%)~~] of the gross annual payroll of all members shall be deposited to this fund. One-half (1/2) of this amount shall derive from member contributions and one-half (1/2) from state appropriation. [~~In addition, whenever a change in the status of a member results in an obligation on this fund, there shall be transferred to this fund from the teachers' savings fund, the state accumulation fund, and the allowance reserve fund, such amounts as may be held in those funds for the account or benefit of the member.~~] All claims for benefits under KRS [~~161.520, 161.525, 161.655 and~~] 161.675 shall be paid from this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and

(6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to ***these*** [~~such~~] funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at the beginning of a fiscal year, transfer from the guarantee fund to the [~~survivor, death and~~] medical insurance fund an amount not to exceed two percent (2%) of the income earned from investments during the immediate past year.

Section 3. KRS 161.440 is amended to read as follows:

At the end of each fiscal year the board of trustees shall assign from the guarantee fund interest at the rate of three percent (3%) to the teachers' savings fund, the state accumulation fund and the allowance reserve fund, and, effective July 1, 1978, interest at a rate of interest not to exceed the average yield on fixed income security investments for the immediate past year to the [~~survivor, death and~~] medical insurance fund. The amounts so allowed shall be due and payable to the funds and shall be annually credited thereto by the board of trustees from interest and other earnings on money of the retirement system.

Section 4. KRS 161.470 is amended to read as follows:

(1) The membership of the retirement system shall consist of all new ***members*** [~~teachers~~], all present teachers and all persons participating under the retirement system as of June 30, 1986, except as provided in Acts 1938 (1st Ex. Sess.), ch. 1, paragraph 29. The Board of Trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership. [~~No person without previous Kentucky service who was age sixty-five (65) or older on July 1, next preceding employment, may become a member of the Teachers' Retirement System.~~]

(2) Service credit shall be forfeited upon withdrawal. If a ***member*** [~~teacher~~] again enters service it shall be as a new ***member*** [~~teacher~~], except that any teacher who withdraws by claiming his deposits may repay the system the amount withdrawn plus interest and re-establish his service credit as provided in subsection (3) of this section.

(3) Effective July 1, 1988, and thereafter, an active contributing member of the retirement system with contributing service equal to one (1) year may regain [~~such~~] service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit.

(4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. Sess.), ch. 1, paragraph 29, may secure service credit for prior service, and for any subsequent service prior to date of membership, by depositing in the teachers' savings fund contributions for each year of subsequent service prior to date of membership, with interest at the rate of eight percent (8%) compounded annually to the date of deposit.

(5) Membership in the retirement system shall be terminated:

(a) By retirement for service;

(b) By death;

(c) By withdrawal of the member's accumulated contributions; or

(d) When a ***member*** [~~teacher~~], having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years.

Upon termination of member accounts under this subsection, funds in the account shall be transferred to the guarantee fund. Inactive members may apply for refunds of ***these*** [~~such~~] funds at any time. ***The*** [~~Such~~] terminated service shall be reinstated, if not withdrawn by the member, in the event that the ***member*** [~~teacher~~] returns to active contributing service.

(6) In case of withdrawal from service prior to eligibility for retirement, the board of trustees shall on request of the ***member*** [~~teacher~~] return all of his accumulated contributions with regular interest, including any payments made by the ***member*** [~~teacher~~] to the state accumulation fund, but the ***member*** [~~teacher~~] shall have no claim on any contributions made by the state with a view to his retirement or to contributions made to the [~~survivor, death and~~] medical insurance fund. If the member is eligible for an immediate service retirement allowance as provided in KRS 161.600 no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for social security benefits or the member elects to withdraw part or all of his service for the purpose of obtaining credit in another retirement plan. Requests for refund of contributions by the member must be filed on forms prescribed by the Teachers' Retirement System and the employer shall be financially responsible for all information that is certified on the prescribed form.

(7) Except as provided in KRS 161.520 and 161.525, in case of death prior to retirement the board of trustees shall pay to the estate of the deceased member or to his assigns all of his accumulated contributions, with regular interest, including any payments made by the ***member*** [~~teacher~~] to the state accumulation fund, but the estate or assigns shall have no claim on any contributions made by the state with a view to the retirement of the ***member*** [~~teacher~~] or to contributions made to the [~~survivor, death and~~] medical insurance fund.

(8) Any active contributing member of the Kentucky Employees Retirement System, the County Employees Retirement System, the state police retirement system, or the judicial retirement system may use service, under ***that*** [~~such~~] retirement system for the purpose of meeting the service requirement of subsections (3) and (4) of this section.

Section 5. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the Teachers' Retirement System may receive credit for active service rendered in the armed forces of the United States, subject to regulations established by the board of trustees. ***Military*** [~~Such~~] service may be credited only if discharge was other than dishonorable. Service shall be considered as Kentucky teaching service, except that it may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). A maximum of six (6) years of ***military*** [~~such~~] service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) ***No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.***

(3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on ***this military*** [~~such~~] service, may not receive credit for any ***military*** [~~such~~] service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and ***after this date*** [~~thereafter~~].

(4)[~~(3)~~] A member receiving retirement credit for active duty in the armed services of the United States shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service so credited. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the survivor, death and medical insurance fund. ***These*** [~~Such~~] contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting ***this*** [~~such~~] service.

Section 6. KRS 161.515 is amended to read as follows:

(1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position, which would be covered if in Kentucky.

(2) (a) A member in active contributing status who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for

credit, service rendered out of state, not to exceed ten (10) [~~such~~] years actually taught as a certified or licensed teacher. With the exception of university faculty members, all members who elect to purchase ***this*** [~~such~~] service shall pay to the retirement system an amount equal to the current member contribution rate based on the first Kentucky salary of the member subsequent to the out-of-state service, provided ***this*** [~~such~~] service was rendered after January 1, 1984. In the event ***this*** [~~such~~] service was rendered prior to January 1, 1984, the contribution rate shall be seven and eighty-four hundredths percent (7.84%). University faculty members shall pay on a contribution rate of seven and eighty-four hundredths percent (7.84%) based on the first Kentucky salary subsequent to the out-of-state service, regardless of when the service was rendered. In addition, all members shall pay interest on the contributions for ***this*** [~~such~~] service at a rate to be set by the board of trustees on each annual contribution from the last day of the scholastic year in which the service was rendered to date of payment to the retirement system. ***The*** [~~Such~~] payments shall not be picked up as described in KRS 161.540(2). For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. ***This*** [~~Such~~] credit may not be used to meet the service requirements of KRS 161.525, 161.600 or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds;

(b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the state of Kentucky may present ***this*** [~~such~~] service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no [~~such~~] service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by ***a*** [~~such~~] public institution or governmental agency. ***This*** [~~Such~~] service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit; and

(c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use ***this*** [~~such~~] service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of ***eight percent (8%)*** [~~seven and eighty-four hundredths percent (7.84%)~~] for each year so used. ***These*** [~~Such~~] payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and ***after this date*** [~~thereafter~~], shall not receive credit for service defined in subsections (2)(a) and (2)(c) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.

Section 7. KRS 161.520 is amended to read as follows:

Upon death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

(1) Where there is a surviving widow or widower who is named as beneficiary of the member's retirement account, the benefit shall be:

(a) One hundred eighty dollars ($180) per month with no restriction on other income;

(b) Two hundred twenty dollars ($220) per month when the surviving widow or widower's total income from all sources does not exceed six thousand dollars ($6,000) per year or five hundred dollars ($500) per month; or

(c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.600(1). In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life except ***as provided in subsection (6) of this section*** [~~that eligibility for this benefit shall cease upon remarriage~~]. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision.

(2) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be one hundred eighty dollars ($180) per month in

the case of one (1) [~~such~~] child, three hundred ten dollars ($310) per month in the case of two (2) [~~such~~] children, three hundred sixty dollars ($360) per month in the case of three (3) [~~such~~] children, and four hundred dollars ($400) per month in the case of four (4) or more [~~such~~] children. Benefits under this subsection shall apply ***in addition to*** [~~notwithstanding~~] benefits which may be payable under subsections (1) and (3) of this section.

(3) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars ($200) per month, payable for the life of ***the*** [~~such~~] child or until ***the*** [~~such~~] time as the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection and subsection (2) of this section shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one year prior to the death of the member. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(12). Benefits under this subsection shall apply ***in addition to*** [~~notwithstanding~~] benefits which may be payable under subsections (1) and (2) of this section [~~and shall be in addition to such benefits~~].

(4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars ($200) per month for one (1) parent or two hundred ninety dollars ($290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member.

(5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars ($165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home or other institution at the member's expense for a like period.

(6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19) if a full-time student in high school or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency.

(7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating thereto, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems ***this*** [~~such~~] action necessary.

(8) No payments of benefits shall be made unless the board of trustees shall have authorized ***the*** [~~such~~] payments. The board shall formulate and adopt necessary administrative regulations for the administration of the foregoing provisions and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable.

(9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, the board of trustees shall pay to the estate or assigns of the deceased member a refund of his accumulated contributions as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated contributions at the time of death, the board of trustees shall pay to the estate or assigns of the deceased member the balance of ***the*** [~~such~~] accumulated contributions.

(10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualificatilure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits.

Section 8. KRS 161.522 is amended to read as follows:

Upon the death of a member retired for disability who had a minimum of ***twenty-seven (27)*** [~~thirty (30)~~] years of service prior to retiring for disability, except as provided in KRS 161.661(6), the spouse, if named as the beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided under KRS 161.520, an annuity actuarially equivalent to the annuity that would have been paid to the member had retirement for service been effective on the day the member retired for disability. In selecting this right, the spouse shall be limited to selecting an option providing a straight life annuity with refundable balance. There shall be a monthly minimum allowance of three hundred dollars ($300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, ***1988*** [~~1984~~], and to surviving spouses of members who die on or after July 1, 1984.

Section 9. KRS 161.525 is amended to read as follows:

(1) Upon death of a member in active contributing status at the time of death, who was eligible to retire by reason of service, the spouse, if named as beneficiary of the member's retirement account or in the absence of an eligible spouse a legal dependent of ***the*** [~~said~~] member, if named as beneficiary, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided in KRS 161.520, an annuity actuarially equivalent at the attained age of the beneficiary to the annuity that would have been paid to the deceased member had retirement been effective on the day immediately preceding the member's death. Under the provisions of KRS 61.680, benefits shall be processed as if the member retired for service. In exercising this right the spouse or legal dependent shall be limited to selecting an option providing either a straight life annuity with refundable balance or ten (10) years certain payment. A spouse may receive the annuity provided herein at the same time as children are qualifying for survivors' benefits under the provisions of KRS 161.520, however, a legal dependent, other than a spouse, may not receive ***these*** [~~such~~] payments if children have qualified for benefits under that section.

(2) A spouse or legal dependent qualifying for an annuity under subsection (1) of this section may defer ***the*** [~~such~~] payments in order to reduce the actuarial discounts to be applied due to age.

(3) Upon death of a member in active contributing status at the time of his death, who had a minimum of ***twenty-seven (27)*** [~~thirty (30)~~] years of service, the spouse, if named as the beneficiary of the member's account shall be entitled to a monthly minimum allowance of three hundred dollars ($300) as the basic straight life annuity. This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986.

Section 10. KRS 161.545 is amended to read as follows:

(1) Members may make contributions and receive service credit for substitute, part-time or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees. Members placed on leave of absence may make contributions and receive service credit for ***this*** [~~such~~] leave as provided in administrative regulations adopted by the board of trustees. Contributions permitted after August 1, 1982, shall not be picked up pursuant to KRS 161.540(2).

(2) ***A member who has been out of the teaching profession, but not on an official leave of absence, for the purpose of obtaining a masters degree, Rank 1, or a doctors degree may purchase up to one (1) year of service credit in the Teachers' Retirement System. Any member who qualifies to purchase this service shall pay to the retirement system an amount equal to the contribution rate in effect on the salary the last year the member was employed prior to enrollment in a masters, Rank 1, or doctors degree program with interest at the rate of eight percent (8%) compounded annually from the beginning of the school year next following enrollment in a masters Rank 1, or doctors degree program. This sum shall be deposited in the state accumulation fund. Credit purchased may not exceed the time the member is enrolled in a masters program, Rank 1 program, or doctoral program. Leave for this purpose shall be verified by a copy of the member's college transcript. This service credit must be purchased prior to July 1, 1991*** [~~Active members who have been granted leaves of absence since July 1941, for reasons of health or to improve their educational qualifications, and did not make contributions to the Teachers' Retirement System may make contributions prior to July 1, 1989, under the following conditions:~~

Section 11. KRS 161.585 is amended to read as follows:

(2) Medical records which are included in a member's file maintained by the Teachers' Retirement System are confidential and shall not be released unless authorized by the member in writing or as otherwise provided by law.

Section 12. KRS 161.600 is amended to read as follows:

(1) Effective July 1, 1988, a member of the retirement system may qualify for service retirement by meeting one (1) of the following requirements:

(a) Attainment of age sixty (60) years and completion of five (5) years of Kentucky service;

(b) Attainment of age fifty-five (55) years and completion of a minimum of five (5) years of Kentucky service with an actuarial reduction of the basic allowance of five percent (5%) for each year the member's age is less than sixty (60) years or for each year the member's years of Kentucky service credit is less than twenty-seven (27), whichever is the lesser number; or

(c) Completion of twenty-seven (27) years of Kentucky service. ***Out-of-state service earned in accordance with the provisions of KRS 161.515(2) may be used to meet this requirement.***

(2) Any person who has been a teacher in Kentucky for twenty-seven (27) years or more and who withdraws from teaching after July 1, 1941, and before reaching the age of sixty-five (65) years, may continue to pay into the fund each year until the end of the fiscal year in which he reaches the age of sixty-five (65) years, the current contribution rate based on the annual compensation received during his last full year as a teacher. If he so elects, he shall at any time be entitled to receive a retirement allowance as provided in KRS 161.620. No member shall make contributions as provided for ***in this subsection*** [~~above~~] if ***the*** [~~such~~] member is at the same time making contributions to another retirement system in Kentucky supported wholly or in part by public funds.

(3) Service credit in the Kentucky Employees Retirement System, the State Police Retirement System, the Legislators' Retirement Plan, the County Employees ***Retirement System*** or the Judicial Retirement System may be used in meeting the service requirements of subsection (1)(a)***,*** [~~and~~] (b) ***and (c)*** of this section, provided ***the*** [~~such~~] service is subsequent to July 1, 1956.

(4) No retirement annuity shall be effective until written application and option election forms are filed with the retirement office in accordance with administrative regulations of the board of trustees.

(5) The surviving spouse of an active contributing member, if named as beneficiary of the member's account, may purchase retirement credit that the member was eligible to purchase prior to his death.

Section 13. KRS 161.603 is amended to read as follows:

(1) Any ***member*** [~~teacher~~] retired by reason of service [~~and less than age seventy~~] may waive his annuity and return to regular employment in a ***position*** [~~Kentucky public elementary or secondary school or state college or university~~] covered by the ***Teachers' Retirement*** System. ***The member*** [~~Such teacher~~] shall receive no annuity payments while [~~so~~] employed ***in a covered position***, but shall continue to be covered by the system's hospital and medical insurance program and his estate shall continue to be eligible for death benefits as provided in KRS 161.655. [~~He shall be returned to the annuity rolls as of the first of the month next following the month in which the last teaching was performed. A teacher who waives his annuity and teaches for eight (8) months or more during a school term shall be returned to the annuity rolls as of July 1 following the close of such school term. Such person shall not be considered a member of the retirement system, and no contributions shall be made for him.~~] Service subsequent to retirement shall not be used to improve an annuity, except as provided in ***subsections*** [~~subsection~~] (2) ***and (3) of this section*** [~~below~~].

(2) Any ***member*** [~~teacher~~] who waives regular annuity benefits and returns to teaching ***or covered employment*** [~~for at least two (2) consecutive regular school years~~] shall be entitled to make contributions

on the salaries received for ***this*** [~~such~~] service and have their retirement annuity recalculated as provided in the regular retirement formula in KRS 161.620(1)(a) less any applicable actuarial discount applied to the original retirement allowance due to the election of a joint and last survivor option. Retirement option and beneficiary designation on original retirement shall not be altered by post-retirement employment nor shall dependents and spouses of ***the*** [~~such~~] members become eligible for benefits under KRS 161.520, 161.525 and 161.661 because of post-retirement employment.

(3) When a member returns to full-time teaching or covered employment as provided in subsection (2) of this section, the employer is required to withhold and remit regular retirement contributions. The member must be employed full-time for at least one (1) consecutive contract year to be eligible to improve an annuity. The member will be returned to the annuity rolls on July 1 following completion of the contract year or on the first day of the month following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. Any discounts applied at the time of the original retirement due to service may be reduced or eliminated due to additional employment if full-time employment is for one (1) contract consecutive year or longer.

Section 14. KRS 161.605 is amended to read as follows:

(1) Retired ***members*** [~~teachers~~] may ***perform*** [~~do~~] part-time or substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation for ***this teaching*** [~~same~~] without reduction in retirement annuities. The board of trustees by regulation may establish fractional equivalents of a day of teaching service.

(2) Retired members may be employed part-time in a non-teaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. The board of trustees shall determine if employment in a non-teaching position qualifies for an exemption under this subsection.

Section 15. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

For purposes of implementing the change in the value of a year of service, the board of trustees shall establish by administrative regulation, the value of services performed during the 1983-84 fiscal year but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%); and

(4) The minimum provided in this section shall apply in the case of ***members*** [~~teachers~~] retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the ***member*** [~~teacher~~] and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

When the earnings on investments of the retired teacher savings exceeds the actuarial assumed rate of interest, the board of trustees may allocate such excess earnings toward the funding of the amortized payments required during the ***1990-92*** [~~1988-90~~] biennium for the cost-of-living increases approved under ***subsections*** [~~subsection~~] (5) ***and (6)*** of this section.

Section 16. KRS 161.661 is amended to read as follows:

(1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided below. Application for disability benefits must be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary, except that a member retiring for disability who is also eligible for service retirement may elect to have the benefit calculated on the service retirement formula and may choose any of the retirement options provided for service retirement.

(2) No member who has reached the age of sixty (60) years and who is otherwise qualified for retirement may retire by reason of disability, with the disability allowance of sixty percent (60%) of the member's final average salary as set out in subsection (1) of this section. A member who is sixty (60) years of age or older may retire for disability with the benefit calculated on the service retirement formula and the choice of retirement options as provided for service retirement. Provisions of KRS 161.520, 161.525, and subsections (3), (4) and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of ***these*** [~~such~~] members.

(3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position but any member

meeting the service requirement for disability retirement shall be credited with no less than five (5) years of [~~such~~] eligibility.

(4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year so retired. ***This*** [~~Such~~] service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and shall be used in calculating benefits as provided in subsection (5) of this section. The service credit shall be valued at the same level as service earned by active members.

(5) Any member retired by reason of disability and remaining disabled at the expiration of the eligibility period shall have ***his*** [~~such~~] disability benefits recalculated using the service retirement formula with service credit as set out in subsection (4) of this section. The retirement allowance shall be calculated as set forth in KRS 161.620 except that those persons less than sixty (60) years of age shall be considered as sixty (60).

(6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of three hundred dollars ($300) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1980, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

(7) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or ***any*** [~~such~~] member, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement.

(8) In order to qualify for retirement by reason of disability a ***member*** [~~teacher~~] must suffer from a physical or mental condition presumed to be permanent in duration and of [~~such~~] a nature as to render him incapable of being gainfully employed as a teacher. ***The*** [~~Such~~] incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.

(9) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.

(10) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.

(11) No person who receives a disability allowance may serve as a teacher either within or without the state of Kentucky. So doing shall constitute a misdemeanor; and shall result in loss of ***the*** [~~such~~] allowance from the first date of ***this*** [~~such~~] service. The recipient of a disability allowance who engages in any gainful occupation other than teaching must make a report of the duties involved, compensation received and any other pertinent information required by the board of trustees. If the annual income from other employment plus the disability benefit exceed the sum of ***twenty*** [~~twelve~~] thousand dollars ***($20,000)*** [~~($12,000)~~] or the last earned compensation, whichever is the greater amount, the benefit shall be reduced to an amount which with earned income will not exceed the last earned compensation or ***twenty*** [~~twelve~~] thousand dollars ***($20,000)*** [~~($12,000)~~], whichever is the greater amount. In no case shall the benefit be reduced to less than seventy-five dollars ($75) per month, if the member has five (5) or more years of contributing service in the Teachers' Retirement System.

(12) The board of trustees shall designate medical review committees, each consisting of three licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all statements, certifications, and examinations submitted in connection with ***disability*** [~~such~~] applications. The disposition of each case shall be recommended by a medical review committee in writing to the board of trustees. Members of a medical review committee shall follow [~~such~~] rules and regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The board of trustees may secure [~~such~~] additional medical service and information as it deems necessary. The board of trustees shall promulgate regulations that specify member appeal procedures.

(13) A disability may be presumed to be permanent if the condition creating ***the*** [~~such~~] disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

(14) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.

(15) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.

Section 17. Whereas, retirement annuity adjustments are implemented at the beginning of the fiscal year, an emergency is declared to exist and the provisions of this Act shall become effective July 1, 1990.

(5) Immediately upon expiration of the time for filing petitions, the county clerk ***or the Secretary of State*** shall have published in accordance with KRS Chapter 424 the names of the applicants as they will appear before the voters at the primary.

(6) Subsection (5) of this section shall not apply if it appears, immediately upon expiration of the time for filing petitions, that there are not more than two (2) applicants for nomination for each city office to be filled, or, when the nominations are for city legislative body members in cities electing legislative body members at large, and there are no more than twice the number of applicants for nomination for the number of offices to be filled. (12) Votes shall be counted as provided in general election laws, pursuant to KRS Chapters 116 to 121, and the result shall be published as provided in KRS Chapter 424.

The bond will be filed with the secretary of the board, and suit thereon may be filed in the name of the board for use of the board or any person injured by its breach. The premium on said bond may be paid out of the fund.

(5) The ***commissioner*** [~~director~~] of law of the government shall serve as legal adviser to the board on all matters pertaining to the fund involving suits or actions at law, and on any questions of the interpretation of the provisions hereof, except that the board shall have the power to hire independent counsel for any suits or actions of law, the cost of such independent counsel to be borne by the pension fund.

(6) The board may employ actuarial assistance from time to time to advise it in matters relating to the technical aspects of operations of the fund, to assist in the preparation of the periodic financial reports, to determine rates of city contribution and to make periodic analyses of the operation of the fund. Within six (6) months after the establishment of an urban-county form of government, an actuarial study shall be made for the purpose of recommending rates, mortality, disability, retirement, separations from service and other essential factors. At least once every three (3) years thereafter an actuarial survey and investigation shall be made of the operating experience of the fund, including a study of the rates, mortality, disability, retirement, separations from service, and other essential factors. The actuary shall recommend all mortality and interest tables to be adopted by the board, and shall recommend, if appropriate, cost of living increases as provided in KRS 67A.430. In the event such survey is not undertaken as provided herein, any member of the fund or any annuitant may obtain an injunction or mandamus requiring such survey and investigation, or may obtain the appointment of a person or persons to make such study and investigation, from the circuit court of any county in which the government is located.

(7) The board shall establish rules and regulations to implement the provisions of KRS 67A.360 to 67A.690 which shall not be inconsistent therewith.

Section 7. KRS 67A.570 is amended to read as follows:

The board may invest the moneys accruing to the fund, in interest-bearing bonds of any county, urban county government or city of the first, second or third class in this Commonwealth, or in any securities in which trustees are permitted to invest trust funds under the laws of this Commonwealth. Such bonds shall be registered in the name of the board to the extent possible. The securities acquired by the board shall be deposited with the ***commissioner*** [~~director~~] of finance and shall be subject to the order of the board. The board may at the cost of the pension fund employ or engage consultants to provide investment advice to aid the board in its determinations.

Section 9. KRS 67A.620 is amended to read as follows:

(1) The right to a retirement annuity, disability annuity, survivor's annuity or benefit, death benefit, or any other benefit under the provision hereof, by whatever name called, or refund, is personal with the recipient thereof, and the assignment, ***garnishment, execution,*** or transfer of such benefit or any part thereof shall be void, except as herein provided. Any such annuity, benefit, or refund shall not answer for debts contracted by the person receiving the same, and it is the intention of this section that they shall not be attached or affected by any judicial proceeding.

(2) Any retirement benefit, disability benefit, survivor's benefit or refund granted under the provisions hereof shall not be classified as marital property pursuant to KRS 403.190(1), nor shall any such annuity, benefit or refund be considered as an economic circumstance during the division of marital property in an action for dissolution of marriage pursuant to KRS 403.190(1)(d).

Section 10. KRS 67A.600 is amended to read as follows:

(1) It is the intention of KRS 67A.360 to 67A.690 that the fund herein created shall supersede and take the place of the pension fund established under KRS 95.851 to 95.884 inclusive, for cities of the second class becoming urban-county governments, which sections shall be without force and effect, insofar as applicable to such urban-county governments, but said sections shall remain in full force and effect as relates to other cities of the second class.

(2) The fund created by KRS 67A.360 to 67A.690 shall succeed to and assume as of July 1, 1974, all assets of such pension funds, and shall continue to make payment of all annuities, pensions, and benefits granted by superseded pension funds at the rates previously fixed and under the conditions previously in effect, except as provided in subsection (3) of this section.

(3) (a) Persons who retired under the provisions of KRS 95.520 to 95.620, or 95.851 to 95.884 in a city which subsequently was merged into an urban-county government, or their surviving spouses or eligible children, shall receive an upward adjustment in their retirement or survivor's annuity by calculation of a two percent (2%) annual increase compounded, from July 1, 1974, until July 15, ***1980 and annual increases compounded, from July 15, 1980 until July 15, 1990 in the same percentage amount by which the pension board increased other pensions pursuant to KRS 67A.690(1) for those same years*** [~~1988~~]. The survivor's annuity shall be determined as if the retired member's annuity had been increased annually by two percent (2%) compounded from ***July 1, 1974, until July 15, 1980, and annual increases compounded, from July 15, 1980 until July 15, 1990 in the same percentage amount by which the pension board increased other pensions pursuant to KRS 67A.690(1) for those same years*** [~~the date of retirement until the date of death~~]. For purposes of calculation, the member's or survivor's first increase shall occur July 1, 1974, but only after the member was retired for one (1) year or attained age fifty-one (51), whichever was later, or would have been retired one (1) year or reached the age of fifty-one (51), whichever was later, in the event the member died before being retired one (1) year or reaching the age of fifty-one (51), unless retirement was under disability, in which case age and length of retirement criteria shall not apply.

(b) After calculation of the new annuity level, persons affected by this section shall be granted the same annual increase granted to retirees pursuant to KRS 67A.690(1), and the annuity on which this cost-of-living increment is based shall be the annuity level reached through the addition of annual compounded [~~two percent (2%)~~] increases ***calculated*** pursuant to paragraph (a) of this subsection. If the member has not attained the age of fifty-one (51) or would not have attained the age of fifty-one (51) in the event the member is deceased, then the member or survivor shall receive increases of two percent (2%) compounded annually until the member attains or would have attained age fifty-one (51), at which time the same annual increase granted to retirees who retired pursuant to KRS 67A.690(1) shall apply. In addition, each annuitant or surviving spouse or eligible child shall receive a one-time lump sum payment of five hundred dollars ($500).

(4) The provisions of subsection (3) of this section shall not apply to any retiree or surviving spouse who receives a minimum retirement annuity, annually adjusted, pursuant to 1972 Acts Chapter 185, Section 1, but each such retiree or surviving spouse shall receive a one-time lump sum payment of five hundred dollars ($500). If, in the future, any retiree or spouse annuity granted pursuant to this section falls below the adjusted minimum annuity, the affected retiree or spouse shall be granted, from that time forward, the adjusted minimum annuity calculated pursuant to 1972 Acts Chapter 185, Section 1.

Section 11. KRS 67A.690 is amended to read as follows:

(1) When a member has been retired for one (1) year or attained fifty-one (51) years of age, whichever is later, or when he would have been retired for one (1) year or attained fifty-one (51) years of age in the event the member is deceased, the board shall increase his retirement annuity or the annuity paid to his widow or dependent children by not less than two percent (2%) nor more than five percent (5%) per year, compounded annually; and such increase shall be determined and granted annually thereafter by the board.

(2) Notwithstanding the provisions of subsection (1), any member who retires under disability shall be entitled to an increase in his retirement annuity, or in the event he is deceased, in the annuity paid to his widow or dependent children by two percent (2%) per year; and such increase shall be granted annually thereafter by the board. Such increase shall be compounded until and including the date upon which the member would have been retired for one (1) year or the date upon which he has attained fifty-one (51) years of age, whichever is later, or would have been retired for one (1) year or would have attained fifty-one (51) years of age in the event the member is deceased. Thereafter, the annuity paid to the member or to his widow or to the guardian of his minor children shall be increased as provided in subsection (1) of this section.

(3) (a) A member who retired pursuant to the provisions of KRS 67A.360 to 67A.690 prior to July 15, 1980, or pursuant to KRS 67A.690(2) after July 15, 1980, or his surviving spouse or eligible surviving children, shall receive an upward adjustment in their retirement or survivor's annuity by calculation of a two percent (2%) annual increase compounded from ***July 1, 1974, until July 15, 1980, and annual increases compounded, from July 15, 1980, until July 15, 1990 in the same percentage amount by which the pension board increased other pensions pursuant to subsection (1) of this section for those same years*** [~~the date of retirement until July 15, 1988~~]. For purposes of calculation, unless the member retired under disability, the member's or survivor's first increase shall occur after the member was retired for one (1) year or attained the age of fifty-one (51), whichever was later, or would have been retired one (1) year or reached the age of fifty-one (51) whichever was later, in the event the member died before being retired one (1) year or reaching the age of fifty-one (51). In the case of retirement under disability, no age or length of retirement criteria shall apply.

(b) After calculation of the new annuity level, members of age fifty-one (51) or more affected by this subsection, or survivors of a member who would have been fifty-one (51) or more in the event the member is deceased, shall be granted the same annual increase granted to retirees who retired July 15, 1980, or thereafter, pursuant to subsection (1) of this section, and the annuity on which this cost-of-living increment is based shall be the annuity level reached through the addition of annual compounded [~~two percent (2%)~~] increases ***calculated*** pursuant to paragraph (a) of this subsection, but not less than the annuity level in effect prior to July 15, ***1990*** [~~1988~~]. If the member has not attained the age of fifty-one (51) or would not have attained the age of fifty-one (51) in the event the member is deceased, then the member or survivor shall receive increases of two percent (2%) compounded annually until the member attains or would have attained age fifty-one (51), at which time the same annual increase granted to retirees who retired July 15, 1980, or thereafter shall apply.

(4) The provisions of subsection (3) of this section shall not apply to any retiree or surviving spouse who receives a minimum retirement annuity, annually adjusted, pursuant to KRS 67A.430. If, in the future, any retiree or spouse annuity granted pursuant to this section falls below the adjusted minimum annuity, the affected retiree or spouse shall be granted, from that time forward, the adjusted minimum annuity calculated pursuant to KRS 67A.430.

SECTION 12. A NEW SECTION OF KRS 67A.360 TO 67A.690 IS CREATED TO READ AS FOLLOWS:

(1) Once each year following the retirement of a member on a disability retirement allowance, the board may require the person, prior to his normal retirement date, to undergo a medical examination. Should he refuse to submit to any such medical examination, his retirement allowance shall be discontinued until his withdrawal of his refusal, and should his refusal continue for one (1) year, all his rights to any further disability allowance shall cease. Any member whose medical examination reveals that he is no longer totally and permanently disabled within the meaning of KRS 67A.360(16) shall be disqualified from further receipt of disability benefits.

(2) (a) Once each year following the retirement of a member on a disability retirement allowance the board shall require the person, prior to his normal retirement date, to complete and return to the board a statement indicating whether he is employed, the name of his employer, if any, and a description of his job duties. The board shall discontinue the disability benefits of any member for the duration of his refusal to provide the board with employment information. Any member who fails to provide the information to the board within one (1) year after the initial request shall lose his right to any further disability benefits.

(b) The board shall have the right to terminate the disability retirement benefits of any member who is employed in an occupation which is essentially similar to that of his former employment, either in job classification, similarity of duties or which otherwise demonstrates that the member is performing activities

for which he earlier claimed he was disabled from performing. For the purpose of this section, members who were sworn police officers may not hold a sworn position as peace officer and continue to receive disability benefits.

SECTION 13. A NEW SECTION OF KRS 67A.360 TO 67A.690 IS CREATED TO READ AS FOLLOWS:

Any member who was honorably discharged from any branch of the armed services of the United States may purchase service credit for up to a maximum of four (4) years of active military service within five (5) years from July 15, 1990 or from the date he becomes a member of the fund, whichever occurs later. A member who purchases service credit for military service shall pay to the fund in a lump sum one hundred percent (100%) of an amount which shall be determined by actuarial method consistent with the methods prescribed for determining the purchase of prior service credit.

(1) Any member who retires based on age and service on January 1, 1990, or thereafter, may purchase service credit for unused sick leave accrued while contributing to the retirement fund from which the retirement benefit is to be paid in accordance with this section.

(2) A member retiring based on age and service who chooses to purchase service credit for unused, accumulated sick leave as provided in this section shall notify the board of his intention upon submitting his retirement application to the board. The urban-county government shall certify the retiring member's unused, accumulated sick leave balance, up to a maximum of seven hundred and twenty (720) hours for members employed by the division of police and one thousand and eight (1008) hours for members employed by the division of fire. The member's sick leave balance, expressed in days, shall be divided by the average number of working days per month and rounded to the nearest number of whole months. This number of months shall be added to the member's service credit for the purpose of determining his rate of retirement annuity pursuant to KRS 67A.430 and his total service credit pursuant to KRS 67A.400. The value of the unused, accumulated sick leave shall be based on the daily salary rate calculated from the member's last annual salary. Payment for unused sick leave, up to a maximum of seven hundred and twenty (720) hours for members employed by the division of police and one thousand and eight (1008) hours for members employed by the division of fire, shall be incorporated into the annual salary of the final year of service, provided that the member contributes to the retirement fund the amount set forth in KRS 67A.510 and the urban-county government matches such contribution by the amount set forth in KRS 67A.520(1) on the unused, accumulated sick leave.

SECTION 15. A NEW SECTION OF KRS 67A.360 TO 67A.690 IS CREATED TO READ AS FOLLOWS:

(2) Any member who retires on July 15, 1990, or thereafter, shall have the option at retirement to purchase an increased annuity allowance for his surviving widow. The amount of any such optional survivorship allowance shall be actuarially equivalent to the amount of retirement allowance otherwise payable to him. The member may elect either of two (2) options:

(a) Survivorship seventy-five percent (75%). The member may elect to receive a decreased retirement allowance during his lifetime and have seventy-five percent (75%) of such retirement allowance continue after his death to his eligible widow until her death or remarriage.

(b) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during his lifetime and have such retirement allowance continued at the same rate after his death to his eligible widow until her death or remarriage.

Section 16. KRS 67A.460 is amended to read as follows:

In the event a total and permanent occupational disability occurs, the member shall receive an annuity equal to seventy-five percent (75%) of his last rate of salary. Payment of this annuity shall be made during disability of the member. ***After the member's death, his eligible widow, if any, shall receive the benefits as provided in Section 15 of this Act, and his minor children, if any, shall receive benefits as provided under KRS 67A.450*** [~~Upon death of the member, if an eligible widow or minor children survive, such survivors shall be entitled to the regular annuities provided under KRS 67A.450~~].

(2) Any annuity for nonoccupational disability shall begin to accrue upon the expiration of ninety (90) days following the commencement of disability provided that if the member is receiving salary for sick leave for a period of more than ninety (90) days, payment shall accrue from the date such salary ceases. If written application for such annuity shall not have been filed with the board prior to the expiration of ninety (90) days from date of disability, the annuity shall begin to accrue from the date the application shall be filed but not prior to the expiration of ninety (90) days from the date of disability, nor in any event prior to the time when salary payments to the employee shall have ceased.

Every member of the fund shall be deemed to consent and agree to the deduction from salary as herein provided, and shall receipt for his full salary, and payment to such member of salary less such deduction shall constitute a full and complete discharge and acquittance of all claims and demand whatsoever for the services rendered by such member during the period covered by such payment, except as to the benefits herein provided. The vice-president shall serve as president in the absence of the president.

(2) The board shall designate a secretary who may be a member of the board and shall fix his compensation. The secretary shall keep a full account of all proceedings of the board and shall give notice of all meetings and give effect to all resolutions, orders, and directives of the board. Within six (6) months after the establishment of an urban-county form of government, an actuarial study shall be made for the purpose of recommending rates, mortality, disability, retirement, separations from service and other essential factors. At least once every three (3) years thereafter an actuarial survey and investigation shall be made of the operating experience of the fund, including a study of the rates, mortality, disability, retirement, separations from service, and other essential factors. The actuary shall recommend all mortality and interest tables to be adopted by the board, and shall recommend, if appropriate, cost of living increases as provided in KRS 67A.430. In the event such survey is not undertaken as provided herein, any member of the fund or any annuitant may obtain an injunction or mandamus requiring such survey and investigation, or may obtain the appointment of a person or persons to make such study and investigation, from the circuit court of any county in which the government is located.

(7) The board shall establish rules and regulations to implement the provisions of KRS 67A.360 to 67A.690 which shall not be inconsistent therewith.

(2) Moneys ordered paid from the fund to any person shall be paid by the treasurer only, upon warrant signed by the president of the board and countersigned by the secretary. No warrant shall be drawn except by order of the board duly entered on the record of proceedings of the board.

Section 9. KRS 67A.620 is amended to read as follows:

The right to a retirement annuity, disability annuity, survivor's annuity or benefit, death benefit, or any other benefit under the provision hereof, by whatever name called, or refund, is personal with the recipient thereof, and the assignment, ***garnishment, execution,*** or transfer of such benefit or any part thereof shall be void, except as herein provided. Any such annuity, benefit, or refund shall not answer for debts contracted by the person receiving the same, and it is the intention of this section that they shall not be attached or affected by any judicial proceeding.

Section 10. KRS 67A.600 is amended to read as follows:

(1) It is the intention of KRS 67A.360 to 67A.690 that the fund herein created shall supersede and take the place of the pension fund established under KRS 95.851 to 95.884 inclusive, for cities of the second class becoming urban-county governments, which sections shall be without force and effect, insofar as applicable to such urban-county governments, but said sections shall remain in full force and effect as relates to other cities of the second class.

(2) The fund created by KRS 67A.360 to 67A.690 shall succeed to and assume as of July 1, 1974, all assets of such pension funds, and shall continue to make payment of all annuities, pensions, and benefits granted by superseded pension funds at the rates previously fixed and under the conditions previously in effect, except as provided in subsection (3) of this section.

(3) (a) Persons who retired under the provisions of KRS 95.520 to 95.620, or 95.851 to 95.884 in a city which subsequently was merged into an urban-county government, or their surviving spouses or eligible children, shall receive an upward adjustment in their retirement or survivor's annuity by calculation of a two percent (2%) annual increase compounded, from July 1, 1974, until July 15, ***1980 and annual increases compounded, from July 15, 1980 until July 15, 1990 in the same percentage amount by which the pension board increased other pensions pursuant to KRS 67A.690(1) for those same years*** [~~1988~~]. The survivor's annuity shall be determined as if the retired member's annuity had been increased annually by two percent (2%) compounded from ***July 1, 1974, until July 15, 1980, and annual increases compounded, from July 15, 1980 until July 15, 1990 in the same percentage amount by which the pension board increased other pensions pursuant to KRS 67A.690(1) for those same years*** [~~the date of retirement until the date of death~~]. For purposes of calculation, the member's or survivor's first increase shall occur July 1, 1974, but only after the member was retired for one (1) year or attained age fifty-one (51), whichever was later, or would have been retired one (1) year or reached the age of fifty-one (51), whichever was later, in the event the member died before being retired one (1) year or reaching the age of fifty-one (51), unless retirement was under disability, in which case age and length of retirement criteria shall not apply.

(b) After calculation of the new annuity level, persons affected by this section shall be granted the same annual increase granted to retirees pursuant to KRS 67A.690(1), and the annuity on which this cost-of-living increment is based shall be the annuity level reached through the addition of annual compounded [~~two percent (2%)~~] increases ***calculated*** pursuant to paragraph (a) of this subsection. If the member has not attained the age of fifty-one (51) or would not have attained the age of fifty-one (51) in the event the member is deceased, then the member or survivor shall receive increases of two percent (2%) compounded annually until the member attains or would have attained age fifty-one (51), at which time the same annual increase granted to retirees who retired pursuant to KRS 67A.690(1) shall apply. In addition, each annuitant or surviving spouse or eligible child shall receive a one-time lump sum payment of five hundred dollars ($500).

(4) The provisions of subsection (3) of this section shall not apply to any retiree or surviving spouse who receives a minimum retirement annuity, annually adjusted, pursuant to 1972 Acts Chapter 185, Section 1, but each such retiree or surviving spouse shall receive a one-time lump sum payment of five hundred

dollars ($500). If, in the future, any retiree or spouse annuity granted pursuant to this section falls below the adjusted minimum annuity, the affected retiree or spouse shall be granted, from that time forward, the adjusted minimum annuity calculated pursuant to 1972 Acts Chapter 185, Section 1.

Section 11. KRS 67A.690 is amended to read as follows:

(1) When a member has been retired for one (1) year or attained fifty-one (51) years of age, whichever is later, or when he would have been retired for one (1) year or attained fifty-one (51) years of age in the event the member is deceased, the board shall increase his retirement annuity or the annuity paid to his widow or dependent children by not less than two percent (2%) nor more than five percent (5%) per year, compounded annually; and such increase shall be determined and granted annually thereafter by the board.

(2) Notwithstanding the provisions of subsection (1), any member who retires under disability shall be entitled to an increase in his retirement annuity, or in the event he is deceased, in the annuity paid to his widow or dependent children by two percent (2%) per year; and such increase shall be granted annually thereafter by the board. Such increase shall be compounded until and including the date upon which the member would have been retired for one (1) year or the date upon which he has attained fifty-one (51) years of age, whichever is later, or would have been retired for one (1) year or would have attained fifty-one (51) years of age in the event the member is deceased. Thereafter, the annuity paid to the member or to his widow or to the guardian of his minor children shall be increased as provided in subsection (1) of this section.

(3) (a) A member who retired pursuant to the provisions of KRS 67A.360 to 67A.690 prior to July 15, 1980, or pursuant to KRS 67A.690(2) after July 15, 1980, or his surviving spouse or eligible surviving children, shall receive an upward adjustment in their retirement or survivor's annuity by calculation of a two percent (2%) annual increase compounded from ***July 1, 1974, until July 15, 1980, and annual increases compounded, from July 15, 1980, until July 15, 1990 in the same percentage amount by which the pension board increased other pensions pursuant to subsection (1) of this section for those same years*** [~~the date of retirement until July 15, 1988~~]. For purposes of calculation, unless the member retired under disability, the member's or survivor's first increase shall occur after the member was retired for one (1) year or attained the age of fifty-one (51), whichever was later, or would have been retired one (1) year or reached the age of fifty-one (51) whichever was later, in the event the member died before being retired one (1) year or reaching the age of fifty-one (51). In the case of retirement under disability, no age or length of retirement criteria shall apply.

(b) After calculation of the new annuity level, members of age fifty-one (51) or more affected by this subsection, or survivors of a member who would have been fifty-one (51) or more in the event the member is deceased, shall be granted the same annual increase granted to retirees who retired July 15, 1980, or thereafter, pursuant to subsection (1) of this section, and the annuity on which this cost-of-living increment is based shall be the annuity level reached through the addition of annual compounded [~~two percent (2%)~~] increases ***calculated*** pursuant to paragraph (a) of this subsection, but not less than the annuity level in effect prior to July 15, ***1990*** [~~1988~~]. If the member has not attained the age of fifty-one (51) or would not have attained the age of fifty-one (51) in the event the member is deceased, then the member or survivor shall receive increases of two percent (2%) compounded annually until the member attains or would have attained age fifty-one (51), at which time the same annual increase granted to retirees who retired July 15, 1980, or thereafter shall apply.

(4) The provisions of subsection (3) of this section shall not apply to any retiree or surviving spouse who receives a minimum retirement annuity, annually adjusted, pursuant to KRS 67A.430. If, in the future, any retiree or spouse annuity granted pursuant to this section falls below the adjusted minimum annuity, the affected retiree or spouse shall be granted, from that time forward, the adjusted minimum annuity calculated pursuant to KRS 67A.430.

SECTION 12. A NEW SECTION OF KRS 67A.360 TO 67A.690 IS CREATED TO READ AS FOLLOWS:

(1) Once each year following the retirement of a member on a disability retirement allowance, the board may require the person, prior to his normal retirement date, to undergo a medical examination. Should he refuse to submit to any such medical examination, his retirement allowance shall be discontinued until his withdrawal of his refusal, and should his refusal continue for one (1) year, all his rights to any further disability allowance shall cease. Any member whose medical examination reveals that he is no longer totally and permanently disabled within the meaning of KRS 67A.360(16) shall be disqualified from further receipt of disability benefits.

(2) (a) Once each year following the retirement of a member on a disability retirement allowance the board shall require the person, prior to his normal retirement date, to complete and return to the board a statement indicating whether he is employed, the name of his employer, if any, and a description of his job duties. The board shall discontinue the disability benefits of any member for the duration of his refusal

to provide the board with employment information. Any member who fails to provide the information to the board within one (1) year after the initial request shall lose his right to any further disability benefits.

(b) The board shall have the right to terminate the disability retirement benefits of any member who is employed in an occupation which is essentially similar to that of his former employment, either in job classification, similarity of duties or which otherwise demonstrates that the member is performing activities for which he earlier claimed he was disabled from performing. For the purpose of this section, members who were sworn police officers may not hold a sworn position as peace officer and continue to receive disability benefits.

SECTION 13. A NEW SECTION OF KRS 67A.360 TO 67A.690 IS CREATED TO READ AS FOLLOWS:

The urban-county government shall certify the retiring member's unused, accumulated sick leave balance, up to a maximum of seven hundred and twenty (720) hours for members employed by the division of police and one thousand and eight (1,008) hours for members employed by the division of fire. The member's sick leave balance, expressed in days, shall be divided by the average number of working days per month and rounded to the nearest number of whole months. This number of months shall be added to the member's service credit for the purpose of determining his rate of retirement annuity pursuant to KRS 67A.430 and his total service credit pursuant to KRS 67A.400. The value of the unused, accumulated sick leave shall be based on the daily salary rate calculated from the member's last annual salary. Payment for unused sick leave, up to a maximum of seven hundred and twenty (720) hours for members employed by the division of police and one thousand and eight (1,008) hours for members employed by the division of fire, shall be incorporated into the annual salary of the final year of service, provided that the member contributes to the retirement fund the amount set forth in KRS 67A.510 and the urban-county government matches such contribution by the amount set forth in KRS 67A.520(1) on the unused, accumulated sick leave.

SECTION 15. A NEW SECTION OF KRS 67A.360 TO 67A.690 IS CREATED TO READ AS FOLLOWS:

(2) Any member who retires on July 15, 1990, or thereafter, shall have the option at retirement to purchase an increased annuity allowance for his surviving widow. The amount of any such optional survivorship allowance shall be actuarially equivalent to the amount of retirement allowance otherwise payable to him. The member may elect either of two (2) options:

(a) Survivorship seventy-five percent (75%). The member may elect to receive a decreased retirement allowance during his lifetime and have seventy-five percent (75%) of such retirement allowance continue after his death to his eligible widow until her death or remarriage.

(b) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during his lifetime and have such retirement allowance continued at the same rate after his death to his eligible widow until her death or remarriage.

Payment of this annuity shall be made during disability of the member. ***After the member's death, his eligible widow, if any, shall receive the benefits as provided in Section 15 of this Act, and his minor children, if any, shall receive benefits as provided under KRS 67A.450*** [~~Upon death of the member, if an eligible widow or minor children survive, such survivors shall be entitled to the regular annuities provided under KRS 67A.450~~].

(2) Any annuity for nonoccupational disability shall begin to accrue upon the expiration of ninety (90) days following the commencement of disability provided that if the member is receiving salary for sick leave for a period of more than ninety (90) days, payment shall accrue from the date such salary ceases. If written application for such annuity shall not have been filed with the board prior to the expiration of ninety (90) days from date of disability, the annuity shall begin to accrue from the date the application shall be filed but not prior to the expiration of ninety (90) days from the date of disability, nor in any event prior to the time when salary payments to the employee shall have ceased.
